

CURRICULUM VITAE

IDENTIFYING DATA

Name: Emmanuelle Benkoski Yecies, M.D., M.S.

Work Address: 211 Quarry Road
Palo Alto, CA 94305

Email: ebyecies@stanford.edu

ACADEMIC HISTORY

Colleges and Universities Attended

- 09/2006-06/2010 B.S. with Honors and Distinction (Major: Biological Sciences, Minor: Economics), Stanford University, Stanford, California.
- 08/2010-05/2014 M.D. Cum Laude, University of Pittsburgh School of Medicine, Pittsburgh, Pennsylvania.
- 07/2017-06/2019 M.S. (Medical Education), University of Pittsburgh School of Medicine, Pittsburgh, Pennsylvania.

Residency and Fellowship Training

- 06/2014-06/2017 Internship/Residency, Internal Medicine (Women's Health Track, Medical Education Certificate), UPMC, Pittsburgh, Pennsylvania (Program Director: Shanta Zimmer)
- 07/2017-06/2020 General Internal Medicine Fellowship (Academic Clinician Educator Scholar Fellowship, Women's Health Track). VA Pittsburgh Healthcare and University of Pittsburgh School of Medicine, Pittsburgh, Pennsylvania. (Program Director: Carla Spagnoletti)

Scholarships and Honors

- 2024 Service to America Medal, Emerging Leader Nominee
Samuel J. Heyman Service to America Medals, Partnership for Public Service
- 2023 VHA Shark Tank Semi-Finalist
VA Innovation Diffusion Competition
- 2019 Teaching Skills Competition Winner
Society of General Internal Medicine Mid-Atlantic Regional Meeting
- 2019 Medical Education Research Award
University of Pittsburgh Department of Medicine Research Day
- 2016 Best Housestaff Teacher of Internal Medicine
University of Pittsburgh School of Medicine

- 2014 Brinton Prize (awarded for being valedictorian of medical school class)
University of Pittsburgh School of Medicine
- 2013 Alpha Omega Alpha
University of Pittsburgh School of Medicine
- 2013 Excellence in Collaborative Learning
University of Pittsburgh School of Medicine
- 2013 Dr. Theodore B. Rosenthal Scholarship
- 2010, 2011, 2012, 2013 Harris Foundation Scholarship
- 2011 Summer Research Fellowship
University of Pittsburgh School of Public Health

Board certification:

- 2017 American Board of Internal Medicine

Other Professional Development:

- 2023-2024 LEAD Certificate, Association for Chiefs and Leaders for General Internal Medicine (ACLGIM). Longitudinal mentored leadership skill development program
- 2023 Women's Health ACHIEVE EBQI Project
- 2021 Women's Musculoskeletal Health (MSK) Training Program Virtual Training Conference, VA National Education Programs.
- 2020 Management Service Improvement Model (SIM) training. VA Palo Alto Healthcare System, Palo Alto, CA.
- 2018 Musculoskeletal Mini-Residency, three-day musculoskeletal exam, diagnosis and treatment workshop, VA Pittsburgh, Pittsburgh, PA
- 2018 Women's Health Mini-Residency, national three-day review of Women's Health topics for VA providers, VA Women's Health, Orlando, FL
- 2017 Merck Clinical Training Program for Nexplanon Placement, Pittsburgh, PA
- 2010-2011 Salk Fellowship, multidisciplinary fellowship aimed at improving healthcare delivery, The Jewish Healthcare Foundation, Pittsburgh PA

EMPLOYMENT

Academic:

- 9/2025- present Clinical Assistant Professor, Department of Medicine and Division of Primary Care and Population Health, Stanford University School of Medicine, Stanford, CA.
- 11/2021- 08/2025 Clinical Assistant Professor (Affiliated), Department of Medicine and Division of Primary Care and Population Health, Stanford University School of Medicine, Stanford, CA.

07/2017-06/2020 Clinical Instructor of Medicine, University of Pittsburgh School of Medicine, Pittsburgh, Pennsylvania.

