

Curriculum Vitae: Updated February 03, 2026

I. IDENTIFYING DATA

Name: Maha A. Mohamed, MD., FACP, FAST, FASN

Current position: Clinical Associate Professor, Stanford Kidney and Pancreas Transplant Program

Current affiliation: Stanford University

ORCHID ID 0000-0002-7517-8407

II. EDUCATIONAL HISTORY

Colleges and Universities attended:

1985 - 1992 Medicine Bachelor, Bachelor of Surgery, University of Khartoum Faculty of Medicine, Khartoum, Sudan.

Residency and Fellowship Training:

1992 - 1994 Internal Medicine & General Surgery House-officer, Khartoum Teaching Hospital, Sudan Ministry of Health, Khartoum, Sudan

1996 - 1997 Transitional Internship, Columbia University at Mary Imogene Bassett Hospital
Cooperstown, New York

1997 - 2000 Internal Medicine Residency, Mary Imogene Bassett Hospital/Columbia University, Cooperstown, New York

06 - 8/2000 Chief Resident, Mary Imogene Bassett Hospital/Columbia University
Cooperstown, New York

2003 - 2004 Geriatric Fellow, George Washington University, Washington, District of Columbia

2007 - 2009 Nephrology Fellow, University of Maryland School of Medicine, Baltimore, Maryland

2009 - 2010 Transplant Nephrology Fellow, University of California School of Medicine, San Francisco, California

Board Certification:

1996 Certificate, US Educational Commission of Foreign Medical Graduates

2000 American Board of Internal Medicine

2004 American Board of Geriatrics Qualification

2010 American Board of Internal Medicine

2019 American Board of Nephrology

III. EMPLOYMENT

Academic Appointments:

07/2005 - 06/2007 Assistant Professor of Internal Medicine
University of Maryland School of Medicine - Baltimore, Maryland

09/2010 - 04/2018 Assistant Professor of Medicine, Nephrology
University of Wisconsin School of Medicine and Public Health, Madison, Wisconsin

04/2018 - 06/2023 Associate Professor of Medicine, Nephrology
University of Wisconsin School of Medicine and Public Health, Madison, Wisconsin

07/2023 - present Clinical Associate Professor of Medicine, Nephrology
Stanford University School of Medicine, Stanford, California

Other Appointments:

09/2000 - 06/2003 Internist and Hospitalist, The Permanente Medical Group, Inc., Northern California, Richmond, California

07/2004 - 06/2005 Hospitalist, Washington Hospital Center/Georgetown University, Washington, District of Columbia

IV. HONORS AND AWARDS

2013 Faculty, Clinical Excellence Award, Division of Nephrology, Professionalism, patient satisfaction, and productivity University of Wisconsin School of Medicine and Public Health

2014 Faculty, Outreach Physician Excellence Award, University of Wisconsin Hospitals and Clinics

2014 Faculty, Physician Excellence Award, University of Wisconsin Hospitals and Clinics

2015 Faculty, Physician Excellence Award, University of Wisconsin Hospitals and Clinics

2020 Fellow of the American Society of Transplantation

2022 Faculty, Excellence in Education Mentoring Award, Department of Medicine, University of Wisconsin

2023 Faculty, Special Recognition Award, University of Wisconsin, Division of Nephrology, University of Wisconsin

V. BIOGRAPHY

Peer-reviewed Publications

1. Harshitha Mogallapalli, Fauzia Osman, Sandesh Parajuli, Neetika Garg, Fahad Aziz, Arjang Djamali, Brad C. Astor, **Maha Mohamed***. Belatacept Conversion in Kidney Transplant Recipients with Congestive Heart Failure: Survival and 30-Days Readmission Outcomes Transplant Proceedings. 2025 June:doi.org/10.1016/j.transproceed.2025.03.023. **I participated extensively in the concept, design, data acquisition, drafting of the manuscript, critical revision of the manuscript and drafting.*

