

**Name:** Philip A. Pizzo, M.D.

**Home Address:** 730 Frenchman's Road, Stanford, CA 94305

**Office Address:** 265 Campus Drive, G1078, Stanford CA 94305-5453

Ph: 650-725-2895 Fax: 650-723-4147

E-mail: [ppizzo@stanford.edu](mailto:ppizzo@stanford.edu)

**Place of Birth:** New York, NY

**Education:**

1966 B.A. (*Cum Laude*) Fordham University, Bronx, NY

1970 M.D. (*With Honors and Distinction in Research*) University of Rochester School of Medicine, Rochester, NY

**Honorary Degrees:**

1996 Sc.D. Fordham University, Bronx, NY

1996 M.A. Harvard University, Boston, MA

**Postdoctoral Training:**

Internships and Residencies:

1970-1971 Intern, Children's Hospital Medical Center, Boston, MA

1971-1972 Junior Assistant Resident, Children's Hospital Medical Center, Boston, MA

1972-1973 Senior Assistant Resident, Children's Hospital Center; Teaching Fellow, Harvard Medical School, Boston, MA

Clinical and Research Fellowships:

1973-1976 Clinical Associate, Pediatric Oncology Branch, National Cancer Institute, Bethesda, MD

**Licensure and Certification:**

1971 Diplomate, National Board of Medical Examiners

1975-1996 State of Maryland license

1975 Diplomate, American Board of Pediatrics

1976 Diplomate, Subspecialty of Hematology-Oncology, American Board of Pediatrics

1996-2001 Commonwealth of Massachusetts Board of Registration in Medicine, Expiration Date 12/06/01

2001- State of California Medical License

**Academic Appointments:**

1987- 1996 Professor of Pediatrics, USUHS, F. Edward Hebert School of Medicine, Bethesda, MD

1996- 2001	Thomas Morgan Rotch Professor and Chair, Department of Pediatrics, Harvard Medical School at Children's Hospital
1996- 2001	Associate Master, Cannon Society, Harvard Medical School
1996- 1999	Faculty Dean for Academic Programs at the Children's Hospital, Harvard Medical School, Boston, MA
2001- 2012	Dean, Stanford University School of Medicine, Stanford, CA
2001- 2012	Carl and Elizabeth Naumann Professor of Pediatrics and of Microbiology and Immunology, Stanford School of Medicine, Stanford, CA
2012 -	Professor of Pediatrics and of Microbiology and Immunology, Stanford School of Medicine, Stanford, CA
2013 -	David and Susan Heckerman Professor of Pediatrics and of Microbiology and Immunology, Stanford School of Medicine, Stanford, CA
2013 -	Founding Director, Stanford Distinguished Careers Institute

**Other Professional Positions and Major Visiting Appointments:**

1976-1980	Senior Investigator, Pediatric Oncology Branch, National Cancer Institute, Bethesda, MD
1980-1996	Head, Infectious Disease Section, Pediatric Branch, National Cancer Institute, Bethesda, MD
1981-1996	Chief of Pediatrics, National Cancer Institute, Bethesda, MD
1995-1996	Acting Scientific Director, Division of Clinical Sciences, National Cancer Institute, Bethesda, MD

**Awards and Honors:**

1962-1966	University Scholarships
1966	Phi Beta Kappa
1970	Alpha Omega Alpha
1966-1970	University Scholarship
1970	M.D. with Honors and Distinction in Research
1980	Commendation Medal, U.S. Public Health Service
1984	Accelerated Promotion to Medical Director, U.S. Public Health Service
1985	Meritorious Service Award, U.S. Public Health Service
1986	Myron Karon Memorial Lecturer
1987	Elected Member, American Society of Clinical Investigation
1989	Unit Commendation Award, U.S. Public Health Service
1989	Melissa Anne Krinsky Memorial Lecturer, Children's Hospital of Michigan
1989	Pediatric Infectious Disease Journal Visiting Professorship
1990	The Margaret Walsh Visiting Professorship, The Children's Hospital of Boston, MA

1990 First National Candlelight's Special Recognition Award

1990 Washingtonian-of-the-Year Award

1991 Fordham College Alumni Achievement Award

1991 A. Graeme Mitchell Visiting Professor of Pediatrics, The Children's Hospital Medical Center, National Cancer Institute

1991 Barbara Bohem Pfeifer Award for Scientific Excellence (in conjunction with the American-Italian Foundation for Cancer Research)

1992 Unit Commendation Award, U.S. Public Health Service

1992 Joseph St. Geme Visiting Professor of Pediatric Infectious Diseases, UCLA

1992- Citation, Best Doctors in America

1992 Fourteenth Michael J. Bert, M.D. Lecturer, Meharry Medical College, Nashville, TN

1994 Byrd Stuart Leavell Memorial Lecture, Virginia Society of Hematology-Oncology

1994 Plenary Lecturer, International Immunocompromised Host Society

1994 Graham and Jenny Watson Memorial Lecture, International Conference on Infections in the Immunocompromised Child, University Teaching Hospitals, Newcastle Upon Tyne, UK