Hospital Leadership:

09/2023-08/2025 Women's Health Section Chief, VA Attending, VA Palo Alto Healthcare System, Palo Alto, California.

08/2020-08/2025 Women's Health Medical Director (WH-MD), VA Attending, VA Palo Alto Healthcare System, Palo Alto, California.

TEACHING AND CLINICAL CARE

Teaching of Faculty at the Veteran's Administration and Affiliate Programs:

2025 VA Women's Health Annual Update: Annual CME program presented nationally by the Office of Women's Health for Women's Health providers and other team members. In addition to preparing and presenting slides, served as invited member of the expert panel.

- "News You can Use" – Co-Presenter (2025)

2021-Present VA Palo Alto Multi-Disciplinary Rounds Conference: Weekly case conference for VA Palo Alto faculty and trainees with case presentations and expert discussants. Developed content and slide decks, recruited expert discussants, and often moderated.

- "Round of Applause: A Case of Pelvic Infection" – Moderator (2021)
- "Sweet Success"- Moderator and Discussant (2022)
- "Unplanned: Considerations for the Management of Pregnancy Termination in a Changing Landscape"- Discussant (2022)
- "Moans & groans: and don't forget the bones: An Unusual Course of Hypercalcemia"- Moderator (2023)
- "There's a Lump in my Breast" – Moderator (2023)
- "Fourth Trimester Bumps: Postpartum Complications" –Moderator and Discussant (2024)
- "It's Hot in Here: Night Sweats in a Young Woman"- Moderator and Discussant (2025)

2018-2024 VA Women's Health National Mini-Residency Faculty: Primary Care (providers): Three-day conferences teaching women's health care topics and skills to primary care providers.

- February 2018: National conference (Orlando, FL)
- June 2021: National conference (online only)
- June 2022: National conference (online only)
- June 2023: National conference (online only)
- August 2024: National conference (Chicago, IL)

2022 VA Women's Health Local Mini-Residency Faculty: Emergency Care (providers & nurses, Interprofessional): Three-day conference teaching emergency women's health care topics and skills.

- August 2022: Local conference (Palo Alto, CA)

- 2021-2022 VA Women’s Health Local Mini-Residency Faculty: Primary Care (providers & nurses, Interprofessional): Three-day conferences teaching women’s health primary care topics and skills.
- September 2021: Local conference (Palo Alto, CA, hybrid format)
 - July 2022: Local conference (Palo Alto, CA, hybrid format)
- 2020-2021 VA GMC Quarterly Carve-out. Quarterly CME conference for VA Palo Alto and affiliates covering various primary care topics and skills to GMC providers.
- “CRC in GMC: A Review of Colorectal Cancer Screening in Primary Care.”
 - “Urology for the Internist.” November 2020.
- 2018-2019 VA Women’s Health Update. Bi-annual CME conference for VA Pittsburgh and affiliates teaching women’s health care topics and skills to designated women’s health primary care providers.
- “Strategies for Responding to Sexual Harassment in Medical Settings.”
 - “Weight Loss Medications.”
 - “Review of Vaginitis”

Teaching of Residents at Stanford University and VA Palo Alto Healthcare System:

- 2022-present **Lecturer**, Med Ed Elective, Stanford University Internal Medicine Residency. 5-10 residents per session, 2-4 sessions per year. Topic: Teaching in the Outpatient Setting.
- 2021-present **Lecturer**, Ambulatory Curriculum, Stanford University Internal Medicine Residency, ~10-20 residents per session, 2 session per year. Topics: Breast Cancer Screening, Cervical Cancer Screening
- 2020-2025 **Preceptor**, Resident Continuity Clinic, VA Palo Alto Healthcare System, 2-5 residents in 1 half-day session per week, 52 weeks a year.
- *I helped redesign the feedback and evaluation component of resident GMC clinic to ensure timely and comprehensive feedback is given biannually.*
 - *I assisted and collaborated in the full-day clinic overhaul and transition.*
- 2020-2025 **Preceptor and Rotation Director**, Women’s Health Clinic, VA Palo Alto Healthcare System, 1 resident per half-day session, 1-4 sessions per week, 52 weeks a year.
- *I developed a new Women’s Health Curriculum for Internal Medicine residents who elect to spend 25% of clinic time in Women’s Health.*

Teaching of Medical Students at Stanford University and VA Palo Alto Healthcare System:

- 2020-2021 **Instructor**, Practice of Medicine Course, VA Palo Alto Healthcare System, 2-3 medical students in 1 half-day sessions, 4-5 times per year.

