EDUCATION

1973 Cornell University, Ithaca, New York, A.B.
1977 New York University, New York, New York, M.D.

POST-GRADUATE TRAINING

1977-1981 Intern, Medical Resident and Chief Medical Resident
Stanford University School of Medicine, Stanford, California
1981-1984 Fellow in Gastroenterology
Stanford University School of Medicine, Stanford, California
1982-1987 Fellow in Substance Abuse and Alcoholism,
Veterans Administration Medical Center, Palo Alto, California
1984-1987 Research Fellow in Infectious Diseases,
Stanford University School of Medicine, Stanford, California

Gabriel Garcia, M.D.

BOARD OF CERTIFICATION

- 1978 Diplomate, National Board of Medical Examiners
- 1981 Diplomate, American Board of Internal Medicine
- 1985 Diplomate, American Board of Internal Medicine
 Subspecialty of Gastroenterology

EMPLOYMENT

- 1974-1975 Instructor in Medical Spanish
 New York University Medical Center, New York, New York
- 1980-1981 Acting Instructor, Department of Medicine
 Stanford University School of Medicine, Stanford, California
- 1980-1982 Acting Instructor, Department of Surgery (Emergency Medicine)
 Stanford University School of Medicine, Stanford, California
- 1984-1987 Clinical Instructor/VCF, Department of Medicine (Gastroenterology)
 Stanford University School of Medicine, Stanford, California
- 1987-1989 Assistant Professor of Medicine (Gastroenterology)
 Baylor College of Medicine, Houston, Texas
- 1989-1993 Assistant Professor of Medicine (Gastroenterology)
 Stanford University School of Medicine
- 1989-1995 Chief, Clinical Gastroenterology
 Stanford University School of Medicine, Stanford, California
- 1991-present Transplant Physician, Liver Transplant Unit,
 Stanford University School Medicine, Stanford, California
- 1993-2005 Associate Professor of Medicine (Gastroenterology)
 Stanford University School of Medicine, Stanford, California
- 1998-present Director, Committee of Admissions,
 Stanford University School of Medicine, Stanford, California
- 1998-present Associate Dean of Medical School Admissions,
 Stanford University, Stanford, California
- 2005-present Professor of Medicine (Gastroenterology)
 Stanford University School of Medicine, Stanford, California
- 2006- present Peter E. Haas Director, Haas Center for Public Service at Stanford University

HONORS

- 1970 Presidential Scholar, Commonwealth of Puerto Rico
- 1972 J.G. White Prize for Excellence in Literature, Cornell University
- 1977 Alpha Omega Alpha, New York University
- 1980 Chief Medical Resident, Department of Medicine
Stanford University School of Medicine
- 1989 Fellow, American College of Gastroenterology
- 1990 Finalist, Henry J. Kaiser Teaching Award, Stanford University
- 1991 Finalist, Henry J. Kaiser Teaching Award, Stanford University
- 1991 Fellow, American College of Physicians
- 1990 Nominee, Alwin C. Rambar for Excellence in Patient Care
- 1999 Recipient, Governor's Award for Excellence in Research,
American College of Gastroenterology

GRANT SUPPORT

- 1984-1985 National Research Services Award, National Institutes of Health, "State of Viral DNA in chronic hepatitis B and non-A, non-B," 2 T32 AI 07089-06
- 1985-1989 Physician Scientist Award, National Institutes of Health, "Expression of HbsAg in attenuated pathogens" 1K11 AI00634
- 1991-1993 HEM Pharmaceuticals, "A multicenter phase I/II study of the activity and safety of Ampligen in patients with chronic hepatitis B infection,"
- 1992-1995 Burroughs Wellcome Company, "A randomized trial to compare the efficacy and safety of Wellferon and Intron A for the treatment of chronic hepatitis C"
- 1993-2002 Technical Training Foundation, Studies in Hepatitis C
- 1994-1995 Viagene, Inc. "Monitoring cytotoxic T cell responses in patients with acute and chronic hepatitis B"
- 1996-1998 Roche Molecular Systems, Inc., "Treatment of chronic hepatitis C: stratification by pre-treatment viral burden"

Gabriel Garcia, M.D.

