

# Gregory A. Fonzo, Ph.D.

Postdoctoral Research Fellow  
Department of Psychiatry & Behavioral Sciences  
Stanford University School of Medicine  
401 Quarry Road MC 5722  
Stanford, CA 94305  
[gfonzo@stanford.edu](mailto:gfonzo@stanford.edu)  
<https://med.stanford.edu/profiles/gregory-fonzo>

Licensed Clinical Psychologist, PSY27812  
San Francisco Center for Integrative Anxiety Solutions  
870 Market Street, Suite 958  
San Francisco, CA 94102  
(650)-394-6586  
[ggregfonzophd@gmail.com](mailto:ggregfonzophd@gmail.com)  
<http://www.gregfonzophd.com>

---

## Licensure

Aug 2015-Present  
Board of Psychology, State of California  
Licensed Clinical Psychologist, PSY27812

## Education

Sept 2013-Present  
Stanford University School of Medicine & VA Palo Alto Healthcare System  
401 Quarry Road, MC 5722, Stanford, CA 94305  
Department of Psychiatry and Behavioral Sciences  
Postdoctoral Fellow  
Supported by: T32 Biobehavioral Research Fellowship (2013-2015), VA MIRECC Advanced Fellowship in Mental Illness (2017-Present)  
Mentor: Amit Etkin, M.D., Ph.D.

Aug 2007-Aug 2013  
San Diego State University/University of California-San Diego  
6363 Alvarado Ct, Suite 103, San Diego, CA 92120  
Joint Doctoral Program in Clinical Psychology, San Diego, CA  
Ph.D. in Clinical Psychology August 2013  
Dissertation Title: Early life stress and the anxious brain: Neural structure and function underlying the relationship between childhood maltreatment and anxiety in adulthood  
Defended June 22<sup>nd</sup>, 2012  
Dissertation Chair(s): Murray B. Stein, M.D., M.P.H. & Martin P. Paulus, M.D.

Aug 2007-Aug 2011  
San Diego State University/University of California-San Diego  
6363 Alvarado Ct, Suite 103, San Diego, CA 92120  
Joint Doctoral Program in Clinical Psychology, San Diego, CA  
M.S. in Psychology August 2010  
Thesis Title: Exaggerated and disconnected insular-amygdalar blood oxygenation level dependent response to threat-related emotional faces in women with intimate-partner violence posttraumatic stress disorder  
Thesis Chair: Murray B. Stein, M.D., M.P.H.

Aug 2001-May 2005  
The University of Georgia  
Franklin College of Arts and Sciences, Athens, GA, 30609  
B.S., Summa cum Laude May 2005  
Major(s): Biology & Psychology  
Thesis Title: An investigation of functional magnetic resonance imaging measures of spatial working memory in traumatic brain injury  
Thesis Chair: L. Stephen Miller, Ph.D.

## Research Experience

Sept. 2013-Present  
Etkin Lab  
Department of Psychiatry and Behavioral Sciences

## Stanford University School of Medicine

401 Quarry Road, MC 5797, Stanford, CA 94305

Mentor: Amit Etkin, M.D., Ph.D.

Utilized functional neuroimaging to assess neural mechanisms of novel and evidence-based interventions for post-traumatic stress disorder and major depressive disorder. Piloted the first randomized clinical trial to test cognitive training as a novel intervention for PTSD.

- August 2007-July 2012 **Anxiety & Traumatic Stress Disorders Research Program**  
8939 Villa La Jolla Drive, Suite 200, La Jolla, CA 92037  
Mentors: Murray B. Stein, MD, MPH and Martin Paulus, MD  
Activities: Analysis and interpretation of structural and functional neuroimaging data in clinical samples with anxiety disorders
- June 2004-August 2004 **Yale BioSTEP Program**  
Research Apprentice, New Haven, CT 74085  
Mentors: Jed Meltzer, Ph.D. and Todd Constable, Ph.D.  
Studied a transverse patterning task using electroencephalogram (EEG) in healthy subjects
- June 2003-August 2003 **Summer Undergraduate Research Program (SURP)**  
Research Apprentice. Athens, GA 30609  
Mentor: L. Stephen Miller, Ph.D.  
Studied spatial working memory in traumatic brain injury using a functional imaging paradigm
- August 2001-April 2003 **Center for Undergraduate Research Opportunities (CURO)**  
Biomedical Apprentice, Athens, GA 30609  
Mentors: Rod Dishman, Ph.D. (August 2001-April 2002) and L. Stephen Miller, Ph.D. (August 2002-April 2003)  
Studied effect of exercise on neural growth factors and functional imaging of emotional conflict

