

Sarah Wieten
wietens@gmail.com
stanford.academia.edu/SarahWieten

Fields of Research Interest

AOS: Philosophy of Medicine, Meta-Research, Biomedical Ethics, Clinical Ethics
 AOC: Philosophy of Science, Professional Ethics, History of Philosophy

Employment

Post-Doctoral Fellow, Meta-Research Innovation Center at Stanford (METRICS), 2020-2022
 Post-Doctoral Fellow/Clinical Ethics Fellow, Center for Biomedical Ethics, Stanford University, 2018-2020
 Visiting Assistant Professor, Indiana University of Pennsylvania, 2017-2018

Education

Ph.D. Durham University, Department of Philosophy, 2018
 Dissertation: "What counts as 'what works': expertise, mechanisms, and values in Evidence-Based Medicine"
 Supervisors: Nancy Cartwright, Julian Reiss
 M.A. University of South Florida, Department of Philosophy, 2013
 B.A. Xavier University, Philosophy Politics and the Public Honors program, 2011

Clinical Ethics Experience (case portfolio available by request)

Clinical Ethics Fellow, Stanford Health Care, 2018-2020
 Clinical Ethics Researcher, Tampa General Hospital, Healthpark Specialty Center, Oncology Unit, 2013

Research Ethics Experience (case portfolio available by request)

Clinical Ethics Fellow, Benchside Ethics Consultation Service, Center for Integration of Research on Genetics and Ethics, Stanford University, 2018-2020

Research Experience

Visiting Scholar, Dalhousie University, Department of Philosophy and Novel Tech Ethics, 2017
 Research Assistant for Division of Evidence-Based Medicine, Department of Internal Medicine, University of South Florida, 2013-2014

Articles in Peer Reviewed Journals

Work Under Review

- DAG With Omitted Objects Displayed (DAGWOOD): A framework for revealing causal assumptions in DAGs (with Noah Haber et al.)
- Variation in the Design of Hospital Code Status Options and Perceived Impacts: A Multi-Institutional Qualitative Study (with Jason Batten et al.)
- Ethical challenges for computer vision research in healthcare settings (Nicole Martinez-Martin et al.)

Work In Progress

- The Generalizability of n-of-1 Trials: A Case Study from the Philosophy of Cancer (with Alison McConwell)
- Ethical challenges with designing Machine Learning interventions in palliative care/advanced care planning (with Danton Char and Natalie Deutrich)
- Relative v Absolute Risk in Clinical Ethics: A Case Study (with David Magnus)
- Choice Architecture in Code Status Systems: Implications for Goal-Concordant Care (with Emmy Shearer et al.)
- “Neutrality” as the Value Free Ideal in Clinical Ethics
- Values that fit: Guidance for adopting entangled values in medicine that goes beyond “illegitimate and legitimate”
- Changing Selves: Transformative Experiences and decision making at the end-of-life

What are pragmatic trials good for? (with Nancy Cartwright)
 Putting the Rigour Back in Pragmatic Trials (with Donal Khosrowi)

Non-peer reviewed work (Reviews, Chapters, Responses, Editorials, White Papers)

Policy Writing

2019. End of Life Care Pathway. Lucile Packard Children's Hospital, Stanford Children's Health.

Awards and Honors

- 2017 Karen M. T. Muskavitch Award for Graduate Work in Practical Ethics, Association for Practical and Professional Ethics (Indiana University)
- 2016 Postgraduate Bioethics Conference Writing Commendation (Bristol University)
- 2015-2016 Postgraduate Associate Wolfson Research Institute (Durham University)
- 2014-2017 Doctoral Scholarship, Centre for Humanities Engaging Science & Society (Durham University)
- 2011-2014 Teaching Assistantship (University of South Florida)
- 2012-2014 Dean's Excellence Award (University of South Florida)

2014 World Scholarship (University of South Florida)

2014 Karen M.T. Muskavitch Award for Graduate Work in Practical Ethics, Association for Practical and Professional Ethics (Indiana University)

Invited Talks

2020. Ethics of Resource Allocation. Stanford Center for Biomedical Ethics Core Topic Seminar Series, April 14

2020. Title TBA. Invited Talk at the 10th Annual Values in Medicine, Science, and Technology (VMST) Conference. University of Texas at Dallas, May 28-31. Canceled due to COVID-19.

