

## Curriculum Vitae of LUBERT STRYER

**Born:** March 2, 1938  
Tientsin, China  
U.S. Citizen                      Married, two children

### **Education:**

B.S. (with honors), University of Chicago, 1957  
M.D. (magna cum laude), Harvard University, 1961

### **Honors:**

American Chemical Society Award in Biological Chemistry (Eli Lilly Award), 1970  
Fellow, American Academy of Arts and Sciences (elected 1975)  
Member, National Academy of Sciences (elected 1984)  
National Lecturer, Biophysical Society, 1987  
American Association for the Advancement of Science Newcomb Cleveland Prize, 1992  
Honorary Doctor of Science degree, University of Chicago, 1992  
Distinguished Inventors Award, Intellectual Property Owners' Association, 1993  
Molecular Bioanalytics Award, German Society for Biochemistry and Molecular Biology, 2002  
European Inventor of the Year Award (2006)  
Member, American Philosophical Society (2006)  
National Medal of Science (2006)

### **Present Positions:**

Winzer Professor in the School of Medicine, Stanford University, 1976 –2004,  
and Professor of Neurobiology, 1993-2004. Emeritus, 2004-  
Chairman, Scientific Advisory Board, Affymetrix, Inc., 1993-

### **Previous Positions:**

Medical Advisory Board, Howard Hughes Medical Institute, 2005-2008  
Chairman, Bio2010 Committee, National Research Council, 2000-2002  
Chairman, Scientific Advisory Board, Senomyx, Inc., 2001-2008  
Chairman and Chief Scientific Officer, Senomyx, Inc., 1999-2001  
Board of Directors, McKnight Endowment for the Neurosciences, 1998-2007  
Board of Trustees, Helen Hay Whitney Foundation, 1996-2001  
Scientific Advisory Board, Steinbach Fund Program on Macular Degeneration, 1992-1998  
President and Scientific Director, Affymax Research Institute, 1989-1990  
Scientific Advisory Board, Jane Coffin Childs Memorial Fund, 1982-1990  
Chairman, Department of Structural Biology, Stanford School of Medicine, 1976-1979  
Professor of Molecular Biophysics and Biochemistry, Yale University, 1969-1976  
Assistant and Associate Professor of Biochemistry, Stanford School of Medicine, 1963-1969  
Helen Hay Whitney Research Fellow, 1961-1964  
Visiting Investigator, MRC Laboratory of Molecular Biology, Cambridge, England, 1962-1963  
Research Fellow in Physics, Harvard University, 1961-1962