1994 Speaker, Dedication and Celebration Symposium for the Hasbro Children's Hospital, Brown University School of Medicine, Providence, RI

1994 Citation, Best Doctors in America

1994 Plenary Lecturer, 25th Anniversary Celebration, Topicus Candetes en Medicina, Perinatal/Neonatal Pediatrica, Cindad Universitaria, Cardoba, Argentina

1994 Speaker, "Centennial Scientific Symposium, Tufts University School of Medicine and The Floating Hospital for Children

1995 Outstanding Service Medal, United States Public Health Service

1995 Starlight Award, The Children's Inn at National Institute of Health

1996 Special Recognition Award from The Director, National Cancer Institute

1996 Ninth Ben Abelson Memorial Professorship, Washington University, St. Louis, MO

1996 Special Proclamation of Career Accomplishments, from the National Cancer Advisory Board

1996 Philip A. Pizzo, M.D., Endowment for The Children's Inn at the National Institute of Health

1997 The Thirty-Eighth Samuel W. Clausen Lecturer, University of Rochester, School of Medicine and Dentistry

1997 Seventh Fowler Memorial Lecturer, Louisiana State University

1997 Seventh Herbert T. Abelson Professorship, Children's Hospital, University of Washington, Seattle, WA.

1997	Elected to the Institute of Medicine of the National Academy of Science
1998	Elected to the American Association of Physicians
2000	AOA Invited Lecturer, University of Chicago School of Medicine
2000	Hattie Alexander Lecturer, Columbia University College of Physicians & Surgeons, New York
2000	Wall-Copeland Lecturer, Children's National Medical Center
2000	Foundation Day Lecturer, Dublin, Ireland
2002	Larry Crowley Lecturer, Lucile Packard Children's Hospital
2002	First George L. Engel Memorial Lecturer on Medical Education, University of Rochester
2002	Lawrence G. Crowley Distinguished Lecturer, Lucile Packard Children's Hospital
2004	M. Eugene Lahey, M.D. Memorial Lecture, Primary Children's Medical Center, Salt Lake City, Utah
2008	Elizabeth Kubler-Ross Award, Children's Hospice International
2009	Ronald MacDonald Charities "Award of Excellence"
2012	Philipp M. Lippe, M.D. Award from American Academy of Pain Medicine (AAPM)
2012	John Howland Award, The American Pediatric Society (APS)
2013	John and Emma Bonica Public Service Award, American Pain Society
2014	The Marialuisa Ferrari lectureship for Life Award, James Cancer Hospital and Solove Research Institute of the Ohio State University

**Major Committee Assignments:**

National Institutes of Health:

1978-1981	Clinical Research Subpanel, National Cancer Institute
1978-1996	Infection Committee, Clinical Center, National Institute of Health
1980-1984	Representative, US-Italy Cancer Agreement
1982-1984	Member, Institutional Review Board
1982-1985	Awards Committee, DCT, National Cancer Institute
1984-1987	Transfusion Committee, National Institute of Health
1984-1996	Subcommittee Chairman, Pediatric Care Committee, The Clinical Center, National Institute of Health
1985-1986	Organizing Committee, Symposium Antibiotic Use and Resistance Worldwide
1986-1987	Promotion and Tenure Review Panel, National Cancer Institute

1987-1988 Chairman, Promotion and Tenure Review Panel, National Cancer Institute

1988-1996 Member, Pediatric Core Committee, Pediatric AIDS Clinical Trials Group, National Institute of Allergy and Infectious Disease

1994-1995 Search Committee for the Chief of the Inter-Institute Pediatric Unit, Warren Grant Magnuson Clinical Center, National Institute of Health

1995-1996 Search Committee for the Chief of Immunohematology, Warren Grant Magnuson Clinical Center, National Institute of Health

1995-1996 Chair, Pediatric Tenure Track Search Committee, Developmental Endocrinology Branch, National Institute of Child Health and Human Development

1995-1996 Board of Scientific Directors, National Institutes of Health

1995-1996 Executive Committee, National Cancer Institute

1996-1998 Task Force on AIDS Malignancies National Cancer Institute

2004-2005 Director, "Blue Ribbon Panel" on Conflict of Interest

2004- Director's Advisory Panel on Clinical Research

2014- Co-Chair of the Task Force to Review the National Children's Study that was appointed by the Director, NIH

Children's Hospital, Boston, MA

1996-2001 Chair, Department of Medicine

1996-2001 Physician-in-Chief

1996-2001 Member, Board of Trustees

1996-1999 Chairman, Research Executive Committee

1996-2001 Member, Research Executive Committee

1996-2001 Member, Operating Committee

1996-2001 Executive Committee, Children's Hospital Physicians Organization

1996-2001 Member, Finance Committee, Board of Trustees

1996-2001 Member, Medical Executive Committee Board of Trustees

1996-1998 Member, Ad Hoc Steering Committee

1996-2001 Chair, Committee on Academic Appointment and Promotions

1996-1997 Search Committee for the Vice President for Development

1996-1997 Member, Search Committee for the Chief of General Surgery and Surgeon-in-Chief