VI. GRANT FUNDING

- 1998 – 2000 Co-PI: Maha A Mohamed and Guy Amesden
- Funder: E. Donnell Thomas Scholarship for resident research project, Bassett Healthcare Research Center, Cooperstown, New York
- Title: Effect of Hormonal Contraceptives on the Pharmacokinetics of Trovafloxacin in Women
- Amount: \$2500
- 2025 University Teaching Hospital of Lusaka, Zambia and Stanford University ISN-TTS Sister Center Pairs
- Program Partner: Drs. Maha Abdalla Mohamed and Aggrey Mweemba
- Funder: International Society of Nephrology-The Transplantation Society, Sister Transplant Center
- Objective: The above centers maintain an official link to share knowledge and contribute to the development of kidney transplantation services and nephrology in Zambia
- Amount \$2000
- 2025 Co-PI: Thomas Pham and Maha Abdalla Mohamed
- Funder: Department of Surgery
- Title: Implementation of a Vascular Access and Kidney Transplant Program in Lusaka, Zambia

Zambia

Amount \$42000

VII. EDITORIAL SERVICE

Ad hoc Reviewer

2012 – 2022	Journal reviewer, Transplantation
2012 – 2023	Journal reviewer, Clinical Nephrology
2020 – 2021	Journal reviewer, Kidney360
2023 – 2024	Journal reviewer, American Journal of Kidney Disease (AJKD)
2025 – present	Journal reviewer, Clinical Transplantation

VIII. UNIVERSITY ADMINSTRATIVE SERVICE

06/2011 – 01/2013	Associate Director, Transplant Nephrology Fellowship, Division of Nephrology, Department of Medicine, University of Wisconsin, Madison, Wisconsin
09/2012 – 06/2016	Director, UW National Kidney Registry Program, University of Wisconsin
02/2013 – 06/2023	Director, Transplant Nephrology Fellowship, University of Wisconsin School of Medicine and Public Health, Madison, Wisconsin
07/2013 – 06/2021	Inpatient DYAD Leadership Development Team, University of Wisconsin
07/2013 – 12/2016	Associate Director, Desensitization Committee, University of Wisconsin
09/2013 – 06/2016	Director, UNOS Kidney Paired Donation Program, University of Wisconsin
01/2014 – 09/2015	Interim Medical Director, Kidney transplant program, University of Wisconsin Hospitals and Clinics, Madison, Wisconsin
07/2021 – 06/2023	Director, Equity and Inclusion Curriculum, University of Wisconsin School of Medicine and Public Health Madison, Wisconsin
12/2023 – 06/2025	Lead, Transplant Inpatient Work Group 5 DYAD, Stanford University.
06/2024 – present	Clinic Chief, Stanford Kidney and Pancreas Transplant Clinic, Stanford University, Stanford, California.

01/2026 - 03/2026 Acting Medical director, Stanford Kidney and Pancreas Transplant program, Stanford University, California.

IX. SERVICE TO PROFESSIONAL ORGANIZATION

National Committees Service

06/2013 – 04/2024 Committee member, American Society of Transplantation Transplant Nephrology Fellowship Training Accreditation Program, LLC.

10/2015 – 05/2019 Banff subcommittee workgroup member, post-transplant recurrent Glomerular disease, National and International.

06/2016 – 06/2018 Committee Member-At Large, Women’s Health Community of Practice.

05/2024 – present Board of Manager member, American Society of Transplantation Transplant Nephrology Fellowship Training Accreditation Program, LLC.

05/2024 – 07/2025 Chair, Review Committee, American Society of Transplantation Transplant Nephrology Fellowship Training Accreditation Program, LLC.

08/2025 – 07/2026 Chair, Board of Managers, American Society of Transplantation Transplant Nephrology Fellowship Training Accreditation Program, LLC.

National Meetings Moderator and Reviewer

03/2017 Abstract reviewer: American Society of Nephrology Week.

