Bio

BIO

Dr. Poulos is a native of Stockton California. He attended Santa Clara University where he earned his BS in Biology. He received his M.D. degree at the University of Texas Medical School at Houston, after which he did Internal Medicine residency at the University of California-San Francisco, finishing in 2002. He stayed at UCSF as a Gastroenterology fellow until 2004. However, after a spinal cord injury, he decided to retrain in Radiology. He did his Radiology residency at Stanford University, where he also completed a fellowship In Body Imaging in 2009. Dr. Poulos is now faculty in both the departments of Radiology and Gastroenterology and Hepatology. His clinical practice is at the Stanford University Medical Center, where he interprets CT, MRI, and ultrasound primarily of the abdomen and pelvis. His interests include radiology of the acute abdomen, hepatobiliary imaging, and colorectal cancer screening.

Dr. Poulos is Founder and Executive Director of the Stanford Medicine Abilities Coalition (SMAC), a group composed of people with disabilities and their allies at Stanford Medicine. He is also a member of the Radiology Department Diversity Committee, the School of Medicine Faculty Senate Subcommittee on Diversity, and the School of Medicine Diversity Cabinet.

CLINICAL FOCUS

- Body Imaging
- Diagnostic Radiology
- virtual colonoscopy
- Gastrointestinal Diseases
- Hepatobiliary Imaging
- Pancreatic imaging
- Imaging of the acute abdomen
- Acute appendicitis imaging

ACADEMIC APPOINTMENTS

- Clinical Associate Professor, Radiology

- Clinical Associate Professor, Medicine - Gastroenterology & Hepatology

ADMINISTRATIVE APPOINTMENTS

- Associate Residency Program Director, Stanford University Radiology Residency, (2009-2016)

HONORS AND AWARDS

- Certificate of Merit, Radiological Society of North America (2010)
- Alpha Omega Alpha, University of Texas at Houston (1998)

BOARDS, ADVISORY COMMITTEES, PROFESSIONAL ORGANIZATIONS

- Senator, School of Medicine Faculty Senate (2018 - present)
- Member, Stanford Radiology Diversity Committee (2018 - present)
- Member, Stanford Medicine Teaching and Mentoring Academy (2016 - present)
- Body Division Representative, Radiology Professional Practice Evaluation Committee (PPEC) (2011 - present)
- Member, Society of Abdominal Radiology (2010 - present)
- Member, American College of Radiology (2004 - present)
- Member, Radiological Society of North America (2004 - present)
- Member, Association of Program Directors in Radiology (2010 - 2015)
- Member, Association of University Radiologists (2009 - 2015)
- Member, Alliance of Clinician Educators in Radiology (2009 - 2015)

PROFESSIONAL EDUCATION

- Fellowship: Stanford University Medical Center (2009) CA
- Residency: Stanford University Hospital (2008) CA
- Fellowship: Univ of California San Francisco (2003) CA
- Residency: University of California at San Francisco School of Medicine (2002) CA
- Medical Education: University of Texas Medical School at Houston Registrar (1999) TX
- Board Certification: Diagnostic Radiology, American Board of Radiology (2008)
- Board Certification, American Board of Internal Medicine , Internal Medicine (2002)

PRESENTATIONS

- Teaching the Millennials: New Ideas - Society of Abdominal Radiology (3/2017)
- Body Imaging Morbidity and Mortality Conference: our Five-Year Experience - Radiological Society of North America (November 2016)
- The Acute Abdomen Small Group on-Call Simulation: a Flipped Classroom Approach to Teaching Radiology - Radiological Society of North America (November 2016)
- The Acute Abdomen Small Group on-Call Simulation: a Flipped Classroom Approach to Teaching Radiology - Stanford Medicine Teaching and Mentoring Academy (October 2016)
- Structured Reporting of Multiphasic CT for Hepatocellular Carcinoma: Effect on Staging and Suitability for Transplant - Radiological Society of North America (November 2015)
- Multi-Detector CT Imaging of Traumatic Abdominal Wall Hernias - Radiological Society of North America (November 2010)