1997-1998 Member, Search Committee, Chief Investment Officer

1997-1998 Member, Search Committee, Chief Financial Officer

1998-2000 Member, Search Committee, Division of Infectious Diseases

1998-1999 Member, Search Committee, Chief Operating Officer and President

1998-2001 Member, Chairman of the Board's Task Force on Organization and Governance  
1999-2001 Member, Search Committee, Chief, Division of Pulmonary Medicine  
1999-2000 Member, Search Committee, CEO, Children's Hospital  
2000-2001 Member, Search Committee, Chief, Department of Pediatric Oncology, Dana Farber Cancer Institute

Harvard Medical School and University

1996-1998 Advisory Panel to the President for the Dean Search, Harvard Medical School  
1996-2001 Joint Executive Committee on Pediatrics, Harvard Medical School  
1996-1999 Council For Academic Deans, Harvard Medical School  
1998-2001 Member, Scientific Advisory Committee, Dana Farber Cancer Institute

Stanford University and School of Medicine

2001- 2012 Member, University Cabinet  
2001- 2012 Member, University Faculty Senate  
2001- 2012 Member, School of Medicine Faculty Senate  
2001- 2012 Chair, Executive Committee of the School of Medicine  
2001- 2003 Chair, Internal Governing Council for the Medical Center  
2001 -2012 Member, Cabinet and Executive Cabinet, Stanford University  
2001- 2002 Member, Search Committee, CEO, Stanford Hospital & Clinics  
2002- 2012 Member, Joint Planning Committee (with SHC)  
2013- Senior Scientific Advisor, Stanford Cancer Institute  
2014- Elected to the Advisory Board, Stanford University  
2015- Committee on The Year of Learning, Stanford University

Hospital Appointments

1976-1996 Attending Physician, Warren Grant Magnuson Clinical Center, National Institutes of Health, Bethesda, MD  
1982-1996 Chair, Pediatric Consultants Panel, Warren Grant Magnuson Clinical Center, National Institutes of Health, Bethesda, MD  
1980-1996 Director, Infectious Disease Service, National Cancer Institute, Bethesda, MD  
1991-1996 Co-Director, Combined National Cancer Institute-National Institute of Allergy and Infectious Disease Infectious Disease Service, Warren Grant Magnuson Clinical Center, National Institutes of Health, Bethesda, MD  
1992-1996 Attending Physician, National Naval Medical Center, Bethesda, MD  
1995-1996 Clinical Director, National Cancer Institute, National Institutes of Health, Bethesda, MD

1996-2001	Physician-in-Chief and Chairman of Medicine, Children's Hospital, Boston, MA
2001- 2012	Member, Board of Directors, Stanford Hospital & Clinics
2001- 2012	Member, Board of Directors, Lucile Packard Children's Hospital
2001- 2012	Member, Finance Committee, Lucile Packard Children's Hospital
2001- 2012	Member, Finance Committee, Stanford Hospital & Clinics
2001- 2012	Member, Credentials Committee, Stanford Hospital & Clinics
2001- 2012	Member, Nominating and Governance Committee, Stanford Hospital & Clinics
2001- 2012	Member, Nominating & Governance Committee, Lucile Packard Children's Hospital
2002- 2012	Member, SHC Facilities & Strategic Planning, SUMC Board Committees, Stanford Hospital & Clinics
2002-	Member, Active Medical Staff, Stanford Hospital and Clinics
2002-	Attending Physician, Stanford Hospital & Clinics, Stanford, CA
2002-	Attending Physician, Lucile Packard Children's Hospital, Stanford, CA
2003- 2012	Member, Quality Assurance Committee, Stanford Hospital & Clinics
2003- 2012	Member, Community Relations and Development Committee
2010-	Member, Program & Partnerships Committee, The Lucile Packard Foundation for Children's Health

### **National and International Committees and Offices**

#### ***Elizabeth Glaser Pediatric AIDS Foundation***

1989 - 1995	Health Advisory Board
1996 - 2006	Board of Directors
2002 – 2006	Vice Chair, Board of Directors

#### ***Infectious Disease Society of America***

1982	Elected Fellow
1987 – 1990	Publications Committee
1988 – 1994	Member Committee on Aids
1996 – 1999	Counselor, Board of Directors

#### ***American Society of Clinical Oncology***

1983 - 1984	Program Committee
1984 - 1988	Membership Committee
1986 - 1987	Education Committee
1990 - 1991	Local Arrangement Committee
1992 - 1995	Awards Committee
1992 - 1995	Chair, Nomination Committee
1996 – 1999	Member, Board of Directors

***International Immunocompromised Host Society***

1983 - 1984            Program Committee  
1985 - 1986            Program Committee  
1994 - 1996            Vice-President  
1996 - 1998            President Elect  
1998 - 2000            President

