

Stanford

Danielle Tucker

Associate Director, Communications, Sustainability Communications

Bio

BIO

Danielle “Dee” Tucker specializes in science writing and digital communications for Stanford Earth. She relocated to the Bay Area from Florida in 2013 and has worked in communications for various nonprofit organizations, including Climate One at the Commonwealth Club of California, a radio program about energy, the economy and the environment. Prior to that, Dee spent three years writing about research at the Florida Museum of Natural History at the University of Florida.

CURRENT ROLE AT STANFORD

Associate Director of Communications, School of Earth, Energy & Environmental Sciences