06/2017 Moderator: “Parenthood after Transplantation.” American Transplant Congress Chicago, Illinois.

10/2017 Moderator: Transplant Economics and Live Donor Outcomes, American Society of Nephrology Annual Meeting, New Orleans, Louisiana.

06/2018 Faculty member of the 2018 Annual Meeting of the American Transplant Congress (ATC) on June 2, 2018, at the Washington State Convention Center, Seattle.

06/2018 Moderator: Pregnancy Outcomes in Liver and Kidney Living Donors - American Transplant Congress, Seattle, Washington.

10/2018 Chair: Introducing Kidney Transplant to General Nephrology Fellows. AST event at ASN meeting. Funded by the American Society of Transplant, AST Women Health Community of Practice, ASN 2018 Meeting, Dan Diego - \$2500

05/2020	Faculty member of the 2020 Annual Meeting of the American Transplant Congress (ATC) on May 30, 2020, at the Philadelphia State Convention Center in Pennsylvania.
11/2023	Panelist: "Learning Together: Sharing Successes and Challenges of Diversity, Equity, Inclusion and Anti-Racism Curricula and Faculty Development workshop." ART in Med Ed Challenging Norms: Uplifting Anti-Racist Work to Transform the Landscape of Medical Education conference. Icahn School of Medicine at Mount Sinai.
06/2024	Moderator: "Policies and Interventions Aimed at Decreasing Disparities in Kidney Transplantation for Under Represented Minorities" American Transplant Congress, Philadelphia.
03/2025	Abstract Reviewer: World Transplant Congress 2025.
01/2026	Abstract reviewer: World Transplant Congress 2026.

X. INVITED PRESENTATION

Grand Round

1. 2011, "Transplantation Across ABO-Incompatible Barrier." Department of Transplant Surgery grand round, University of Wisconsin
2. 2011, "Updates on Kidney Transplantation." Department of Medicine grand round, University of Wisconsin
3. 2011, "Steroid Avoidance, the conundrum." Division of Nephrology grand round, University of Wisconsin
4. 2013, "HLA Cross-matching; the past, present and future." Division of Nephrology grand round, University of Wisconsin
5. 2013, "Renal Allograft Demise: Why?" Division of Nephrology grand round, University of Wisconsin
6. 2014, "Steroid or its Avoidance Conundrum." Division of Nephrology grand round, University of Wisconsin
7. 2014, "Update in Kidney Transplantation." Division of Nephrology grand round, University of Wisconsin

8. 2014, "Impact of Donor Specific Antibodies on Allograft Survival." Division of Nephrology grand round, University of Wisconsin
9. 2015, "Update in Paired Donor Kidney Transplantation." Division of Nephrology grand round, University of Wisconsin
10. 2015, "Steroid Withdrawal in Kidney Transplantation." Department of Transplant Surgery grand round, University of Wisconsin
11. 2016, "Post-transplant Lymphoproliferative Disorder: The Known and the Mystery." Division of Nephrology grand round, University of Wisconsin
12. 2016, "Living Kidney Donor Outcome: Current Conundrum and Future Outcome." Division of Nephrology grand round, University of Wisconsin
13. 2017, "Living Kidney Donor Outcome: current Conundrum and Future Outcome." Division of Nephrology grand round, University of Wisconsin
14. 2018, "Palliative Care in Solid Organ transplant." Division of Nephrology grand round, University of Wisconsin
15. 2018, "Women in leadership and Diversity; past present and future." Division of Nephrology grand round, University of Wisconsin
16. 2018, "Palliative Care in Solid Organ Transplant." Division of Nephrology grand round, University of Wisconsin
17. 2020, "Update on Kidney Transplantation in the Era of COVID-19." Division of Nephrology Virtual Grand round, University of Wisconsin
18. 2022, "Palliative Care in Kidney Transplant Recipients." Division of Nephrology Virtual grand round, University of Wisconsin
19. 2022, "Palliative Care Integration in Pre and Post Kidney and Pancreas Transplantation." Division of Nephrology, Stanford University, virtual presentation
20. 2022, "Palliative Care Integration in Pre and Post Kidney and Pancreas Transplantation." Department of Transplant Surgery grand round, University of Wisconsin
21. 2023, "Healthcare Disparity in Kidney Transplant." Division of Nephrology grand round, University of Wisconsin.
22. 2024, "Kidney Disease and Transplantation Knowledge Transfer: The Time Has Come." Division of Nephrology grand round, Stanford University, Stanford, California.