***Foundation for the National Institutes of Health***

2003 - 2010            Member of the Board of Directors

***California Health Care Institutes***

2003 - 2009            Member of the Board of Directors

***Institutes of Medicine of the National Academy of Sciences***

1997 -                    Elected Member  
1999 – 2002            Member, Health Science Policy Board  
2002 – 2005            Chair, Health Science Policy Board  
2006 – 2012            Council Member  
2011 – 2012            Chair, Committee on Relieving Pain in America  
2012 –                    Co-chair, Committee on Transforming End-of-Life Care

***Association of Academic Health Centers***

2006 - 2011            Member, Board of Directors  
2008 - 2009            Chair-Elect, Board of Directors  
2009 - 2011            Chair, Board of Directors

***American Association of Medical Colleges***

2004 - 2012            Administrative Board, Council of Deans  
2006 - 2008            Executive Committee  
2009 - 2010            Chair-Elect, Council of Deans  
2009 - 2011            Member, Board of Directors  
2010 - 2011            Chair, Council of Deans

***The University of Rochester***

2009 –                    Member, Board of Trustees  
2010-                    Chair, Health Affairs Committee  
2010-                    Executive Committee, Board of Trustees

***Koc University, Turkey***

2010 -                    Member, Board of Governors

***Ludwig Institute For Cancer Research, Ltd.***

2014-                    Member, Board of Directors

***The Pew Charitable Trusts***

2012 - 2013            Member, Expert Task Force of PACME

***Qatar Foundation***

2013 - 2015            Chair, Scientific Advisory Committee, Qatar Biosciences Research Institute  
2013 -                    International Advisory Board to Qatar University

***MRI Interventions***

2013- Board of Directors

***Merritt Hawkins***

2014- Academic Advisory Council

***Milken Institute***

2015- Member, Advisory Board, Milken Center for the Future of Aging

***Other National and International Committees and Offices***

1981-1983 Advisory Panel to the Hospital Infections Committee, Center for Disease Control for the 3rd Edition of Hospital Isolation Manual

1981-1983 Ad Hoc Panel on Current Cancer Therapies, American Medical Association

1981-1985 Communications Strategy Committee, The American Society of Pediatric Hematology/Oncology

1982-1996 Medical Director, Camp Fantastic

1982-1986 National Advisory Committee on Pediatric Oncology, American Cancer Society

1984-1990 Advisory Board, St. Francis Center, Washington, DC

1984-1990 Advisory Panel, Children's Hospice Services, Department of Health and Human Services

1985-1996 Scientific Advisory Board, The William Guy Forbeck Foundation

1985-1990 International Advisory Council Cancer Institute, Children's Hospice International

1986-1987 Work Study Group on Adolescents and Young Adults with Cancer, American Cancer Society

1986-1988 Member, National Advisory Committee on Childhood Cancer, American Cancer Society Program Committee

1988-1992 Member, Secretary's Task Force on HIV Infection in Children

1988-1996 Board of Directors, Children's Inn, Inc.

1988-1995 Scientific Advisory Board, Children's Hospice International

1988-1989 Scientific Advisory Board, AIDS Program, National Institute of Allergy and Infectious Diseases

1989-1996 Scientific Advisory Board, Pediatric Section, American Federation for AIDS Research

1990-1993 Member, PHS Task Force on AIDS in Women and Children

1990-1992 Member, PHS-National HIV Resource Center Committee for developing guidelines for the prophylaxis of *Pneumocystis carinii* in HIV-infected children

1990-1993 Clinical Research Subcommittee of the AIDS Research Advisory Committee (ARAC)

1991-1992 Chairman, Task Force on Guidelines for Antiretroviral Therapy of Infants and Children

1993-1996	Member, Women in Infectious Disease Task Force, Infectious Disease Society of America
1992-1996	Board of Directors, Special Love, Incorporated
1992-1996	Member, HIV Vaccine Working Group, National Institute of Allergy and Infectious Disease
1993-1996	Advisory Committee for Subspecialty Training in Pediatric Hematology-Oncology, Accreditation Council for Graduate Medical Education
1994-1995	Member, Center for Disease Control-National HIV Resource Center Committee for revised guidelines for <i>Pneumocystis carinii</i> in HIV-infected children
1992-1994	Task Force for Revised Classification System for Human Immunodeficiency Virus Infection in Children Less than 13-Years of Age, Center for Disease Control
1993-2000	Consultant, Center for Drug Evaluation and Research, Food & Drug Administration
1995-2001	Selection Committee, Elizabeth Glaser Scientist Award
1995-1997	Member, National Institute of Health Director's Panel on Clinical Research
1996	Member, International Scientific Committee for the XIth International Conference on AIDS
1997-2001	Scientific Advisory Board, Charles Hood Medical Foundation
1997- 2001	Scientific Advisory Board, Charles Hood Medical Foundation
1997-2006	Chairman, Selection Committee, Samuel Rosenthal Foundation Award for Excellence in Academic Pediatrics
2004-2005	Member, NIH Blue Ribbon Panel on Conflict of Interest, National Institutes of Health
2004- 2012	Member, Independent Citizens' Oversight Committee for the California Institute of Regenerative Medicine
2010-2011	Chair, IOM Committee on Relieving Pain in America
2012	Co-Chair, IOM Committee on Transforming the End of Life

