

RIA PAL, MD
riapal@stanford.edu

EDUCATION & EMPLOYMENT

	Stanford University Clinical Assistant Professor, Child Neurology	Jul 2024-
	Stanford University Fellowship in Clinical Neurophysiology	Jul 2023-Jul 2024
	Stanford University Residency in Child Neurology Child Neurology Education Chief Resident Health Professions Education and Scholarship Honors Scholar	Jul 2020-Jun 2023
	Stanford University Internship in Pediatrics Leadership Education in Advancing Diversity Scholar	Jul 2018-Jun 2020
MD	University of Rochester MD with Distinction in Community Health Latino Health Pathway Certification Gold Humanism Society Inductee	Aug 2014- May 2018
BS	University of Rochester BS in Neuroscience with Honors Phi Beta Kappa	Sep 2010- May 2014

CERTIFICATIONS

Physician and Surgeon's License (Medical Board of California)	Jul 2018-
Neurology with Special Qualification in Child Neurology (American Board of Psychiatry and Neurology)	Dec 2023-

TEACHING

Selected Lectures to Stanford Neurology Residents:

- Visual Diagnosis: Child Neurology Board Review
- Triageing Common Child Neurology Consults
- Epilepsy Syndromes by Age
- Approach to Childhood Arterial Ischemic Stroke Workup (2022, 2023)
- Approach to Childhood Neuropathy (2022, 2023)
- Approach to Muscle Biopsy (Pathology)
- Vestibulocochlear Anatomy (2022, 2023)

Selected Lectures to Stanford Pediatrics Residents:

- Pediatric Neuromuscular Emergencies
- How to Read a Head CT: What a Pediatrics Resident Should Know
- Pediatric Stroke
- Lumbar Puncture Walkthrough (annual, 2021-23)

Medical Student Teaching:

- Strength and Sensation (2024)
- Neurologic Exam Fundamentals (annual, 2021-24)
- Cranial Nerve Exam (annual, 2021-23)
- Shelf Exam Review (annual, 2021-23)

Interdisciplinary:

- Introduction to Pediatric Neurology (Stanford Physician Assistant Program, 2024)
- Neurological Emergencies (Lucile Packard Nursing Education Day, 2023)

PUBLIC & PROFESSIONAL SERVICE

TheMedNet

Jun 2024 -

Associate Editor, Child Neurology

Responsibilities include reviewing, editing, and generating content for TheMedNet, a digital physician-only platform for expert guidance and discussion on clinical questions.

Office of the California Surgeon General

Mar 2022- May 2022

Researcher

Responsibilities include designing and conducting policy research for California's ACES (Adverse Childhood Experiences) Aware programming.

Stanford Graduate Medical Education Diversity Committee

Jan 2022-

Departmental representative (Neurology)

Responsibilities include bridging departmental DEI (diversity, equity, inclusion) efforts with that of the larger graduate education committee, as well as partnering with academic advisors to recruit and support medical trainees from groups underrepresented in medicine.

Peer Reviewer (Ad Hoc)

2021-

Journal of Child Neurology

Hospital Pediatrics

Stanford Medical Youth Science Program

Jun 2020

Mentored low-income, minoritized high school juniors in Northern and Central California.

In-Training

Dec 2014- Jun 2018

Editor-in-Chief, Contributing Writer

in-Training digital magazine is a part of Pager Publications, funded by the Arnold P. Gold Foundation. Responsibilities included editing and publishing daily articles 50 weeks/year, connecting with writers and educators globally, and curating a cohesive voice for the magazine.

WALLTHERAPY

Jan 2013- Jun 18

Team Leader

Led fundraising, social media outreach, and logistics management of WALL\THERAPY, a program that draws on public art to foster community stewardship in resource-poor neighborhoods of Rochester.

