- “Sarcoidosis and other non-infectious granulomatous dermatoses.” Dermatology Resident Lecture Series, August 12, 2010.
- “Baffling bullae.” Invited Panelist for Multidisciplinary Internal Medicine Lecture Series, Palo Alto VA Medical Center, October 13, 2010.
- “How sweet it is.” Invited Panelist for Multidisciplinary Internal Medicine Lecture Series, Palo Alto VA Medical Center, November 3, 2010.
- “Phototherapy.” Dermatology Resident Lecture Series, October 30, 2012

RESEARCH

Department of Psychology, Duke University: 7/98-4/99

“The Development of Autobiographical Talk in Preschool Peer Conversations.”

Aim: To determine whether initiation of and response to autobiographical talk in peer-peer conversations was affected by age in the pre-school population.

Design: Observational study

Role: Co-investigator

Department of Veterans Affairs Cooperative Studies Program (CSP): 1/1/09-3/31/13

CSP #562: “The VA Keratinocyte Carcinoma Chemoprevention Trial”

Aim: To determine if use of topical 5% 5-fluorouracil can reduce the incidence, morbidity and cost of care of non-melanoma skin cancers in the VA patient population.

Design: Multicenter double-blinded randomized placebo-controlled trial

Role: Site Co-investigator
