He/him/his | (847) 826 - 5927 | justinzaslavsky@gmail.com | [Google Scholar](#)

SUMMARY STATEMENT

Resident pediatric physician (PGY-1) with clinical interests in critical care and correctional health. Experienced in public health, health policy, and clinical research across federal, academic, and community settings. Dedicated to advancing equity and justice through patient-centered advocacy, interdisciplinary collaboration, and culturally-responsive, systems-level change.

EDUCATION

George Washington University School of Medicine and Health Sciences May 2026
Washington, DC
Doctor of Medicine (MD), Scholarly Concentration in Community and Urban Health
Gold Humanism Honor Society Inductee

George Washington University Milken School of Public Health May 2026
Washington, DC
Graduate Certificate in Clinical Research and Practice

New York City Emergency Management Academy February 2020
New York, NY
Emergency Management Certificate Program

Tufts University May 2019
Medford, MA
Bachelor of Arts (BA): Community Health, Philosophy (minor)
Magna Cum Laude with Highest Thesis Honors

POSTGRADUATE TRAINING

Stanford University Health Care June 2026-June 2029 (*expected*)
Stanford, CA
Pediatrics Residency

PROFESSIONAL EXPERIENCE

WELLCON, Inc.
Salt Lake City, UT
Contractor April 2026-Present

- Assisted in the preparation of expert witness testimony by conducting detailed clinical reviews of medical records for litigation regarding correctional healthcare.
- Engineered Python scripts and AI-driven workflows to audit over 80,000 pages of medical records, streamlining data synthesis and analysis for large-scale medical-legal consulting.

United States Centers for Disease Control and Prevention (CDC), *Special Populations Team*

Atlanta, GA

Intern

June 2023-December 2023

- Delivered targeted epidemiological guidance and situational analysis to correctional health staff during communicable disease outbreaks for containment and response.
- Partnered with cross-jurisdictional agencies to draft, evaluate, and implement operational health policies tailored to carceral systems.
- Developed comprehensive training and procedural guides for correctional healthcare professionals to promote compliance with evolving public health standards.

New York City Emergency Management, *Office of Strategic Operations*

New York, NY

Consultant

May 2020-March 2021

- Administered procurement oversight for disaster relief operations, directing strategy and compliance for over \$1.6 billion in on-call emergency contracts across 21 categories.
- Contributed to rapid agency mobilization during high-impact emergencies, including structural hazards, multi-unit residential fires, and COVID-19 surge operations.
- Evaluated emergency logistics workflows and advised on systems-level improvements to optimize response coordination.

New York City Department of Citywide Administrative Services, *NYC Urban Fellows Program*

New York, NY

2019-2020 New York City Urban Fellow

August 2019-May 2020

- Designed and launched an internal Innovation Unit focused on modernizing emergency planning frameworks, integrating data-informed strategies into incident management.
- Supported NYC's COVID-19 Planning Section, coordinating large-scale PPE distribution and operationalizing alternate care sites to expand surge medical capacity.
- Delivered situational briefings to City Hall leadership and municipal policymakers, translating complex emergency operations data into actionable guidance.

RESPOND, Inc., *Survivors of Abuse Feeling Empowered for Re-Entry (SAFER) Program*

Boston, MA

Shelter Supervisor

January 2018-June 2019

- Directed day-to-day shelter operations for multi-family residents affected by domestic violence, ensuring safe housing continuity and trauma-informed support services.
- Oversaw crisis hotline triage and response protocols, maintaining 24/7 service accessibility and coordinating immediate interventions in high-risk cases.
- Ensured adherence to municipal and state reporting mandates, managing case documentation, incident logs, and compliance audits to uphold regulatory standards.

Certified Domestic Violence Counselor

August 2018-June 2019

- Delivered individualized case management for incarcerated clients navigating intersecting legal, housing, and healthcare challenges related to domestic abuse.

- Provided courtroom accompaniment and legal system navigation, ensuring continuity of care and client-centered advocacy throughout judicial proceedings.
- Facilitated individual and group counseling sessions using evidence-informed modalities, addressing the psychological impact of abuse and promoting long-term behavioral health.