American Medical Women's Association

Jun 2015-May 16

URSMD Chapter President

POST-DEGREE HONORS & AWARDS

Christine Wijman Humanism Award (Stanford Neurology Dept)	2022
Arthur P. Gold Excellence in Teaching Award (Stanford School of Medicine)	2022
Quality Improvement and Patient Safety Symposium Award (Stanford Health Care)	2022
Resident Research Presentation Award (Stanford Pediatrics Dept)	2020

GRANTS

Lucile Packard Children's Hospital Community Benefit Award

- Project: Pediatric Functional Neurological Disorder: Demographic and Clinical Factors Impacting Care
- Granting agency: The Lucile Packard Foundation for Children's Health
- Funding term: Dec 2019-Jun 2021

University of Rochester Basic Science Research

- Project: Beyond the classic VTA: extended amygdala projections to DA-striatal paths in the primate.
- Granting Agency: University of Rochester Center for Advocacy, Community Health, Education and Advocacy
- Funding term: July 2015-Dec 2015

POSTERS & PRESENTATIONS

International:

Disparities in Rehabilitation After Pediatric Neurologic Injury 10/04/23
Child Neurology Society Annual Meeting. Vancouver, Canada.

National:

Implementing an Advocacy-based Resident Curriculum in a Neurology Program 04/17/24
American Academy of Neurology Meeting. Denver, CO.

A Case Series of Neonates with Deep Medullary Vein Thrombosis 04/14/24
Oral presentation and poster. American Academy of Neurology Meeting. Denver, CO.

Family Impact after Admission for Pediatric Acute SARS-CoV-2 or MIS-C 08/16/23
Neurocritical Care Society Meeting. Phoenix, AZ.

Post-Hospital Outcomes after Pediatric Acute SARS-CoV-2 or MIS-C 08/16/23
Neurocritical Care Society Meeting. Phoenix, AZ.

Fostering Collaboration in Acute Pediatric Stroke Care: Lessons from Creating an Interdisciplinary Alert System 04/28/23
International Pediatric Stroke Organization Annual Meeting. Virtual.

Pediatric neurofascin-155 antibody-associated CIDP: an illustration of diagnostic and therapeutic challenges 03/28/23
American Clinical Neurophysiology Society. Austin, TX.

Pediatric Functional Neurological Disorder: Demographic and Clinical Factors 03/27/22
American Academy of Neurology. Seattle.

Words Hurt: Identifying and Removing Stigmatizing Language from Clinical Settings Academy for Professionalism in Health Care (APHC). New Orleans, LA.	05/17/19
Empowered to Act: Identifying & Mitigating Implicit Bias and Microaggressions Workshop at Pediatric Academic Societies. Baltimore, MD.	04/28/19
Cervical Puncture to Deliver Nusinersen in Patients with Spinal Muscular Atrophy and no Lumbar Access. American Academy of Neurology. Los Angeles, CA.	04/22/18
Evaluation of the Stability of Autism Spectrum Disorder Symptoms Using the Social Communication Questionnaire in Children Born Preterm Pediatric Academic Societies. San Francisco, CA.	05/08/17
Physician (Future Physician), Heal Thyself. What happens when healers need healing? Workshop at AAMC Southern Group on Educational Affairs. Charlottesville, VA.	04/21/17
Inclusion: The Road Ahead Invited panelist at GlobeMed: Breaking Barriers. Evanston, IL.	05/04/14
<u>Regional:</u>	
Deep Medullary Venous Thrombosis: A 15 Year Review Stanford Maternal & Child Health Research Institute	10/19/23
Targeting Graduating Resident Confidence and Autonomy with a "Pretending" Elective Stanford Medical & Bioscience Education Day Conference. Stanford, CA.	05/13/23
Streamlining Pediatric Stroke Codes in the LPCH Emergency Department Stanford Resident Safety Council Quality Improvement Symposium. Virtual.	06/06/23
Equitable Policy in the Genomic Era: Matching Preparation to Opportunities Grand Rounds, Stanford Department of Neurology. Stanford, CA.	05/13/22
Off the Wall: Public Art and Its Effects on Youth Invited oral presentation at URMCC Distinction in Community Health Series Rochester, NY.	06/01/18
Understanding Implicit Bias Invited lecture at Rochester Psychiatric Center. Rochester, NY.	02/24/18
White Coat Hypertension Invited student speaker at URSMD White Coat Ceremony. Rochester, NY.	08/15/17
