C. CLINICAL CARE AND TEACHING

Clinical Responsibilities and Appointments

2023-present: Attending hospitalist at Stanford Hospital on oncology med 12 service. 26 weeks per year. Provide comprehensive care to patients with solid tumors admitted with complex, high-acuity conditions, including cancer-related complications, treatment toxicities, infections, malnutrition, and end-of-life care. Make complex clinical decisions and navigate high-stakes situations with patients and families, often integrating input from multiple consulting teams.

2020-2023: Internal medicine residency, trained in community hospital with strong inpatient curriculum and diverse patient population, led many code blues/rapid responses independently without ICU attending/nocturnist in hospital overnight, completed extra ICU rotation during the tenure of residency and placed 20+ central venous catheter and arterial lines.

2018-2020: Rheumatology attending in outpatient clinic, treated patients with a wide variety of autoimmune conditions.

Teaching Experience

2024-2025: Coordinated monthly oncology case conferences for oncology med 12 team, selected speakers, scheduled sessions, arranged logistics including Zoom/room booking.

2022-2023: Taught interns and junior residents through direct supervision, morning reports, noon conferences and dedicated didactic hours as a Chief Resident.

Hospital Committees

2024-2025: Inpatient Oncology Transition of Care Committee, Stanford Hospital

2021-2023: Code Blue/Rapid Response Committee, Ascension Saint Francis Hospital

2021-2023: Antibiotic Stewardship & Infection Control Committee, Ascension Saint Francis Hospital

2021-2023: Research Committee, Ascension Saint Francis Hospital

D. LEADERSHIP EXPERIENCE