Tufts Emergency Medical Services, Tufts University

Somerville, MA

Emergency Medical Technician (EMT-B)

October 2016-June 2019

- Delivered frontline pre-hospital care through 911 dispatch response, stabilizing patients across a range of acute medical and trauma incidents in urban and event-based settings.
- Led field operations during assigned shifts, directing scene safety, patient triage, and coordination with fire services for integrated emergency response.
- Maintained clinical documentation through detailed charting, adhering to state EMS regulatory standards, and contributing to quality assurance reviews.

Community Relations Officer

January 2017-December 2017

- Launched the 'Tufts First Aid Kit Project,' a campus-wide preventive health initiative to increase access to essential medical supplies among incoming undergraduate students.
- Assessed student health needs and coordinated procurement of clinically relevant items, reinforcing early engagement in personal health management and injury prevention.
- Monitored utilization trends and solicited feedback to inform future outreach efforts and support broader campus public health education strategies.

Tufts Hillel

Medford, MA

Senior Community Building Fellow

August 2018-May 2019

- Held a senior leadership position to oversee the onboarding of twenty-five new fellows.
- Coordinated training sessions for fellows to foster comfort and cross-functional collaboration.
- Provided individualized support and conflict resolution guidance, contributing to a psychologically safe and performance-driven community of practice.

Community Building Fellow

August 2017-May 2018

- Participated in the Tufts Hillel Community Building Initiative, fostering peer-to-peer engagement to strengthen social cohesion and student well-being.
- Facilitated inclusive dialogues and campus programs that addressed identity, belonging, and communal care within a diverse university population.
- Supported outreach strategies to identify and engage underrepresented student groups, promoting equitable access to community-based resources.

Physicians for Human Rights (PHR), *Program on Sexual Violence in Conflict Zones*

Boston, MA

Intern

May 2017-August 2017

- Conducted in-depth research and authored analytical reports on intersections between legal frameworks, clinical practice, and human rights violations in priority regions.
- Developed standardized training modules for medical professionals conducting forensic evaluations of torture and ill-treatment, ensuring alignment with international protocols.
- Integrated multidisciplinary perspectives into educational content to advance clinical objectivity, procedural fairness, and survivor-centered evaluation practices.

RESEARCH EXPERIENCE

George Washington University School of Medicine and Health Sciences

Washington, DC

Advisor: Newton Kendig, MD, Jillian Catalanotti, MD, MPH

Student Leader

April 2024-Present

- Awarded Alpha Omega Alpha National Medical Student Service Leadership Grant to design and implement a harm reduction curriculum for individuals before release from jail.
- Founded and led an interdisciplinary student team; established and facilitated a Community Advisory Board to co-develop a trauma-informed, evidence-based curriculum.
- Piloted a four-module harm reduction curriculum in a local jail and evaluated medical students' shift in knowledge, attitudes, and beliefs around incarceration and substance use.

Children's National Hospital, *Department of Emergency Medicine*

Washington, DC

Advisor: Caleb E Ward, M.B.B.Chir., M.P.H.

Research Assistant

June 2023-August 2023

- Performed qualitative data analysis on stakeholder interviews to evaluate perceptions of non-transport EMS disposition strategies within emergency medical systems.
- Identified and interpreted thematic patterns across transcripts from EMS personnel, physicians, and administrators to inform system-level decision-making and policy development.

George Washington University Hospital, *Department of Emergency Medicine*

Washington, DC

Advisor: Kevin Durgun, MD

Research Assistant

December 2022-June 2023

- Conducted retrospective chart review of emergency department patients presenting with law enforcement-related injuries to examine clinical characteristics and patterns of documentation.
- Evaluated de-identified patient data to analyze demographic trends, types of injuries sustained, and the consistency of reporting practices across provider teams.

NYU Langone Health, *Department of Obstetrics and Gynecology*

New York, NY

Advisor: Kathy Huang, MD

Clinical Research Coordinator

May 2020-June 2022

- Coordinated clinical research projects examining integrative care utilization, OB/GYN provider responses to sexual trauma, postoperative ketamine protocols, and surgical scheduling optimization using machine learning.
- Supported the expansion of the Endometriosis Center through the development of non-clinical programming, including patient support groups, guided meditations, and educational webinars to improve patient engagement.

Northwestern Feinberg School of Medicine, *Center for Food Allergy and Asthma Research*

Chicago, IL

Advisors: Ruchi Gupta, MD, MPH, Waheeda Samady, MD, MSCI, Christopher Warren, PhD

Chief of Staff

May 2020-June 2022

- Directed research operations for a \$3.5M annual portfolio, including oversight of an 1,800-infant clinical trial, sponsor relations, and grant deliverables across philanthropic and academic partners.
- Supported the development of a centralized Data Commons to support multi-site research, enabling a data infrastructure for cross-institutional collaboration and regulatory alignment.