- 1996-1998 SmithKline Beecham Pharmaceuticals, “a double-blinded, parallel group, placebo controlled, multicenter, phase IIIA study to assess the safety and efficacy of oral famciclovir (three times a day and once a day) treatment of chronic hepatitis B”
- 1997-1998 Schering-Plough Corporation, “Dose escalation of oral ribavirin/placebo + interferon for the treatment of chronic hepatitis C in interferon naïve patients,” co-investigator
- 1997-1998 Schering Plough Corporation, “Dose escalation of oral ribavirin/placebo + interferon for the treatment of chronic hepatitis C in patients who failed a previous course of interferon,” co-investigator
- 1998-1999 American College of Gastroenterology, “Outcome in Chronic Hepatitis B”
- 1998-1999 NIH Pilot Study, “Quality of Life in Chronic Viral hepatitis,”
- 1998-2000 Co-Investigator: Randomized, nonblinded, multicenter, parallel-group trial to compare the efficacy of 9 µg interferon alfacon-1 administered subcutaneously three times per week for 48 or 72 weeks or once daily for 48 weeks in patients with chronic hepatitis C virus (HCV) infection previously untreated with interferon. Amgen
- 1998-1999 Co-Investigator: Transfusion of photochemically treated S-59 reduced, fresh frozen plasma in patients with multiple coagulation factor deficiencies. Cerus Corporation
- 1998-present Co-Investigator-SUMC: Chronic HBV and HCV infection and other liver diseases: pathogenesis, natural history, and new approaches to diagnosis and treatment. Hutchison Grant
- 1998-1999 Co-Investigator A phase I, open-label, dose escalation study of the safety and antiviral effects of intravenous administration of two human HBV-antibodies (HBV-Ab^{XTL}17.1.41 and HBV-Ab^{XTL}19.79.5) to subjects with chronic hepatitis B. XTL Biopharmaceuticals Ltd
- 1999-2000 Co-Investigator: Efficacy of Infergen for chronic hepatitis C in patients who are non-responders and relapsers to combination therapy with Intron-A + ribavirin. A multi-center trial. Amgen
- 1999-2000 Co-Investigator: Multicenter randomized trial of 15 mcg Infergen (interferon alfacon-1) administered daily vs. thrice weekly in patients with chronic hepatitis C who did not respond to interferon therapy. Amgen
- 1999-2001 Co-Investigator: A randomized, open-label, multicenter, efficacy, tolerability and safety study of Pegasys™ vs. Rebetron™ in interferon and ribavirin treatment-naïve patients with chronic hepatitis C virus infection. Roche Laboratories

Gabriel Garcia, M.D.

- 1999-2001 Co-Investigator: A randomized, open-label, multicenter, efficacy and safety study of Pegsys™ plus ribavirin, Pegasys™ plus CellCept, Pegasys™ plus amantadine, and Pegasys™ plus amantadine plus ribavirin in patients with chronic HCV infection who have previously not responded to at least 12 weeks of treatment with Rebetron™. Roche Laboratories
- 2000-2001 Co-Investigator: A phase I, open-label, study of the safety and anti-viral effects of ascending multiple intravenous doses of two human HBV-antibodies (HBV-Ab^{X^{TL}}17.1.41 and HBV-Ab^{X^{TL}}19.79.5) in patients with chronic hepatitis B infection. XTL Biopharmaceuticals Ltd
- 2000 Co-Investigator: Variability of serum HCV RNA levels in patients with compensated chronic HCV infection. Eli Lilly
- 2000-2002 Co-Investigator: Long-term PEG Intron vs colchicine for patients who have failed to respond to Rebetron/interferon with advanced fibrosis and cirrhosis secondary to hepatitis C. Schering
- 2001-2002 Co-Investigator: Multinational, multicenter, double blind, placebo controlled, randomized, parallel groups study of rifaximin clinical effectiveness and tolerability in patients suffering from hepatic encephalopathy and who are intolerant to lactulose or lactitol. Salix Pharmaceuticals
- 2001-2004 Co-Investigator and Principle Investigator: University of California Task Force for Diversity in Medical Education, California Endowment
- 2002-2004 Co-Investigator: A prospective, randomized, multicenter, open-label, comparative safety study of Pegasys vs Pegasys plus ribavirin treatment vs a twelve-week treatment delay in patients with chronic hepatitis C. Roche
- 2002-2003 Co-Investigator A Phase III Study Of The Safety And Antiviral Activity Of Entecavir Vs Lamivudine In Adults With Chronic Hepatitis B Infection Who Are Positive For Hepatitis B E Antigen. Bristol Myers Squibb
- 2002-2003 Co-Investigator A Phase III Study Of The Safety And Antiviral Activity Of Entecavir Vs Lamivudine In Adults With Chronic Hepatitis B Infection Who Are Negative For Hepatitis B E Antigen. Bristol Myers Squibb
- 2000-2003 Roche Pharmaceuticals, A Multicenter, Open-Label Study Investigating the Efficacy of Pegasys in Combination with Ribavirin as Initial Treatment of Chronic Hepatitis C in Non Hispanic African-American HCV Genotype 1 Patients as Compared to Non-Hispanic Caucasian HCV Genotype 1 Patients
- 2003-2004 "Utilization of Healthcare Services by Stanford Students from Low-Income Families," supervising Anna Chen, a Stanford undergraduate, funded by UROG
- 2003-2004 "Sleep Disturbance in Cirrhotic Patients," supervising Jose Miguel Iturbe, a Stanford undergraduate, funded by Presidential Scholar Grant

Gabriel Garcia, M.D.