**Memberships In Professional Societies:**

1976 -	American Society of Clinical Oncology
1976 -	American Society of Hematology
1977 -	American Association for the Advancement of Science
1978 -	American Association for Cancer Research
1978 -	American Federation of Clinical Research
1978 -	American Society of Microbiology
1980 -	Fellow, American Academy of Pediatrics
1980 -	International Immunocompromised Host Society

1982 - American Society of Pediatric Hematology/Oncology  
 1982 - Fellow, Infectious Disease Society of America  
 1984 - Society for Pediatric Research  
 1985 - Pediatric Infectious Disease Society  
 1987 - American Society for Clinical Investigation  
 1995 - American Pediatric Society  
 1997 - Institute of Medicine of the National Academy of Sciences, National Academy of Medicine  
 1998 - Association of American Physicians

**Editorial Boards:**

1980-1983 Associate Editor, Cancer Treatment Reports  
 1984-2001 Associate Editor, Pediatric Infectious Disease  
 1985-1990 Editorial Board, Mycology Observer  
 1982-1983 Editorial Board, Physician Desk Query  
 1986-1990 Editorial Board, Physician Desk Query  
 1987-2003 Editorial Advisory Board, Infectious Diseases in Children  
 1989-1996 Editorial Board, Antimicrobial Agents and Chemotherapy  
 1989-1991 Editorial Board, PREP-American Academy of Pediatrics  
 1990-2005 Editorial Board, Clinical Infectious Diseases  
 1990-1996 Editorial Board, Pediatric AIDS and HIV Infection: Fetus to Adolescent  
 1994-2001 Editorial Board, Clinical Cancer Research  
 1997-2001 Associate Editor, Pediatric Transplantation  
 2014- Editor-in-Chief, Current Opinions in Pediatrics

**Major Research Interests:**

1. Diagnosis, management and prevention of infections in the cancer compromised host
2. Childhood Cancer
3. Pediatric AIDS
4. Role of immunoregulatory agents and biological modifiers in bolstering host defenses following immunosuppressive therapy in both *in vivo* and *in vitro* model systems
5. Clinical Research

**Research Funding Information:**

Support from the National Cancer Institute, Intramural Research Program:

Competed for and managed the intramural funding line for the Pediatric Branch since 1982; including basic and clinical research programs in pediatric oncology, infectious diseases and pediatric AIDS

Developed and oversaw the intramural budget for the Division of Clinical Sciences for the National Cancer Institute; program includes approximately 900 employees, including 120 tenured Principal Investigators and serves as a focus for all clinical research within the National Cancer Institute's intramural program

Facilitated and Coordinated Grant Support:

Children's Cancer Foundation	FY'95
Office of Minority Affairs [National Institute of Health]	FY'94-FY'96
National Cancer Institute Gift Fund [Resources from multiple industrial sources to support studies in infectious diseases]	FY'85-FY'95
Clinical Trial Agreements to fund support personnel for clinical trials	
Glaxo-Wellcome Inc.	FY'92-FY'95
Merck, Inc.	FY'95-FY'96
Abbott Laboratories	FY'95-FY'96
Adria/Pharmacia	FY'90-FY'93
Myers/Squibb	FY'95
Principal Investigator NIH-NICHHD- 2 P30 HD27805-07 Child Health Research Center	9/30/90-11/30/01
Principal Investigator NIH-NCRR 5 M01 RR02172-16 General Clinical Research Center	1998-2003
Principal Investigator The Lucille P. Markey Charitable Trust Grant #92-1 The Markey Child Health Research Center	07/01/97 indefinite extension
Principal Investigator Charles H. Hood Foundation Hood Developmental Biology Fund	08/01/94-12/31/98 (extension)
Principal Investigator Stanford University General Clinical Research Center	2001-2008

**Major Administrative and Clinical Responsibilities:**

1980-1996	Head, Infectious Disease Section, National Cancer Institute (responsible for the scientific and clinical work of a research group that grew from two FTEs in 1980 to over 30 in 1995)
-----------	---

1982-1996	Chief of Pediatrics, National Cancer Institute (responsible for the scientific, clinical and educational programs in pediatric hematology/oncology; this program has grown from less than 20 individuals in 1982 to approximately 150 in 1995)
1995-1996	Acting Director, Division of Clinical Sciences, National Cancer Institute (includes serving as both the Clinical and Scientific Director for a division of approximately 900 individuals, a direct operating budget of \$91M, and oversight over 130, 000 sq. ft. of research space as well as 147 in-patient beds and extensive outpatient facilities)
1996- 2001	Chair, Department of Medicine, Children's Hospital, Boston, MA
1996- 2001	Physician-in-Chief, Children's Hospital, Boston, MA
2001 -2012	Dean,Stanford University School of Medicine

### **Self Report Of Teaching:**

#### Regional, National and International Contributions

*Weekly teaching rounds* with fellows in pediatric oncology at the National Cancer Institute

*Weekly teaching rounds* with fellows in infectious diseases at the National Institute of Health

*Grand Rounds and Seminars* at major medical centers throughout the USA

#### *Board Review Courses*

Pediatric hematology/oncology, pediatric infectious diseases as well as adult oncology, hematology and infectious diseases

#### *Meet-the-Professor*

Sessions sponsored by the American Academy of Pediatrics, American College of Physicians, American Society of Clinical Oncology, American Society of Hematology, Infectious Disease Society of America

#### *Lectures and Symposia*

Invited lectureships by National and International Societies in Pediatrics, Infectious Diseases, Hematology/Oncology.