## Clinical Experience

- Feb. 2017-Present **Biomarker Estimation for Superior Treatment in PTSD**  
Duties: Assessment of PTSD using Clinician-Administered PTSD Scale (CAPS) and Structured Clinical Interview for DSM-IV Diagnosis (SCID). Supervision of other clinical psychologists and research associates. Construction and validation of composite psychometric measures for PTSD incorporating both DSM-IV and DSM-5 diagnostic criteria.
- Jan. 2016-Present **San Francisco Center for Integrative Anxiety Solutions, Private Practice**  
870 Market Street, Suite 958, San Francisco, CA 94102  
Duties: Assessment and individual evidence-based cognitive-behavioral treatment of anxiety disorders, post-traumatic stress disorder, and depressive disorders
- Oct. 2013-Dec. 2015 **Study Assessor/Therapist, PTSD Treatment Study**  
Supervisor(s): Allison Thompson, Ph.D. & Barbara Rothbaum, Ph.D.  
Duties: Assessment of PTSD using Clinician-Administered PTSD Scale (CAPS) and Structured Clinical Interview for DSM-IV Diagnosis (SCID); Administration of prolonged exposure (PE) therapy in a research setting
- Sept. 2013-Aug. 2015 **Postdoctoral Fellow, Stanford Psychiatry Psychosocial Treatment Clinic**  
Supervisor: Kate Corcoran, Ph.D.  
Duties: Assessment and individual psychotherapy with a varied population, mainly mood and anxiety disorders
- Aug. 2012 – Aug. 2013 **Psychology Intern, Memphis VA Medical Center**  
1030 Jefferson Avenue, Memphis, TN 38104

Supervisors: Robert Kores, Ph.D., Brad Roper, Ph.D., ABPP-CN, Mardi Smith, Ph.D., Melissa Hoffman, Ph.D., Eliyahu Reich, Ph.D., Charissa Camp, Ph.D.

Rotations: Mental Health Clinic—assessment and treatment of individuals with broad range of psychopathology; Neuropsychology Clinic—neuropsychological assessment of individuals with a broad range of cognitive impairments; University of Tennessee Health Science Center Parent-Child Interaction Therapy Clinic—treatment of externalizing behavior disorders in children; PTSD Clinical Team—assessment and treatment of PTSD; Chemical Dependency Center—assessment and treatment of substance-use disorders; Blue Clinic—primary care psychology in severe mental illness; University of Tennessee Health Science Center Department of Child and Adolescent Psychiatry—assessment and treatment of psychopathology in children/adolescents

July 2011-July 2012

Practicum Student, Mission Valley VA PTSD Clinical Team

8810 Rio San Diego Dr, San Diego, CA 92108

Supervisor: Lisa Campbell, Ph.D.

Duties: Assessment and individual and group psychotherapy for PTSD using cognitive processing therapy, prolonged exposure, EMDR, and anger management

July 2010-June 2011

Practicum Student, La Jolla VA Hospital Anxiety Disorders Clinic

3350 La Jolla Village Dr, San Diego, CA 92161

Supervisors: Catherine Ayers, Ph.D. and Emmanuel Espejo, Ph.D.

Duties: Assessment and individual and group psychotherapy for anxiety disorders using cognitive-behavioral therapy

July 2009-June 2010

Practicum Student, UCSD Outpatient Psychiatric Services-Gifford Clinic

140 W Arbor Dr, San Diego, CA 92103

Supervisor: Cynthia Gomes, Ph.D.

Duties: Assessment and individual and group psychotherapy for mood, anxiety, substance use, psychotic, and personality disorders using cognitive behavioral therapy, dialectical behavior therapy, motivational interviewing, and acceptance and commitment therapy

July 2008-June 2009

Practicum Student, San Diego State University Psychology Clinic

6363 Alvarado Ct, Suite 103, San Diego, CA 92120

Supervisors: Michael Taylor, Ph.D. and Brenda Johnson, Ph.D.

Duties: Assessment and individual psychotherapy for mood/anxiety disorders using cognitive behavioral and interpersonal therapy

## Teaching, Supervision, and Mentoring Experience

June 2005-August 2005

Kaplan Test Prep Instructor

Taught an SAT preparatory course to 12-15 high school students in twice-weekly 3 hour-long classes.