Research Assistant

May 2016-June 2018

- Recruited participants for clinical studies focused on the natural history of pediatric food allergies, coordinating outreach, eligibility screening, and informed consent processes.
- Conducted structured literature reviews and contributed to data cleaning and statistical preparation for peer-reviewed research on allergy progression and immunologic response patterns.

Ann and Robert H. Lurie Children's Hospital, *Stanley Manne Children's Research Institute*

Chicago, IL

Advisor: Ruchi Gupta, MD, MPH

Katz Research Fellow

June 2018-May 2019

- Secured independent research funding to lead a study examining the economic and psychosocial burden of pediatric food allergy among low-income families.
- Directed the design and execution of mixed-methods data collection, including survey development, qualitative interviews, and dissemination of findings through academic and public health channels.

Tufts University, *Department of Community Health*

Medford, MA

Advisor: Shalini Tendulkar, ScD

Student Researcher

August 2017-May 2018

- Collaborated with local organizations on a year-long community-based participatory research project to assess health and social service needs within an immigrant population, culminating in a formal presentation of findings to City Hall officials.

GRANTS

| | |
|--|------|
| Student Leader , Alpha Omega Alpha Medical Student Service Leadership Project Grant | 2024 |
| <ul style="list-style-type: none"> ● Received a national award to support leadership development and service for medical students. ● Developing a curriculum and associated teacher training for medical students to provide harm reduction education to people leaving incarceration. | |
| Research Manager , Intuitive Foundation | 2020 |
| <ul style="list-style-type: none"> ● Awarded a grant to develop machine learning to predict the surgical time for OR efficiency. ● Coordinated with clinicians, data engineers, and administration to successfully optimize scheduling. | |
| Co-Investigator , Sean N. Parker Center for Allergy & Asthma Research | 2018 |
| <ul style="list-style-type: none"> ● Awarded a grant to conduct a needs assessment of low-income families with children who have food allergies. ● Awarded a supplemental grant to build and test a patient-facing tool targeting identified barriers. | |

AWARDS AND RECOGNITIONS

| | |
|---|------|
| Excellence in Public Health Award , US Public Health Service | 2026 |
| Clayton G. Russell Medical Student Scholarship , GW SMHS | 2026 |
| Elma B. Carr Endowed Scholarship , GW SMHS | 2025 |
| GW SMHS Anti-Racism Coalition Scholarship Recipient , GW SMHS | 2024 |
| 2023 Conference Scholar , National Commission on Correctional Healthcare | 2023 |
| 2023 Conference Scholar , American College of Correctional Physicians | 2023 |
| Knowledge in Action Career Internship Fund Scholarship Recipient , GW SMHS | 2023 |
| Health Services Scholarship Recipient , GW SMHS | 2023 |
| Adopt-a-Doc Scholarship Recipient , GW SMHS | 2023 |
| Clinical Research Practice Certificate Scholarship , GW SHMS | 2023 |
| Highest Thesis Honors , Tufts University | 2019 |
| Best Poster , National Collegiate EMS Foundation Annual Meeting | 2018 |

TEACHING EXPERIENCE

Formal Academic Teaching

George Washington University School of Medicine and Health Sciences

- Correctional Health in the USA (*Guest Lecturer x7*) 2023-Present
Developed a class on epidemiology, healthcare delivery, and inequities in US Jails and Prisons.
- Current Issues in Bioethics (*Guest Lecturer*) January 2024
Provided structured feedback on student arguments related to bioethics principles.
- Psychosocial Aspects of Health & Wellness (*Guest Lecturer*) October 2023
Evaluated and provided feedback on student presentations on health and wellness topics.

Kimbal Union Academy

- AP Biology (*Guest Lecturer*) January 2025
Designed and taught an interactive lesson on cellular respiration aligned with AP standards.

Tufts University

- Community Health Research Methods (*Guest Lecturer*) May 2020
Delivered a lecture on community-based participatory research and qualitative methods.
- EMT-B Class (*Teaching Assistant*) January 2017-May 2019
Provided classroom and tactile instruction regarding emergency care, treatment, and transport.