National and Regional

1. 2011, "Update in CMV Care Post Kidney Transplantation." Marshfield Nephrology Group, Marshfield, Wisconsin.
2. 2014, "Update in Kidney Transplantation." Rockford Nephrology Associate, Rockford, Illinois.
3. 2016, "Facts that Primary Care Physician Need to Know about Kidney Transplantation Vs. Dialysis and Update in Paired Kidney Donation." Aurora St. Luke's Hospital, Milwaukee, Wisconsin.
4. 2016, "Living Kidney-Donor Outcome: Current Conundrum and Future Directions." Division of Nephrology grand round University of Pennsylvania, Division of Nephrology, Pennsylvania, Philadelphia.
5. 2016, "Living Kidney-Donor Outcome: Current Conundrum and Future Directions." Division of Nephrology, University of Chicago, Chicago, Illinois.
6. 2016, "Kidney-Donor Outcome: Current Conundrum and Future Directions." Division of Nephrology, Mayo Clinic, Rochester Minnesota.
7. 2016, "Living Kidney-Donor Outcome: Past, Present and Future." Division of Nephrology, Stanford University, Palo Alto, Stanford.
8. 2017, "Living Kidney-Donor Outcome: Current Conundrum and Future Directions." Department of Internal Medicine Grand round, Aurora St. Luke 's Hospital, Milwaukee Wisconsin.
9. 2020, "Palliative Care & Solid Organ Transplantation: A Spectrum of Care." American Transplant Congress virtual presentation.
10. 2022, "Misrepresentation of Race in Medical Education Propagate Physician Bias, workshop." University of Wisconsin School of Medicine and Public Health Education Day. Co-presented with Dr. Andrea Schnell Associated Internal Medicine Program Director of DEI.
11. 2022, "Misrepresentation of Race in Medical Education Propagate Physician Bias" University of Wisconsin, Department of Medicine Education Day. Virtual presentation.
12. 2025, "Frailty and Kidney Transplant Outcomes: Navigating the Narrow path Between hope and Reality" Mayo clinic, Division of Nephrology, Scottsdale, Arizona.

International

Invited Speaker

1. 08/2014, "Update in Kidney Transplantation" Sudanese American Medical Association, Khartoum, Sudan.

2. 08/2015, "From CKD to Kidney Paired Donation" Division of Nephrology, King Faisal Specialty Hospital and Research Center, Riyadh, Kingdom of Saudi Arabia.
3. 03/2023, "Update in Post-Transplant Lymphoproliferative Disorder" King Faisal Hospital, Division of Nephrology grand round, Kigali, Rwanda
4. 03/2023, "Update in Kidney Transplant Rejection" King Faisal Hospital Division of Nephrology grand round, Kigali, Rwanda.
5. 07/2025, "Spinal Tuberculosis in an HIV-Positive Post-Kidney Transplant Patient Lacking Constitutional Symptoms: A Clinical Conundrum" ISN-TTS Grand Rounds in Transplant Nephrology webinar. Moderator: Dr. Aruna Subramanian, Chief, Immunocompromised Host, Infectious Disease, Stanford University; Supporting Center Lead: Maha Abdalla Mohamed, Stanford University; Emerging Center Lead: Dr. Aggrey Mweemba, Senior Nephrologist, The University Teaching Hospital, Lusaka Zambia.