- 2003-2004 “Use of Allopathic versus Traditional Medical Care in Chinese Immigrants,” supervising Amanda Schwartz, a Stanford undergraduate, funded by Chappell-Lougee Fellowship
- 2001-2007 “Diversity in Medical Education”, funded by the University of California, Office of the President
- 2004-2008 Roche Pharmaceuticals, A Prospective, Multicenter, Open-Label, Comparative, Efficacy Study of Pegasys plus Copegus in Treatment of Native Latino Patients with Chronic Hepatitis C-Genotype 1, as Compared to Treatment of Native Non-Latino Caucasian Patients with Chronic Hepatitis C-Genotype 1.
- 2005 – 2007 The Health Trust, “Patient Advocacy Program”

SOCIETIES

- 1987-present Member, American Gastroenterology Association
- 1987-1995 Member, American Federation for Clinical Research
- 1987-present Member, American Association for the Study of Liver Diseases
- 1987-present Member, American Liver Foundation
- 1989-present Member and Fellow, American College of Gastroenterology
- 1990-present Member, Board of Directors, Northern California Society for Clinical Gastroenterology
- 1991-1995 Member, Crohn’s and Colitis Foundation
- 1992-1994 Governor (Northern California Region)
American College of Gastroenterology
- 1998-present Honorary Member, Asociacion Argentina para el Estudio de las Enfermedades del Hgado (AAEEH)

COMMITTEES

- 1985-1989 Member, Panel of Examiners, Self-Study, Self-Assessment Program, Stanford University School of Medicine and Scientific American Medicine
- 1987-1989 Chairman, Medical Advisory Committee and Member, Board of Directors, American Liver Foundation, Houston Chapter, Houston, Texas
- 1989-1993 Gastroenterology Division Community Advisory Board, Stanford University School of Medicine
- 1989-1995 Medical Specialties Clinics Steering Committee, Stanford University School of Medicine

Gabriel Garcia, M.D.

- 1989 Committee on Resident Training and Clinical Service, Subcommittee on subspecialties/electives, Stanford University School of Medicine
- 1990-1993 Co-Chairman, Clinical Program Development Committee, Department of Medicine
- 1991 Transplant Task Force, Stanford University Hospital
- 1991-1993 Member, Internal Medicine Residency Review Committee, Stanford University School Member, Planning Committee, Northern California Regional Meeting, American of Medicine
- 1991-present Member, Residency Selection Committee, Stanford University School of Medicine
- 1991-1993 Member, Educational Affairs Committee, American College of Gastroenterology
- 1992-1994 Member, Board of Directors, Faculty Practice Program, Stanford University Clinic
- 1992-1994 Member, AGA Task Force on Minority Participation
- 1994-1997 Senator-At-Large, Medical School Faculty Senate, Stanford University School of Medicine
- 1994-1997 Member, Program Evaluation Committee, American Association for the Study of Liver Diseases
- 1994-1997 Member, Research Committee American College of Gastroenterology
- 1994-1997 Member, Committee on Underrepresented Minorities, American College of Gastroenterology
- 1995-1999 Member, Council on Diversity, Stanford University School of Medicine
- 1997-1999 Member, Oversight Committee, Office of Continuing Medical Education, Stanford University School of Medicine
- 1998-present Member/Director, Committee on Admissions, Stanford University School of Medicine
- 1998-present Member, Committee on Admissions, Consortium of 13 Schools
- 1998-present Member, Faculty Advisory Board, Haas Center for Public Service, Stanford University
- 1998-present *Ex officio* Member, School of Medicine Faculty Senate Committee of 5, Stanford University School of Medicine

Gabriel Garcia, M.D.

- 1999-present Member, Financial Aid Advisory Committee, Stanford University School of Medicine
- 2000-2002 Member, Committee on Academic Policies and Procedures, Stanford University School of Medicine
- 2000-present *Ex Officio* Member, Committee on Student Performance, Stanford University School of Medicine
- 2000-present Member, University of California Task Force on Diversity in Medical Education
- 2000-2003 Chair, Committee on Admissions, Consortium of 13 Schools