Prior to 2020, I taught and coordinated courses and lectures on a variety of subjects for medical students, residents, and faculty at the University of Pittsburgh including the following:

- Giving and receiving feedback effectively
- Student, Resident, Faculty, and Bystander training for sexual harassment
- Women’s Health clinical topics: Introduction to Contraception, Contraception 2.0 (*lecture materials disseminated at Jersey Shore University Medical Center, Jefferson University Hospitals*), Thyroid disorders, Abnormal Uterine Bleeding, Caring for the Breastfeeding Patient, Recurrent UTIs, Maternity Leave, Vulvovaginitis.
- Morning Report/Patient-Case Discussions

- Physical Exam Skills including Introduction to Physical Exam and Standardized Patient Exams (including pelvic and breast exam)
- Preparing for Internship elective
- Evidence-Based Medicine Conferences
- Outpatient Preclinic Conferences (using Yale Ambulatory Curriculum)
- Faculty Journal Club

Mentorship: Case Reports

- 2018-2019 Scott Friedberg, PGY-2 UPMC Internal Medicine Resident: Mentor for the preparation and submission of a case report accepted as an oral presentation at SGIM 2019.
- 2019-2020 Sydney Weill, MS-3 University of Pittsburgh SOM Student: Mentor for the preparation and submission of a case report accepted for poster presentation at SGIM 2020.
- 2020-2021 Timothy Ellis-Caleo, PGY-2 Stanford Internal Medicine Resident: Mentor for the preparation and submission of a case report accepted for poster presentation at SGIM 2021.
- 2024-2025 Jack Geiger, PGY-2 MCW Internal Medicine Resident: Mentor for the preparation and submission of a case report accepted as an oral presentation at SGIM 2025.

Mentorship: Research Projects

- 2018-2020 Marina Mutter, General Internal Medicine Fellow, UPMC: I served as a junior mentor on Marina's fellowship research project exploring uncertainty in senior medical residents, using chart stimulated recall. Her work has been presented at numerous national conferences. A manuscript of her findings has been published.
- 2020 Maryam Zamanian, General Internal Medicine Fellow, UPMC: I served as a junior mentor on Maryam's fellowship research project devising a faculty curriculum to address racial discrimination in training.
- 2024-2025 Joanna Lankaster, VISN21 ECAP Fellow, VA Palo Alto Healthcare System: I served as a mentor on Joanna's ECAP project.

Hospital or Affiliated Institution Appointments

- 2025-present Physician, Stanford Health Care, Weekly schedule: 5 half-day sessions of Primary Care Internal Medicine clinic, 1 half-day of precepting resident SIM clinic.
- 2020-2025 Staff physician, VA Palo Alto Healthcare System, Weekly schedule: 4 half-day sessions of Women's Health outpatient clinic, 1 half-day of precepting in resident GMC clinic.
- 2017-2020 Staff physician, VA Pittsburgh Healthcare System, Schedule: 1 half-day session of outpatient clinic weekly, 3 half-days of precepting in resident clinic, and 6 weeks as inpatient ward attending yearly.