2020. Author Meets Critics: Matt Brown's "Science and Moral Imagination" with Joyce Havstad and Nancy McHugh. The Baker Colloquium: "Doing Science in a Pluralistic Society" University of Dayton, March 28 Rescheduled Online, April 17th, due to COVID-19

2019. Ethics in the Pulmonary Critical Care Setting: A focus on Do-Not-ECMO proposals. Didactics for Pulmonary Critical Care Fellows. Stanford Health Care, June 21

2019. Changing Selves: Transformative Experiences and decision making at the end-of-life Cañada College Philosophy Club, April 26

2019. Grimes v Kennedy Krieger. Seminar Talk with Nicole Martinez-Martin. Stanford Center for Biomedical Ethics Seminar Series, April 16

2018. Values that fit: Guidance for adopting entangled values in medicine that goes beyond "illegitimate and legitimate." William Paterson University Philosophy Department Colloquium, March 22

2017. Manageable Mechanisms in Medicine: Concerns about the "Unlesses." The Guidelines Challenge CauseHealth Event, Oxford, October 3-4

2017. What are pragmatic trials good for? Inferring Policy from Experiment Workshop. EBM+ group. University of Kent, May 15

2017. How to Implement Teacher Training in Philosophy Graduate Programs. Panel Session with David W. Concepción, Katie Homan, George Rainbolt, Sandy Dwyer, and Adam Thompson. American Philosophical Association Eastern Division, Jan 5

2016. CauseHealth Workshop. London, Oct 24

2016. Manageable Mechanisms in Medicine: Augmenting the Russo-Williamson Thesis. Panel session with Nancy Cartwright and Julian Reiss. Mixed Methods International Research Association (MMIRA) 2nd Annual Conference. Durham University, Aug 5-6

2015. "What the patient wants": an investigation of the different methods of ascertaining patient values in Evidence-Based Medicine and Values-Based Practice. The Social Justice Seminar Series. St Chads College, Durham University, Nov 2

2015. EBM and expertise: a tale of 3 models. The History and Philosophy of Evidence Based Medicine Workshop. Oxford University, June 15-19

2014. Mechanisms and EBM: an uneasy history. EBM+ Workshop. University of Kent, Jan 8-9

Conference Presentations

2020

The Generalizability of n-of-1 Trials: A Case Study from the Philosophy of Cancer. Co-authored with Alison McConwell. Philosophy of Science Association. Main Program. Baltimore, Nov 19-22

Fellows' feedback: A conversation among clinical ethics fellows. Evolving Clinical Ethics: A working Unconference at Baylor College of Medicine Center for Medical Ethics and Health Policy, Houston, Feb 5-7

Developing systems for the analysis of Clinical Ethics EMR Notes. Evolving Clinical Ethics: A working Unconference at Baylor College of Medicine Center for Medical Ethics and Health Policy, Houston, Feb 5-7

2019

Dimensions of Stoic Ideology by Gender: Some Women are Stoics Too. Poster presentation. co-authored with Elizabeth Pathak and Christopher Welden. American Public Health Association's 2019 Annual Meeting and Expo. Philadelphia, Nov. 2-6

"Neutrality" as the Value Free Ideal in Clinical Ethics. American Society for Bioethics and Humanities Annual Meeting, Pittsburgh, October 24-27

Precision medicine: featuring the individual. Co-authored with Jennifer Young. American Society for Bioethics and Humanities Annual Meeting, Pittsburgh, October 24-27

"Neutrality" as the Value-Free Ideal in Clinical Ethics Consults. The 9th Annual Values in Medicine, Science, and Technology (VMST) Conference. University of Texas at Dallas, May 23-26

Speed v Impact: values trade-offs in Life Cycle Analysis in the field of Solar Energy Technologies. co-authored with Andrew Novick. The 9th Annual Values in Medicine, Science, and Technology (VMST) Conference. University of Texas at Dallas, May 23-26