XI. SERVICE ACTIVITY

Diversity Equity and Inclusion

- | | |
|-------------------|--|
| 07/2021 – 06/2023 | Chair, Health Equity Activation Team, University of Wisconsin School of Medicine and Public Health, Madison, Wisconsin. |
| 01/2022 – 06/2023 | Subspecialty Care Free Clinic, Madison, Wisconsin: I established a new chronic kidney disease free clinic to serve the uninsured, undocumented immigrants and the underrepresented minorities. |
| 07/2022 – 06/2023 | Member, Department of Medicine Diversity, Equity and Inclusion Committee, University of Wisconsin. |
| 01/2024 – present | DEI champion of the division of Nephrology, Stanford University. |
| 03/2024 – present | Member, Department of Medicine Diversity, Equity and Inclusion Council, Stanford University. |
| 09/2024 | Faculty Lead and organizer of the Division of Nephrology annual retreat on Equity and Inclusion and invited Dr. Keith Norris, Executive vice chair of DEI, University of California, Los Angeles, Stanford University. |
| 10/2024 – present | Member, Black Faculty Affinity Network (BFAM) Mini Fam MACS, Stanford University. Participated in the fellows first meet and connection event. |

01/2026 Co-Lead, Faculty Mentorship Training - Session 1: Maintaining Effective Communication” Division of Nephrology, Stanford University (with Dr. Adetokunbo Odunaiya).

Global Health

03/2023 – 04/2025 I played a key role in establishing Rwanda’s first approved kidney transplant program at King Faisal Hospital in Kigali. Collaborated closely with Dr. Fasika Tedla (Mount Sinai Hospital), Dr. Jeffrey Punch (University of Michigan – Ann Arbor), and the King Faisal Hospital team to successfully launch the Kidney Transplant Program.

9/2023 – present Faculty Fellow, Stanford Center for Innovation in Global Health
Stanford University, Stanford, California.

03/2025 – 03/2027 Secured the ISN-TTS Sister Transplant Center Program Grant (Level C) to establish and lead a collaborative partnership between the Stanford University Kidney and Pancreas Transplant Program and the University Teaching Hospital of Lusaka, Zambia. This initiative supports capacity-building, knowledge exchange, and the advancement of transplant services in the region

04/2025 – 05/2025 Clinical Chief and Co-Mentor, Stanford African Scholars in Global Health (SASH) Program, with Dr. Shuchi Anand. Mentoring Dr. Mary Kubo, a lecturer at the University of Nairobi Medical School (Kenya), with a focus on advancing her clinical expertise in managing post-kidney transplant infections and rejection.

University Service

2011 – 2013 Member, IRB committee, University of Wisconsin.

2011 – 2014 Member, Department of Medicine, Budget and Finance work group, University of Wisconsin.

2012 – 2014 UWMF Compliance Support Committee, District 2 faculty representative, University of Wisconsin

2012 – 2014 Strategic Priority working group member, Department of Medicine, University of Wisconsin.

2012 – 2014 Member, Department of Medicine Compensation Review Committee, University of Wisconsin.

2013 – 2014	Kidney Transplant Work Group, Division of Nephrology, University of Wisconsin.
2013 – 2014	Member, System Base Practice Transformation Curriculum Work Group, University of Wisconsin.
2014 – 2023	Division of Nephrology Clinical Competence Committee, University of Wisconsin
2015 – 2016	Member, University of Wisconsin Curriculum Transformation Design Team
2017 – 2019	Group D Leader, Department of Medicine Invest in Members Committee, University of Wisconsin.
2019 – 2022	University of Wisconsin Medical Foundation Compensation (UWMF) Development Committee member.
2019 – 2022	UWMF Compensation Plan Guideline (CPG) Work group member, University of Wisconsin.
2021 – 2022	Member, Department of Medicine Clinical Health Science Track Guidelines Task Force, University of Wisconsin.
2021 – 2023	Member, Clinical Health Science Assistant Professor Promotion Review Committee, University of Wisconsin.
2024 - present	Liaison, Clinical Advice Service (CAS). I wrote the calls guidelines and presented at the CAS staff meeting “Kidney and Pancreas Nuts and Bolts”, Stanford University.