Hospital and Health Care Organization Service Responsibilities

- 2023-2025 **SERVICE Act Facility POC**, VA Palo Alto Healthcare System

2017-present Sex- and Gender-Based Women's Health Education Interest Group, Society of General Internal Medicine [Member, Co-Chair 2018-2019]
2016-present Women and Medicine Commission, Society of General Internal Medicine [Member]
2018-2022 Mentor, Society for General Internal Medicine Annual Meeting
2018-2021 Women's Health Oral Abstract Award, Society of General Internal Medicine [Co-coordinator and Reviewer]

Ad Hoc Reviewer

2018-present *Journal of General Internal Medicine*, manuscript reviewer in Women's Health, Veterans Healthcare, Medical Education Scholarship.
2017-present *Society of General Internal Medicine Annual Meeting* submission reviews (Clinical Vignettes, Women's Health Research Abstracts, Women's Health Workshops).
2020-present *Society of General Internal Medicine CA-HI Regional Meeting* submission reviews and poster judging
2019-2020 *Society of General Internal Medicine Mid-Atlantic Regional Meeting* submission reviews and poster judging
2018-2020 *American College of Physicians Western PA Regional Meeting* submission reviews and poster judging

OTHER STUDY AND RESEARCH OPPORTUNITIES

Past

2018-2019 Funder: DGIM Center for Research on Health Care Data Center
Title: A survey of incoming residents and their experience with sexual harassment and gendered microaggressions in medical school
Role: P.I.

Ongoing and Current Research and Scholarly Interests

- Will be an author on an upcoming book chapter (Women's Health Issues) in the next edition of McGraw-Hill's "Current Medical Diagnosis & Treatment"
- Submitted a clinical review on caring for obesity in women based on a highly successful SGIM workshop.

INVITED PRESENTATIONS

Invited Grand Rounds

2026 “Women’s Health Update: 2026,” Penn State College of Medicine Grand Rounds, planned for June 2026.

2025 “Thanks for the Feedback: Making the Most of Student Evaluations,” Valley Medical Center Department of Medicine Grand Rounds, San Jose, CA.

2024 “Developing Policies and Supporting Staff in Cases of Patient Harassment,” Magee Women’s Hospital Annual Conference. *Virtual*.

2023 “Supporting Trainees through Gender-Based Harassment and Microaggressions,” UPMC Family Medicine Grand Rounds. Pittsburgh, PA.

2023 “Best Practices for Survey Use in Medical Education: How to Design, Refine, and Administer High-Quality Surveys.” University of South Carolina School of Medicine Greenville. Faculty Development Series. Greenville, SC.

2023 “A Guide to Tackling Sexual Harassment and Microaggressions in Training” Allegheny Health Network, Pittsburgh, PA.

2022 “Responding to Gender-Based Harassment and Microaggressions.” Santa Clara Valley Medical Center. Grand Rounds. San Jose, CA.

2021 “Sexual Harassment Training Workshop.” Allegheny Health Network Medicine Institute, Resident Education Series, Pittsburgh, PA.

2020 “A Guide to Tackling Sexual Harassment in Training.” Obstetrics and Gynecology Grand Rounds, UPMC Division of Obstetrics and Gynecology. Pittsburgh, PA.