2018

What Can 23andMe Tell Us?: Epistemic and Ethical Issues in Direct-to-Consumer Genetic Testing." Philosophy of Science Association. Seattle, Nov 1-4

The Ethics of Nudging: A Case Study. The Eighth Annual Western Michigan Medical Humanities Conference, Sept 13-14

"If you were to mention shoulder dystocia...everyone would ask for a caesarian section...":Nudging and Ignorance in the Montgomery Ruling." Canadian Bioethics Society in Halifax NS, May 25-28

'If you were to mention shoulder dystocia...everyone would ask for a caesarian section...':Nudging and Ignorance in the Montgomery Ruling. Ethics and Error in Medicine Mini Conference at the Twenty Seventh Annual Conference of the Association for Practical and Professional Ethics in Chicago, March 1-4

Visual Philosophy: Posters as Pedagogy. Eastern American Philosophical Association "Teaching Hub" special session of the American Association of Philosophy Teachers, Jan 5 (presentation canceled due to weather, rescheduled for the Pacific American Philosophical Association)

2017

Putting the Rigour Back in Pragmatic Trials. Co-authored with Donal Khosrowi. The European Philosophy of Science Association Conference, University of Exeter, Sept 9 (presented by Donal Khosrowi in my absence)

Manageable Mechanisms in Medicine: Augmenting the Russo-Williamson Thesis. Mechanisms in medicine Centre for Reasoning, University of Kent, Canterbury, UK, July 3-5

Putting the Rigour Back in Pragmatic Trials. Co-authored with Donal Khosrowi. The Philosophy of Medicine Roundtable, Toronto, June 23-24

What's the Use of Pragmatic Trials? Co-authored with Nancy Cartwright. Evidence, Uncertainty and Decision Making with a Particular Emphasis on Climate Science. University of Salzburg, June 22-23 (presented by Nancy Cartwright in my absence)

Changing Selves: Transformative Experiences and Decision Making at the End-of-Life. Canadian Bioethics Society. Montreal, May 24-26

Values in Science and the "Post Truth" Era: A defense of blurring the fact/value line. The 7th Annual Values in Medicine, Science, and Technology (VMST) Conference. University of Texas at Dallas, May 18-20

Putting the Rigour Back in Pragmatic Trials. Co-authored with Donal Khosrowi The Nordic Network on Philosophy of Science, Copenhagen, April 20-21 (presented by Donal Khosrowi in my absence)

Changing Selves: Transformative Experiences and Decision Making at the End-of-Life. Philosophy Department Colloquium. Dalhousie University, April 7th

'Fact-based values': Why the fact/value dichotomy plays too large of a role in critiques of 'evidence-based ethics.' Association for Practical and Professional Ethics, Dallas, Feb 23-26

2016

Evidence and mechanistic reasoning: A matter of Inductive Risk. Philosophy of Science Association. Poster Session. Atlanta, Nov 3-5

What's the Use of Pragmatic Trials? Co-authored with Nancy Cartwright. (presented by Nancy Cartwright) Philosophy of Science Association. Atlanta, Nov 3-5

'Fact-based values': problematizing the fact/value dichotomy in critiques of 'evidence-based ethics.' American Society for Bioethics and Humanities Annual Meeting, Washington D.C., Oct 6-9

After EBM: Personalized Medicine, Genetics, and (yet) similar issues for Philosophy of Medicine. Respondent: Miriam Solomon. Reductionism and Integration, Bioethics and Behavior: A Conference Celebrating the Career of Kenneth F. Schaffner University of Pittsburgh, Sept 23-24th

Changing Selves: Transformative Experiences and Decision Making at the End-of-Life. Novel Technology Ethics Research Group. Dalhousie University, Sept 14

Values that fit: Guidance for adopting entangled values in science. René Descartes Lectures (Given by Heather Douglas) Tilburg, Netherlands, Sept 5-7

After EBM: Personalized Medicine, Genetics, and (yet) similar issues for Philosophy of Medicine. Second London Philosophy of Science Graduate Conference, University College London, Sept 1-2