XII. MENTORING

Medical students mentoring

2022 – 2023	Building Equity Access to Mentoring (BEAM) - Dema Jaber, first year medical student
2020 – 2022	Shapiro Summer Research project - Harshita Venkata Nirmala Mogallapalli, first year student - currently Internal Medicine Resident at UWSMPH

Faculty and fellow Mentoring

2016 – 2018	Shree Mulay, MD, General Nephrology Fellow - Nephrologist at Jackson, Madison County General Hospital, University of Wisconsin School of Medicine and Public Health.
-------------	--

2019 – 2023 Dr. Shivani Garg, Assistant Professor Clinical Health Science track mentoring committee, University of Wisconsin School of Medicine and Public Health, Madison, Wisconsin.

Fellow Research Mentoring

2013 – 2014 Liliana Osadchuk: Transplant fellow - currently she is a Nephrologist in Northshore University Health system Evanston Hospital, Illinois “Association of Post-Transplant HLA-DQA with Outcomes in Kidney Transplant Recipients without Evidence of Antibody Mediated Rejection”: WTC poster July 2014.

2013 – 2014 Lamya Boujelbane: First year nephrology fellow – currently she is a Nephrologist at Aurora Healthcare, Milwaukee, Wisconsin “Effect of post-transplant crystal nephropathy on kidney transplant outcome”.

2013 – 2014 Robert Redfield: Second year surgical transplant fellow – currently he is a Professor of Surgery, Division chief of transplantation, University of California, Irvine “Single-center Experience of Paired Kidney Exchange: Effects on Outcomes with Variable Shipping Distance and Cold Ischemic Time”: WTC oral presentation July 2014.

2014 – 2015 Asjad Sardar: Transplant Fellow – currently he is Assistant Professor at University of Arizona, Tucson, Arizona “Pre-Kidney Transplant Left Ventricular Ejection Fraction and Long-term Allograft Function and Survival.”

2014 – 2015 Robert Redfield: Second year transplant surgical fellow - currently he is a Professor of Surgery and Division chief of transplantation, University of California, Irvine “Predictors and Outcomes of Delayed Graft Function after Living Donor Kidney Transplantation”.

2015 – 2016 Sudhair Muduganti: General Nephrology Fellow - currently he is a nephrologist at Gundersen Health System in La Crosse, Wisconsin “Crystal Nephropathy in a Kidney Transplant Recipient Due to Excessive Consumption of Oxalate Rich Diet and Vitamin C”.

- 2016 – 2017 Rungwasee Rattanavich: General Nephrology Fellow - currently Assistant Professor at Loma Linda University “Predictors of Post Kidney Transplant Crystal Nephropathy”.
- 2016 – 2017 Fahad Aziz: Transplant Fellow - currently Associate Professor and the general nephrology fellowship program director at University of Wisconsin-Madison “Association of BK and CMV Viremia with Pancreas Allograft Survival among Adults receiving Simultaneous Pancreas and Kidney Transplant: The Wisconsin Allograft Recipient Database (WisARD)”.
- 2018 – 2019 Samar Medani: Transplant Nephrology Fellow - currently General and Transplant Nephrologist in Ireland “Association of Induction Immunosuppression Agents with Incidence of Cytomegalovirus Infection Following Kidney Transplantation”.
- 2019 – 2020 Kurtis Swanson: General Nephrology Fellow - currently Assistant Professor at University of Wisconsin “Trend and Impact of Palliative care Referral among OPTN waitlisted Medicare & Medicaid Kidney Transplant Candidate Beneficiaries”.