National Workshops and Symposia

- 2025 “Weight Management Through a Woman’s Reproductive Lifecycle.” Workshop presented for SGIM 2025 Annual Meeting. Hollywood, FL.
- 2025 “News You Can Use.” Lecture included in the national VA Women’s Health Update. Virtual, Jan 2025.
- 2024, “Women’s Health Update.” Symposium presented annually at the SGIM Annual Meeting.
2025 Selected as one of four national experts to present as SGIM 2024 Annual Meeting. Boston, MA, as well as SGIM 2025 Annual Meeting. Hollywood, FL.
- 2024 “Becoming a PCP: Reviving and supporting primary care identity among internal medicine trainees.” Workshop accepted for SGIM 2024 Annual Meeting. Boston, MA.
- 2023 “Interventions Big and Small: Considerations for Mentoring and Reporting Sex- and Gender-Based Harassment in Medical Training.” Workshop presented at the Alliance for Academic Internal Medicine Annual Meeting. Austin, TX.
- 2022 “There’s a Medication for that! A Primer on Weight Loss medications for the Internist.” Workshop presented at the Annual Meeting of the Society for General Internal Medicine. Orlando, FL. *(part of submission team but was unable to attend in-person meeting due to COVID-19 pandemic).*
- 2021 “Advocating for Equity: Removing Barriers to Reproductive Healthcare in 2021.” Special Symposium accepted at the Annual Meeting of the Society for General Internal Medicine. April 2021. Online meeting.
- 2020 “Ensuring Smooth Re-Entry: A Guide to Postpartum Care for the Internist.” Workshop accepted at the Annual Meeting of the Society for General Internal Medicine. Birmingham, AL. *(meeting cancelled due to COVID-19)*
- Accepted again for presentation for SGIM Annual Meeting 2021
 - Also presented at Allegheny Health Network in April 2021
- 2020 “There’s a Medication for that! A Primer on Weight Loss Medications for the Internist.” Workshop accepted at the Annual Meeting of the Society for General Internal Medicine. Birmingham, AL. *(meeting cancelled due to COVID-19)*
- 2020 “Management of Hypothyroidism in Women.” Workshop accepted at the Annual Meeting of the Society for General Internal Medicine. May 2020. Birmingham, AL. *(meeting cancelled due to COVID-19)*
- 2019 “#MeToo: Practical Strategies to Respond to Sexual Harassment in Medical Training, Workshop presented at the Annual Meeting of the Society for General Internal Medicine. May 2019. Washington, D.C.
- Materials disseminated: University of Chicago (Chicago, IL), VA Los Angeles (Los Angeles, CA), Beth-Israel Deaconess Hospital (Boston, MA).*
- 2019 “Asking the Right Questions: A Primer on Survey Design in Medical Education Research,” Workshop presented at the Annual Meeting of the Society for General Internal Medicine. May 2019. Washington, D.C.

- 2019 “Thanks for the Feedback: An Educator’s Guide to Making the Most of Student Evaluations,” Workshop presented at Academic Internal Medicine Week. April 2019. Philadelphia, PA
Materials were requested and adapted to be part of the Faculty Development Toolkit (Module 4), a repository of peer-reviewed educational material hosted by AAIM online.
- 2019 “Asking the Right Questions: A Primer on Survey Design in Medical Education Research,” Workshop presented at Academic Internal Medicine Week. April 2019. Philadelphia, PA
- 2018 “Asking the Right Questions: A Primer on Survey Design in Medical Education Research,” Workshop presented at the 2018 Association of Program Directors of Internal Medicine (APDIM) Fall Meeting. October 2018. Orlando, FL.
- 2018 “#MeToo: Practical Strategies to Respond to Sexual Harassment in Medical Training,” Workshop presented at the 2018 Association of Program Directors of Internal Medicine (APDIM) Fall Meeting. October 2018. Orlando, FL.
Materials disseminated: Dartmouth-Hitchcock Medical Center (Lebanon, NH), St. Joseph Hospital and Medical Center (Phoenix, AZ), Kaiser Permanente (San Francisco, CA).
- 2018 “To Prescribe or Not to Prescribe: An Evidence-Based Primer on Menopausal Hormone Therapy.” Workshop presented at the Annual Meeting of the Society for General Internal Medicine. April 2018. Denver, CO.
- 2018 “Beyond Back Pain: Diagnosis and treatment of common MSK complaints in Primary Care.” Workshop presented at the Annual Meeting of the Society for General Internal Medicine. April 2018. Denver, CO.

Regional Workshops and Lectures

- 2019 “Confrontation to Collaboration: Interprofessional Curriculum for Communication Skills in Challenging Patient Encounters.” Workshop presented at the Society for General Internal Medicine Mid-Atlantic Regional Meeting. November 2019. Pittsburgh, PA.
- 2019 “There’s a pill for that! Weight loss medications made simple” Lecture presented at the Society for General Internal Medicine Mid-Atlantic Regional Meeting. November 2019. Pittsburgh, PA.
- *Winner of the Teaching Skills Competition*