#### *Children's Hospital Activities*

Senior Rounds, daily  
Intern Rounds, weekly  
HMS III Rounds, weekly

#### *Stanford Hospital Activities*

Stanford Pediatric Rounds, weekly  
Stanford Dean's Rounds, monthly

## Mentoring and Advising Responsibilities.

Contributor to the training of medical students and residents [as well as, to the training of Nurse Practitioners and Research Nurses] who have rotated through the Pediatric Branch of the National Cancer Institute in Hematology-Oncology (\*) and/or Infectious Diseases/Pediatric AIDS Research (†)

Listed below are the positions (as of 1995) of Postdoctoral and Junior Faculty Physicians trained by Dr. Pizzo:

\*Stephan K. Ladisch, M.D. '78  
Professor of Pediatrics, Biochemistry & Molecular Biology Director, Center for Cancer & Transplant Biology, Children's National Medical Center

\*Richard S. Ungerleider, M.D. '78  
Chief, Clinical Investigations Branch, CTEP, National Cancer Institute, National Institute of Health

\*Lawrence F. Cohen, M.D. '79  
Pediatrician, Clinical Professor of Pediatrics, George Washington University

\*Jane Grayson, M.D. '79  
Chief, Radiation Oncology, Northern Virginia Cancer Center, Alexandria Hospital

\*Gregory H. Reaman, M.D. '79  
Professor of Pediatrics, Chairman, Dept. Hematology/Oncology, Children's National Medical Center, The George Washington University School of Medicine & Health

\*Udo Bode, M.D. '80  
Professor of Pediatrics, Dept. Pediatric Hematology/Oncology University Bonn, Children's Hospital, Germany

Edwin C. Douglass, M.D. '80  
Director, Clinical Oncology, St. Christopher's Hospital, Professor, Dept. of Pediatrics, Temple Univ. School of Medicine

\*Jonathan M. Ducore, M.D. '80  
Associate Professor of Pediatrics Hematology/Oncology, Dept. of Pediatrics UCDMC

\*Allen I. Oliff, M.D. '80  
Executive Director, Department of Cancer Research, Merck Research Labs

\*Giovanna Tosato, M.D. '80  
Director, Division of Hematologic Products, Office of Therapeutics, Research & Review, Center for Biological Evaluation and Research Food and Drug Administration

\*Julie Blatt, M.D. '81  
Professor of Pediatrics, University of North Carolina

\*Joseph Gootenberg, M.D. '81  
Director, Pediatric Hematology/Oncology, Division of Pediatric Oncology,  
Lombardi Cancer Research Center, Georgetown University School of  
Medicine

\*Marc Horowitz, M.D. 81  
Professor of Pediatrics, Texas Children's Cancer Center

\*Michael Trigg, M.D. '81  
Director of Pediatrics, Bone Marrow Transplantation; Professor of  
Pediatrics, University Iowa Hospitals & Clinics

\*Ernest Hamel, M.D. '83  
Senior Investigator, Laboratory of Molecular Pharmacology Branch,  
Developmental Therapeutics Program, National Cancer Institute

\*† John Hiemenz, M.D. ' 84  
Associate Professor of Medicine, H. Lee Moffitt Cancer Center, University  
of South Florida

\*Mark A. Israel, M.D. '84  
Professor, Department of Neurological Surgery and Pediatrics, The Preuss  
Laboratory for Molecular Neuro-Oncology, Brain Tumor Research Center,  
Dept. of Neurosurgery, University of California at San Francisco

\*Giriyappa Srinivasan, M.D. '84  
Radiation Oncologist, Department of Radiation Oncology, Camden Clark  
Memorial Hospital

\*Frank M. Balis, M.D. '84  
Head, Pharmacology & Experimental Therapeutics Section, Pediatric  
Branch, National Cancer Institute

\*Ilan R. Kirsch, M.D. '85  
Chief, Acquired Gene Rearrangement Section, National Cancer Institute

\*† James Hathorn, M.D. '85  
Department of Medicine, Divisions of Infectious Diseases and Cancer  
Center, Duke University Medical Center

† Jane Skelton, M.D. '85  
Division of Infectious Diseases and Medical Oncology, University of  
Montreal

\*Christopher T. Denny, M.D. '86  
Associate Professor of Pediatrics, Division of Pediatric Hematology/  
Oncology, University of California at Los Angeles

†Deborah Cotton, M.D. M.P.H. '86  
Professor Medicine, Boston University

\*Lee J. Helman, M.D. '86  
Chief, Pediatric Oncology Branch, National Cancer Institute

