7. Grants and Fundraising

- US Department of Education. National Resource Centers and Foreign Language and Area Studies Fellowships. (\$481,000 each year, three years 2022-2024). Center for Latin American Studies. To support language training (Portuguese, Nahuatl, Creole and Quechua), MA program, outreach activities and programming in Latin American Area Studies.
- (with Beatriz Magaloni, co-PI) Community Responses and the Impact of the COVID-19 Epidemic in Indigenous Communities in Mexico. 2022 Stanford Global Health Seed Grants \$49,992.
- (with Beatriz Magaloni, co-PI) Community Responses, Indigenous Health Inequalities, and the Impact of the COVID-19 Epidemic in Mexico 2022 Stanford-Tinker Faculty Research Fund \$50,822.
- (with Beatriz Magaloni and Did Kuo co-PIs) Populism and the Failure of Anti-Corruption Reforms in Post-Democratized Latin America \$49,160.

- Tinker Emergency Research Grant. “Crowdsourcing statistical models and forecasting social and political determinants of COVID-19 mortality in Mexico and Latin America” (\$41,040, 2021-22). To support development of pedagogical materials, lesson plans and Mexico municipal crowdsourcing interface.
- Luksic Foundation. Visiting Scholars and Fellows Program at Stanford Center for Latin American Studies, CLAS (\$500,000, 2020-26). To support visiting scholars from Chile at the Center for Latin American Studies at Stanford.
- (co-PI with Beatriz Magaloni) International Narcotics and Law Enforcement (INL) of the US Department of State. Collaborative Agreement Grant (\$450,259, 2019) for a study of the process of Certification of Police Officers in the 32 Mexican states.
- US Department of Education. National Resource Centers and Foreign Language and Area Studies Fellowships. (\$481,000 each year, three years 2018-2021). Center for Latin American Studies. To support language training (Portuguese, Nahua and Quechua), MA program, outreach activities and programming in Latin American Area Studies.
- (co-PI with Beatriz Magaloni) International Narcotics and Law Enforcement (INL) of the US Department of State. Collaborative Agreement Grant (\$4,421,000, 2016-2019) for 3-year study and training for the Police Professionalization Program. Goal is to provide training to Federal Comisión Nacional de Seguridad as well as state and city governments in use of statistical analysis, hotspot policing, Geographic Information Systems and other technical training, in order to improve transparency and accountability and generate greater citizen trust in the police forces.
- (co-PI with Vidal Romero) United States Embassy in Mexico. Four cycles of grant support (\$40,000 each year, 2015, 2016, 2017, 2019) for the summer course *Riesgos Globales: Biodiversidad, Seguridad y Gobernanza en Latinoamérica* organized with ITAM, ANUIES and the 100,000 Strong FOBESII initiative to support indigenous students attending the course.
- (co-PI with Beatriz Magaloni) Faculty GDP Exploratory Project Award, Stanford Global Development and Poverty. *Criminal Violence, Security and Poverty*. (\$925,000, 2014-2018). To build up critical capacity at Stanford for the understanding of criminal violence in developing countries, its causes and consequences, and the design of practical solutions for increasing security among the poor.
- Stanford Global Development and Poverty Faculty GDP Exploratory Project Award, *Measuring and Scaling Mortality in Mexico*. (\$50,000 December 2014). Analysis of a dataset of 7.5 million death certificates in Mexico, seeking to understand the patterns of under-registration by cause of death at low levels of territorial disaggregation.
- Hewlett Foundation. *Access to Health in Mexico: Empowering Citizens through Academic Outreach*. (\$180,000, 2012-2013). To promote a public health agenda in Mexico that emphasizes patient empowerment and high-quality health services provision for the poor. Finding solutions to governance failures undermining public health, through the dissemination of research findings among scholars, NGOs and policy makers.
- University of California Office of the President (UCOP). *Mexico Social Science Laboratory and Research Incubator*. (\$700,000, 2009-2014) A new model of social science support based on short-term research incubators, field research laboratories, a GIS laboratory, and evaluation training clinics, for interdisciplinary scholarly research

on Mexico and Mexico-California issues. A research agenda focused in understanding local governance and development experiences through carefully designed field experiments implemented through mobile social science laboratories geared towards the collection and analysis of novel datasets to gauge the effects of governance in development. To provide policy makers with advice on how to enhance the effectiveness of policy interventions, based on scientific studies that combine experimental methods, survey research and observational data, within an integrated approach.

- Hewlett Foundation. *The Governance of Public Health in Mexico* (\$300,000, 2010-2012). - For a project to understand the governance of public health in Mexico as it relates to the challenges of increasing democratic accountability and improving the provision of public goods. The research seeks to shed light on whether the devolution of health finance and clinics to state governments and the shift in governance after the transition to democracy have improved accountability in the provision of basic public health. Particular attention is paid to municipal practices in the delivery of sanitation and to state government finance determining the coverage and quality of health care.
- The Rockefeller Foundation. *Poverty, Democracy and the Political Economy of Vote Buying*. Conference at the Bellagio Center (co-organized with Beatriz Magaloni). Winter 2005.
- World Bank. Research Grant on *The Political Economy of Decentralized Poverty Relief in Mexico*. Summer 2000.
- Inter-American Development Bank. Research Grant. *The Bailout Problem*. 1998-99.
- Inter-American Development Bank. Research Grant. *Geography and Development*. 1998-99.

8. Work in progress

a. Colonialism and development

Whispers of Silenced Voices: Indigenous Communities, Stateness and Cartography in Mexico. A book project seeking to understand, through the use of historical cartographic material in 70 maps from Mexico, the efforts by state institutions to control territorial space and its relationship with indigenous peoples.

(with Saumitra Jha). "[Conquered but not Vanquished: Complementarities and Indigenous Entrepreneurs in the Shadow of Violence](#)".