Changing Selves: Transformative Experiences and Decision Making at the End-of-Life. Postgraduate Bioethics Conference 'Bioethics in Theory; Bioethics in Practice.' University of Bristol, Aug 31-Sept 1

EBM and expertise: A tale of three models. Evidence Live. Poster Session. Oxford University, June 22-24

Values that fit: Guidance for adopting entangled values in medicine that goes beyond 'illegitimate and legitimate.' Member of Panel "Entanglement: the relation of science and values." The 3rd Annual Meeting of SRPoISE: The Consortium for Socially Relevant Philosophy of/in Science and Engineering/The 6th Annual Values in Medicine, Science, and Technology (VMST) Conference. University of Texas at Dallas, May 19-22

Evidence and mechanistic reasoning: A matter of Inductive Risk. American Philosophical Association-Pacific Division. Poster Session. San Francisco, March 30-April 2

Values that fit: Guidance for adopting entangled values in medicine that goes beyond 'illegitimate and legitimate.' Medical Knowledge in a Social World. University of California, Irvine, March 28-29

2015

EBM and Expertise: a tale of 3 models. Evidence, Causation and Argumentation Workshop. Helsinki, Finland, Oct 29-30

Consensus conferences as GOBSAT medicine: the (non?) problems of exclusion, rationalism and equipoise for EBM. The Philosophy of Medicine Roundtable. University of Bristol. Aug 11-12

A change in practice?: A re-evaluation of mechanistic reasoning and clinical experience in post-GRADE Evidence-Based Medicine. Society for Philosophy of Science in Practice. Aarhus University, June 24-26
 Not value-free: GOBSAT (Good Old Boys Sit Around a Table) medicine as an expression of implicit values in EBM. Values in Medicine, Science, and Technology (VMST) at the University of Texas at Dallas, May 19-22

2014

A clash of intuitions: An exploration into the possible integration of Evidence-Based Medicine and Dreyfus' account of expertise. Society for Phenomenology and the Human Sciences (SPHS) in conjunction with the Society for Phenomenology and Existential Philosophy (SPEP), New Orleans, Oct 23-25
 'Fact-based values': Why the fact/value dichotomy plays too large of a role in critiques of 'evidence-based ethics'. Science, Technology & Gender: Challenges & Opportunities, a joint meeting of the Association for Feminist Epistemologies, Methodologies, Metaphysics, and Science Studies (FEMMSS) and the Canadian Society for Women in Philosophy (CSWIP), University of Western Ontario, Aug 10-13
 Plagiarism and unsuccessful retrieval: opportunities for developing understanding and character. American Association of Philosophy Teachers (AAPT) Conference, The College of St. Benedict and St. John's University, July 30-Aug 3
 'Fact-based values': Why the fact/value dichotomy plays too large of a role in critiques of 'evidence-based ethics'. Values in Medicine, Science, and Technology (VMST), University of Texas at Dallas, May 21-24
 Values-Based Practice and phenomenological psychopathology: implications of existential changes in depression. Association for the Advancement of Philosophy & Psychiatry (AAPP) 26th Annual Meeting, New York, May 4
 The problem of student agency: an addition to the environmental accounts of cheating given by Sadler and Lang. International Center for Academic Integrity's Annual Conference, Jacksonville, Feb 28
 Beyond industry intervention: Proposals for a new continuing medical education. 23rd meeting of the Association for Practical and Professional Ethics (APPE), Jacksonville, Feb 28

2013

Beyond industry intervention: Proposals for a new continuing medical education. Western Michigan University Medical Humanities Conference, Western Michigan University, Sept 26
 Beyond industry intervention: Proposals for a new continuing medical education. Values in Medicine, Science, and Technology (VMST), University of Texas at Dallas, May 26
 In pieces: A consideration of the fragmentation 'problem' in Sappho. University of South Florida Classical Studies Conference, University of South Florida, April 20
 Plato as pedagogy: a new reading of the dialogues. University of South Florida Graduate Student Research Symposium, University of South Florida, March 22

2012

'King of All': an examination of Heidegger's translation of Heraclitus. University of South Florida Classical Studies Conference, University of South Florida, April 20