\*Karen J.[Chayt] Marcus, M.D. '86,  
Chief of Pediatric Radiation Therapy, Dana Farber Cancer Institute

\*John T. Sandlund, M.D. '87  
Associate Member of Dept. of Hematology/Oncology , St. Jude Children's  
Research Hospital

\*Carola A. Arndt, M.D. '87  
Consultant, Mayo Clinic, Assistant Professor, Department of Pediatrics,  
Mayo Clinic

\*Carolyn A. Felix, M.D. '87  
Associate Professor of Pediatrics, Division of Oncology, The Children's  
Hospital of Philadelphia

\*S. Percy Ivy, M.D. '87  
Senior Investigator, Investigational Drug Branch, National Cancer Institute

\*Nita L. Seibel, M.D. '87  
Associate Professor of Pediatrics, George Washington University School of  
Medicine; Attending Physician, Dept. Hematology-Oncology, Children's  
National Medical Center

†Michael Thaler, M.D. '87  
Division of Infectious Diseases, Sheba Medical Center, Tel-Hashomer, Israel

\*Francisco J. Barriga, M.D. '88  
Instructor, Division of Pediatric Hematology/Oncology, Universidad  
Catolica de Chile, Chile

\*Pamela S. Cohen, M.D. '88  
Assistant Professor of Pediatrics, Division of Pediatric  
Hematology/Oncology, North Shore University Hospital, Cornell Medical  
College, New York

\*Peter F. Daly, M.D. '88  
Adjunct Member, Picower Institute, Chief of Pediatrics, Health Maintenance  
America

\*Richard L. Heideman, M.D. '88  
Associate Member and Associate Director, Dept. of Hematology-Oncology,  
St. Jude Children's Hospital

\*Jeffrey A. Moscow, M.D. '88  
Assistant Professor of Pediatrics, University of Kentucky

†Diamon Gandji, M.D. '88,  
Department of Oncology, Free University, Brussels, Belgium

†Thomas J. Walsh, M.D. '88  
Chief, Infectious Disease Section, Pediatric Branch, National Cancer  
Institute

†Judy Falloon, M.D. '89  
Senior Investigator, Infectious Disease Service, National Institute of Allergy  
and Infectious Disease

\*Bruce T. Shiramizu, M.D. '89  
Assistant Professor, University of Hawaii

\*Lorraine A. Cazenave, M.D. '89  
Senior Investigator, Developmental Chemotherapy Section, Investigational  
Drug Branch, Cancer Therapy Treatment Evaluation Program, National  
Cancer Institute

\*†Julius A. Lecciones, M.D. '89  
Assistant Professor, Philippines General Hospital, University of the  
Philippines System, Manila, Philippines

\*Charles S. Morrow, M.D. Ph.D. '89  
Assistant Professor, Dept. of Biochemistry, Wake Forest University Medical  
Ctr.

\*Peter C. Adamson, M.D. '90  
Associate Professor of Pediatrics, University of Pennsylvania, Children's  
Hospital of Philadelphia

†Karina Butler, M.D. '90  
Faculty of Pediatrics, University of Dublin, Ireland

\*Abdallash Al-Nasser, M.D. '90  
Consultant, Section of Pediatric Oncology Department of Oncology,  
Kingdom of Saudi Arabia, King Faisal Specialist Hospital & Research  
Center, Saudi Arabia

\*†Marc Rubin, M.D. '90  
Vice President & Worldwide Director of Therapeutic Development &  
Product Strategy, Glaxo-Wellcome

\*Peter D. Aplan, M.D. '90  
Cancer Research Pediatrician, Assistant Professor of Pediatrics and  
Microbiology, Department of Pediatrics, Roswell Park Cancer Institute

\*†Shizuko Sei, M.D. '90  
Senior Scientist, HIV Clinical Interface Laboratory, National Cancer  
Institute

- †Alison Freifeld, M.D. '90  
Associate Professor, Infectious Diseases, Department of Medicine,  
University of Nebraska School of Medicine
- \*Luke J. Whitesell, M.D. '90  
Assistant Professor of Pediatrics, Dept. of Hematology/Oncology, The  
University of Arizona Health Sciences Center
- †Robert Husson, M.D. '90  
Assistant Professor of Pediatrics, Division of Infectious Disease, Children's  
Hospital, Harvard Medical School
- †Linda Lewis, M.D. 90  
Associate Professor of Pediatrics, Uniformed Services University for the  
Health Sciences; Senior Staff, Food & Drug Administration
- \*Giuseppe Todeschini, M.D. '90  
Associate Professor of Medicine, University of Verona, Italy
- \*Stacey L. Berg, M.D. '91  
Assistant Professor, Department of Pediatrics, Baylor College of Medicine,  
Texas Children's Hospital
- \*Gary D. Crouch, M.D. '91  
Pediatric Oncologist, Kessler Air Force Base
- \*Cynthia E. Herzog, M.D. '91  
Faculty Associate, University of Texas, M.D. Anderson Cancer Center
- \*Malcolm A. Smith, M.D. '91  
Head, Pediatric Section, Clinical Investigations Branch, National Cancer  
Institute
- \*Leonard H. Wexler, M.D. '91  
Assistant Professor of Pediatrics, Cornell University and Memorial Sloane  
Kettering Institute
- †Stephen Chanock, M.D. '91  
Senior Investigator, Infectious Disease Section, Pediatric Branch, National  
Cancer Institute
- †Miriam Weinberger, M.D. '91  
Department of Internal Medicine & Infectious Diseases, Beilinson Medical  
Center, Petah-Tikva, Israel
- †Steven Zeichner, M.D. Ph.D. '91  
Senior Investigator, Infectious Disease Section, Pediatric Branch, National  
Cancer Institute

