#### BIO

Mai Thy Truong, MD, is a Clinical Associate Professor in the department of Otolaryngology – Head and Neck Surgery, division of Pediatric Otolaryngology at Stanford Children's Hospital. She serves as the Clinic Chief and the Fellowship Director for the division. Dr. Truong oversees a dedicated Microtia and Atresia Clinic to provide care for all the reconstructive and hearing rehabilitative needs of children with microtia and canal atresia. Dr. Truong's other clinical interests include Vascular Anomalies, Fetal Management of critical airway (EXIT procedure), as well as Congenital head and neck masses and fistulas. Her research has explored the social impact of microtia, 3D modelling in microtia repair, the treatment of complex vascular anomalies and pediatric sleep apnea.

Dr. Truong received her Bachelor of Science from the University of California, Los Angeles in Neuroscience, graduating with honors. She went on to medical school at the University of California, Irvine. Dr Truong completed her residency training at Stanford University Hospital in Otolaryngology, Head and Neck Surgery. She did her Fellowship in Pediatric Otolaryngology at Stanford Children's Hospital. She completed post-graduate training in Auricular reconstruction, microtia repair, in Paris, France with the world renown plastic surgeon, Dr. Francoise Firmin. Dr Truong is proficient in Spanish and conversational in Vietnamese languages. Her personal interests include musical theater and Karaoke. She strongly believes in the importance of respect for all the diversity of humankind. She is a Bay Area Native and loves the uniqueness that each niche of the Bay Area has.

#### CLINICAL FOCUS

- Otolaryngology - Head & Neck Surgery (Ear, Nose and Throat)
- Microtia and Aural Atresia
- Congenital ear anomalies
- Vascular Malformations
- Congenital Neck mass
- Sleep Apnea, Obstructive
- Pediatric Otolaryngology

#### ACADEMIC APPOINTMENTS

- Clinical Associate Professor, Otolaryngology (Head and Neck Surgery)

## ADMINISTRATIVE APPOINTMENTS

- Fellowship Director, Stanford Children's Hospital, (2018- present)
- Clinic Chief, Stanford Children's Hospital, (2021- present)

## PROFESSIONAL EDUCATION

- Board Certification: Complex Pediatric Otolaryngology, American Board of Otolaryngology (2021)
- Internship: Stanford University Dept of General Surgery (2004) CA
- Fellowship: Clinique Bizet - Auricular Reconstruction/Microtia Reconstruction Fellowship (2017) France
- Residency: Stanford University Otolaryngology Residency (2008) CA
- Fellowship: Stanford University Pediatric Otolaryngology Fellowship (2009) CA
- Medical Education: University of California at Irvine School of Medicine Registrar (2003) CA
- Board Certification: Otolaryngology, American Board of Otolaryngology (2009)
