Bio

BIO

Lindsey Ralls, MD, is a Clinical Assistant Professor in the Department of Anesthesiology, Perioperative and Pain Medicine at Stanford University. She is originally from California, and after undergraduate training at Stanford University she completed her medical degree and internship at Baylor College of Medicine in Houston, TX. She then returned to the Bay Area and completed her Anesthesia residency (2008) and Obstetric Anesthesia fellowship (2009) at Stanford University. She is interested in applying virtual reality technology to the field of Obstetric Anesthesia.

CLINICAL FOCUS

- Anesthesia

ACADEMIC APPOINTMENTS

- Clinical Assistant Professor, Anesthesiology, Perioperative and Pain Medicine

PROFESSIONAL EDUCATION

- Residency: Stanford University Anesthesiology Residency (2008) CA
- Medical Education: Baylor College of Medicine Registrar (2004) TX
- Internship: Baylor College of Medicine Registrar (2005) TX
- Fellowship, Stanford University Medical Center , Obstetric Anesthesiology (2009)
- Board Certification: Anesthesia, American Board of Anesthesiology (2010)

Research & Scholarship

CLINICAL TRIALS

- Effects of Epidural Lidocaine on the Pharmacokinetic and Pharmacodynamic Profiles of DepoDur® After Cesarean Delivery, Not Recruiting
- In-vitro Study to Assess the Coagulation Effects of Exogenous Oxytocin Using Thromboelastography., Not Recruiting
- Thromboelastography to Assess Hemostatic Changes in Patients Undergoing Elective Cesarean Delivery., Not Recruiting