Travel Awards

2017 Travel Bursary, University Senate Committee Small Grants (Indiana University of Pennsylvania)
 2016 Travel Bursary (Institute for Medical Ethics, Wellcome Trust)

2016 Wolfson Research Fellow Small Grant (Wolfson Research Institute for Health and Wellbeing)
 2015 Graduate Student Presenter Stipend (American Philosophical Association)
 2015 Speaker Travel Award (The Trinity of Policy-Making: Evidence, Causation and Argumentation)
 2015 Graduate Travel Award (Society for Applied Philosophy)
 2015 Faculty Travel Award (Durham University)
 2015-16 Philosophy Department Travel Award (Durham University)
 2014-16 Ustinov College Travel Award (Durham University)
 2014 Travel Grant (American Philosophical Association)
 2013 Conference Presentation Grant (University of South Florida)
 2013 Conference Travel Grant (University of South Florida)

Auxiliary Education

Mediation of Clinical Ethics Disputes: Program in Clinical Conflict Management. Division of Medical Ethics, Department of Medical Ethics & Health Policy, Perelman School of Medicine University of Pennsylvania, January 2019
 Brocher Summer Academy in the Ethics of Global Population Health on the Ethical Design of Randomized Studies for Economic Development, June 2016
 American Philosophical Association/American Association of Philosophy Teachers seminar on teaching and learning, Aug 2014
 University of Oxford. Summer School: The History and Philosophy of Evidence Based Health Care, July 2014
 University of South Florida, Preparing for Teaching and Learning Course, Summer 2014

Supervision Experience

2019-2020. Caroline Aung (Anthropology and Philosophy)
 "Hoping Against Death: The Ethics of Treating Patients Who Desire Against Short-Term Prognoses"
 McCoy Family Center for Ethics and Society Stanford University Undergraduate Honors Thesis
 Winner of Cook Prize for Best Interdisciplinary Thesis

Teaching Experience

Courses independently designed and taught
 Introduction to Biomedical Ethics (Indiana University of Pennsylvania)
 Contemporary Moral Issues (Indiana University of Pennsylvania)
 Philosophy of Law (Indiana University of Pennsylvania)
 Political Philosophy (Indiana University of Pennsylvania)
 Introduction to Ethics (University of South Florida)

Teaching Assistant with independently run weekly discussion sections ("Tutorials")
 Ethics and Values, with Simon James (Durham University)
 Introduction to Ethics, with Richard Manning (University of South Florida)
 Introduction to Ethics: Philosophy of Love, with Colin Heydt (University of South Florida)
 Introduction to Ethics, with Jonah Goldwater (University of South Florida)

Teaching Assistant

Foundations of Bioethics, with David Magnus (Stanford University)
 Practice of Medicine: Ethics, with Holly Tabor (Stanford School of Medicine)
 Professional Ethics, with Joshua Rayman (University of South Florida)
 Biomedical Ethics, with Joshua Rayman (University of South Florida)
 Biomedical Ethics (online course), with William Goodwin (University of South Florida)
 Logic (online course), with William Goodwin (University of South Florida)

Graduate Coursework (University of South Florida)

Being and Time with Lee Braver (Fall 2013) (Audit)
 Philosophy of Law with Stephen Turner (Fall 2013)
 Classics in Analytic Philosophy with Richard Manning (Fall 2013)
 Naturalism with Alex Levine (Spring 2013)
 Intermediate Ancient Greek II with Hippocrates Kantzios (Spring 2013)
 Aesthetics with Joanne Waugh (Spring 2013)
 Kant to Hegel with Michael Morris (Spring 2013)
 Intermediate Ancient Greek I with Hippocrates Kantzios (Fall 2012)
 Directed Study: Plato as Pedagogy with Joanne Waugh (Fall 2012)
 Philosophy of Medicine with William Goodwin (Fall 2012)
 Continental Philosophy with Charles Guignon (Fall 2012)
 Beginning Ancient Greek II with Hippocrates Kantzios (Spring 2012)
 Seminar in History of Philosophy: Ancient Philosophy with Joanne Waugh (Spring 2012)
 Seminar on Persons with Alex Levine (Spring 2012)
 Reading Group on Carl Schmitt with Stephen Turner (Spring 2012)
 Symbolic Logic with Doug Jesseph (Fall 2011)
 Seminar in Phenomenology with Charles Guignon (Fall 2011)
 Beginning Ancient Greek I with Hippocrates Kantzios (Fall 2011)