Health Education and Community Teaching

Arlington County Jail

February 2023-Present

- Friday Health Classes (*Volunteer*)
Develop and facilitate health classes for incarcerated people.
- Harm Reduction (*Volunteer*) October 2015-June 2018
Developed and facilitated a course on harm reduction, mental health, and accessing resources.

Malden High School

- Let's Talk about Sex (*PHE Health Educator*) October 2015-June 2018
Taught communication skills involved in refusing and consenting to sex to high school students.
- Advocating for Health (*PHE Health Educator*) October 2015-June 2018
Facilitated a workshop on using advocacy to positively impact their communities' health.

VOLUNTEER ACTIVITIES

Harm Reduction Volunteer, HIPS

Washington, DC

Volunteer

June 2024-May 2026

- Prepared sterile supplies for individuals at high risk for opioid overdose.

Medical Volunteer, GW Operational Medicine

Washington, DC

Medical Student Volunteer

June 2024-June 2025

- Provide on-site medical assistance in event medical tents, assessing and managing acute injuries and other emergent conditions in a high-volume setting, including triage, treatment, and transport.

Marine Corps Marathon, *United States Marine Corps*

Washington, DC

Clinical Volunteer

October 2023-Present

- Provide medical support at marathon aid stations, assessing and treating runners and spectators.
- Collaborate with an interdisciplinary team of clinicians to triage and manage medical emergencies, ensuring timely interventions and transport when necessary, including procedures.

Hospital Liaison

November 2022

- Coordinated care and information sharing for runners needing hospital care.

Boston Marathon, *Boston Athletic Association*

Boston, MA

Medical Division Supervisor

April 2020-Present

- Supervise nine medical tents (physician-staffed, ACLS/IV equipped) along the course.
- Oversee medical resupply, patient tracking, ambulance dispatch, and coordination.

Emergency Medical Technician (EMT-B)

April 2016-April 2019

- Performed patient assessment and triage, medical interventions, and charting.

EXTRACURRICULAR ACTIVITIES

Office of Admissions, *GW SMHS*

Washington, DC

Admissions Ambassador

September 2023-Present

- Support the admissions team through webinars, in-person events, and accepted student pairing.

The GW Student Association, *The George Washington University*

Washington, DC

Senator

May 2023-May 2024

- Elected to represent the GW School of Medicine and Health Sciences in GW Student Government.
- Served on the Graduate Education Committee, drafting and sponsoring legislation.

Medical Students for Correctional and Justice Health (MSCJH), *GW SMHS*

Washington, DC

Board Member

December 2023-Present

President

October 2022-December 2023

- Incorporated an interest group for students committed to serving criminal-legal-involved patients.
- Organized and led a journal club for students interested in carceral health.

Summer Institute for Medical Students, *Hazelden Betty Ford Foundation*

Newberg, OR

Participant

June 2023

- Spent half days in lectures by psychiatrists, psychologists, and recovery coaches about the diagnosis, course, pathophysiology, and treatment of addiction.
- Spent time with patients in the program through inpatient therapy, meals, and step meetings.

Peer Health Exchange, Tufts University

Boston, MA

Senior Health Educator

October 2016-June 2018

- Selected as a "Senior Health Educator" with additional supervisory and training responsibilities

Health Educator

October 2015-October 2016

- Taught workshops to high school students in the Boston area with under-resourced health education to develop fundamental life skills around advocacy and sexual health.

CERTIFICATIONS AND LICENSES

Emergency Vehicle Operators Course (EVOC) instructor

X-waiver (DEA)

CITI Program – Good Clinical Practice

CITI Program – Social and Behavioral Research

PROFESSIONAL MEMBERSHIPS

American Medical Association (AMA), Member, 2022-Present

American Academy of Pediatrics (AAP), Member, 2022-Present

American Association of Addiction Medicine (ASAM), Member, 2023-Present

Academic Consortium on Criminal Justice Health (ACCJH), Member, 2023-Present

Academy on Violence and Abuse (AVA), Member, 2023-Present

American College of Correctional Physicians, Member, 2023-Present

Medical Society of DC, Member, 2023-Present

SPECIAL SKILLS

Hobbies and Interests: Skiing (downhill and touring), mountain biking, medical humanities – visual arts, musical theater, farmers' markets, Jewish community

Language Proficiencies: Spanish (conversational), ASL (basic)

Software proficiencies: Microsoft Office, NVivo, Adobe Suite (Illustrator, InDesign)