- \*Crystal L. Mackall, M.D. '92  
Senior Clinical Investigator, Transplant Immunology Section, Experimental Immunological Branch, National Cancer Institute
- \*†Brigitta U. Mueller, M.D. '00  
Associate Professor of Pediatrics, Baylor College of Medicine
- \*Craig A. Mullen, M.D. Ph.D. '92  
Assistant Professor, Division of Pediatrics, University of Texas, M.D. Anderson Cancer Center
- \*Aziza T. Shad, M.D. '92  
Assistant Professor of Pediatrics, Department of Pediatrics, Division of Pediatric Hematology/Oncology, Georgetown University Medical Center
- †Emmanuel Roilides, MD, Ph.D. '92  
Assistant Professor of Pediatrics, Aristotelian University School of Medicine, Thessolika, Greece
- \*†Barry D. Anderson, M.D. Ph.D. '93  
Assistant Professor of Pediatrics, Georgetown University  
Investigator, Cancer Treatment Evaluation Program, National Cancer Institute
- †Tore Abrahamsen, M.D. Ph.D. '93  
Department of Pediatrics, Rikshospitale, University Hospital, Oslo, Norway
- \*Janet L. [Johnson] Franklin, M.D. '93  
Assistant Professor of Pediatrics, Dept. of Hematology/Oncology, Children's Hospital of LA
- \*†Steven Hirschfeld, M.D. Ph.D. '93  
Medical Officer, Division of Oncology Drug Products, Food & Drug Administration
- \*John J. Letterio, M.D. '93  
Investigator, Pediatric Branch and Laboratory of Chemoprevention, National Cancer Institute
- \*Maria Velez-Yanguas, M.D. '93  
Assistant Professor of Pediatrics, Louisiana State University, Dept. Pediatrics
- †Gareth Tudor-Williams, M.R.C.P. '94  
Division of Infectious Diseases, St. Mary's Hospital and Medical School, London, UK
- \*Bilijana Novakovic, M.D. '94  
Assistant Professor of Pediatrics, Georgetown University Hospital

- \*Mahendra Patel, M.D. '94  
Assistant Professor of Pediatrics, Uniformed Services University of the Health Sciences
- \*Jeffrey A. Toretsky, M.D. '94  
Assistant Professor, Department of Pediatrics and Program in Oncology, University of Maryland
- \*Michael Weintraub, M.D. '94  
Research Assistant Professor of Pediatrics, Uniformed Services University of the Health Sciences
- \*Shai Israeli, M.D. '95  
Assistant Professor, Hadassah Medical School
- \*Theodor Schulte, M.D. '95  
Research Fellow, Medicine Branch, National Cancer Institute
- \*Ashok Raj, M.D. '95  
Research Fellow, Lymphoma Biology Section, Pediatric Branch, National Cancer Institute
- \*†Jon Wigginton, M.D. '95  
Research Fellow, Frederick Cancer Research Center & Pediatric Branch, National Cancer Institute
- \*Brigitte Widemann, M.D. '95  
Research Fellow, Pharmacology & Experimental Therapeutics Section, Pediatric Branch, National Cancer Institute

Individuals I have mentored as Chief Residents at Children's Hospital during my Tenure in Boston

1996-1997	Lauren Smith, M.D Gregory Priebe, M.D
1997-1998	Laurie Armsby, M.D David Weinstein, M.D
1998-1999	Sarah Wood, M.D Ian Davis, M.D
1999-2000	Andrew Koh, M.D
1999-2000	Lawrence Rhein, M.D
2000-2001	Kelly Cant-Wade, M.D
2000-2001	Thomas Sandora, M.D

Other Mentees in Boston

Sarah Alexander, M.D., Instructor in Pediatrics, Harvard Medical School. Now a faculty member at the Toronto Sick Children's Hospital

1. Roghmann K, Pizzo PA, Guyer B, Graham E, Graham D, Guyer B, Harris P. The pediatric internship as a teaching technique: Comparison of learning experiences in five hospitals. *Pediatr* 1975;56:239-45.
2. Alter HJ, Chalmers TC, Freeman BM, Lunceford JL, Lewis TL, Holland PV, Pizzo PA, Plotz PH, Meyers WJ III. Health-care workers positive for hepatitis B surface antigen: Are their contacts at risk? *N Engl J Med* 1975;292:454-7.
