Bio

BIO

Harmeet Bedi is an Interventional Pulmonologist and Clinical Assistant Professor at Stanford University Medical Center and School of Medicine. His expertise is in minimally invasive techniques used in the diagnosis and treatment of various airway and lung diseases such as lung cancer, benign and malignant airway obstruction, asthma, and pleural diseases. He has specific training in rigid bronchoscopy, airway stent placement, balloon bronchoplasty, endobronchial ultrasound (EBUS) and electromagnetic navigation bronchoscopy, bronchial thermoplasty, intrabronchial valve (IBV) insertion, pleural catheter insertion, and medical thoracoscopy. He also specializes in a variety of tumor ablative therapies including laser therapy, electrocautery, argon plasma coagulation (APC), brachytherapy, photodynamic therapy (PDT), and cryotherapy.

CLINICAL FOCUS

- Interventional Pulmonology
- Pulmonary Disease
- Airway Obstruction (Tracheal and Bronchial)
- Thoracic Oncology
- Lung Nodules
- Lung Cancer
- Pleural Disease
- Lung Transplant Complications

ACADEMIC APPOINTMENTS

- Clinical Assistant Professor, Medicine - Pulmonary & Critical Care Medicine

HONORS AND AWARDS

- Teaching Award, Division of Pulmonary & Critical Care Medicine (2018)
- Mentorship Award, Stanford Biodesign Fellowship Program (2018)
- Mentorship Award, Stanford Biodesign Fellowship Program (2017)

BOARDS, ADVISORY COMMITTEES, PROFESSIONAL ORGANIZATIONS

- Member, American College of Chest Physicians (2012 - present)
- Member, American Thoracic Society (2012 - present)
- Member, American Association of Bronchology and Interventional Pulmonology (2014 - present)

PROFESSIONAL EDUCATION

- Board Certification, American Association of Bronchology and Interventional Pulmonology , Interventional Pulmonology (2016)
- Board Certification, American Board of Internal Medicine , Critical Care Medicine (2015)
- Board Certification, American Board of Internal Medicine , Pulmonary Medicine (2014)
- Board Certification, American Board of Internal Medicine , Internal Medicine (2012)
- Fellowship, Henry Ford Hospital , Interventional Pulmonology (2016)
- Fellowship, Loma Linda University , Pulmonary & Critical Care Medicine (2015)
- Residency, Loma Linda University , Internal Medicine (2012)
- MD, Government Medical College, Patiala (2007)