Languages

Spanish (reading, some conversation)
 Ancient Greek (some reading, some translation)

Service to University and Discipline

Founder and Leader of ASBH Affinity “Group Current and Former Clinical Ethics Fellows “
 Reviewer for “Philosophy of Science,” “Pragmatism Today,” “Perspectives on Science,” “Medical Humanities,”
 “Evaluation and the Health Professions,” “Medicine, Health Care, and Philosophy,” “Journal of
 Evaluation in Clinical Practice,” “Public Affairs Quarterly” “History and Philosophy of the Life Sciences”
 and “Synthese”

Commentaries

“Peri-operative Stewardship and Communication: How anesthesiologists experience and negotiate
 ethical challenges from drug shortages” by Carolyn Sinow, Alyssa Burgart and Danton Char Stanford
 Center for Biomedical Ethics Writing Workshop Jun 4, 2019
 “‘Hard stops’: the grounds for limiting care” By Jacob Blythe, Jason Batton and David Magnus Stanford
 Center for Biomedical Ethics Writing Workshop, Sept 11, 2018

“Must we be either ignorant or biased?: A solution to Gendler’s dilemma” by Alessandra Tanesini, University of Cardiff, Edinburgh Women in Philosophy Group Spring Workshop, March 10, 2015

“Method or Madness—Tracking Down the Ever Elusive Socrates” by Dan Larkin, University of Memphis, 15th meeting of the Ancient Philosophy Society (APS), April 24-27, 2014

Panel Member, Developing Best Practices in Philosophy, Dalhousie University, May 5, 2017

Program Committee Member, The 7th Annual Values in Medicine, Science, and Technology Conference, The Center for Values in Medicine, Science, and Technology, University of Texas at Dallas, 2017-present (yearly)

Organizer

“The Montgomery Ruling: Impacts on Philosophy of Medicine and Bioethics” at St Catherine’s College, Oxford. Plenary Speakers: Anna Bergqvist, Tim Thornton, Michael Dunn. Part of the Advanced Studies Seminars at the Collaborating Centre for Values-Based Practice in Health and Social Care.

Director: Bill Fulford. Nov 9, 2016

Centre for Humanities Engaging Science and Society Reading Group Fall 2015-Fall 2016

Durham Diversity Inclusion Group (DDIG) Spring Workshop: On Responsibility and Resistance, Durham University, April 22, 2015

Co-Organizer

Job Market Workshop Series, Durham University, 2016

Durham Diversity Inclusion Group (DDIG) Post Graduate Climate Survey Spring 2016

Volunteer, Re-Sounding Voices: Women, Silence and the Production of Knowledge, Interdisciplinary International Women’s Day Conference, St Aidan’s College, Durham University March 8, 2016

Chair

“What’s the Matter with Decision-Making Capacity?” refereed colloquium, Pacific APA, 2020, Canceled due to COVID-19

“Research Ethics” Session, The 9th Annual Values in Medicine, Science, and Technology (VMST) Conference. University of Texas at Dallas May 23-25, 2019

“Values in Science 2” Session, Philosophy of Science Association, Nov 4, 2018

“Learning from Experiment” Session, Philosophy of Science Association, Nov 3, 2016

“Heidegger and Science: Contemporary Dialogues in the Philosophy of Science” workshop, Durham University, Sept 25, 2015

Epistemic Vices Conference, Durham University Sept 2-3, 2015

10th UK Integrated History and Philosophy of Science (IHPS) Workshop, Durham University, April 15-17, 2015

Philosophy Graduate Student Organization Faculty Liaison, University of South Florida, 2013-2014

Reviewer for Philosophy Graduate Student Organization conference, University of South Florida, 2013