Sept 2010-Aug 2011

SDSU/UCSD Clinical Psychology Statistics Tutor

Provided one-on-one tutoring to first and second-year graduate students. Identified by Dr. Jorg Matt, SDSU Professor, as the most qualified third-year student to provide such tutoring.

Jan 2012-July 2012

Neuroimaging Analysis Seminar

Taught a once-weekly hour-long neuroimaging seminar course to interested graduate students and postdoctoral fellows. Course covered basic analysis and interpretation of fMRI data using AFNI.

May 30<sup>th</sup>, 2014

Special Topics in Trauma: Theory, Controversy, and Neurobiology (CLIN 864)

Invited lecture at Pacific Graduate School of Psychology-Stanford PsyD Consortium (Palo Alto University) to clinical psychology graduate students on the neurobiology of PTSD. Course instructor: Helena Young, Ph.D.

Nov 18<sup>th</sup>, 2015

### Clinical Perspectives on Trauma Psychology (CLIN 745)

Invited lecture at Pacific Graduate School of Psychology-Stanford PsyD Consortium (Palo Alto University) to clinical psychology graduate students on the neurobiology of PTSD. Course instructor: Cheryl Gore-Felton, Ph.D.

Oct 2014 – Present

Clinical Supervisor, Etkin Lab Clinical Psychology Practicum in Clinical Assessment Individual and group supervision of clinical psychology doctoral students from Bay Area programs such as PGSP/Stanford PsyD Consortium, Palo Alto University, the Wright Institute, and University of San Francisco. Supervision of students on clinical care and assessment of mood, anxiety, and traumatic stress disorders using informal psychosocial interview and standardized clinical and neuropsychological assessment tools. Topics discussed include differential diagnosis, scoring and interpretation of standardized instruments, integration of research and clinical practice, professional development, and patient care both in and outside the context of research.

Nov 2015 – Present

### Dissertation Committee Chair for Joseph Choy, M.S., The Wright Institute

Joseph is a PhD candidate for a doctorate in clinical psychology. I am serving as his Dissertation Committee Chair for his proposal entitled “Emotion regulation and cognitive training for PTSD.”

## Select Honors, Awards, and Scholarships

- 2018 Domestic Travel Fellowship Award, Society of Biological Psychiatry
- 2017 Post-Travel Award Underrepresented Minority Additional Funding Award, Annual Conference of the American College of Neuropsychopharmacology (ACNP)
- 2016 Travel Award, Annual Conference of the American College of Neuropsychopharmacology (ACNP)
- Top 10 Reviewer (#4) for *Neuropsychopharmacology*, 2015
- Alumni of the Research Career Development Institute in Psychiatry, Stanford, CA, 2015-2017
- Recipient of Cota-Robles Fellowship, University of California-San Diego
- Recipient of Alan J. Jaworski Men in Science Award—UGA’s highest honor for outstanding academic achievement and contribution to the sciences
- Member of Phi Beta Kappa Honors Society, National Society for Collegiate Scholars, and Golden Key National Honors Society
- Seven-time University of Georgia Presidential Scholar from 2001-2005
- Undergraduate Scholarships: Hope Scholarship, Vice Presidential Scholarship, Charter Scholarship, and James E. Casey Scholarship, National Merit Scholar

## Professional Memberships

- American Psychological Association since 2010
- Anxiety and Depression Association of America since 2013.
- Society for Neuroscience, 2011-2012
- San Francisco Psychological Association since 2016

## Professional Reviewing

- *Ad-hoc* reviewer for *Biological Psychiatry*; *Neuropsychopharmacology*; *Psychological Medicine*; *Biological Psychiatry: Cognitive Neuroscience and Neuroimaging*; *Journal of the American Academy of Child and Adolescent Psychiatry*; *Emotion*; *Social, Cognitive, and Affective Neuroscience*; *Psychiatry Research: Neuroimaging*; *Biological Psychology*; *Neuroimage*; *Depression and Anxiety*; *Biology of Mood and Anxiety Disorders*; *PLoS One*; *Journal of Psychiatric Research*; *Journal of Affective Disorders*; *Neuroimage Clinical*; *Neuroscience Letters*; *Nature: Scientific Reports*; *Psychology and Neuroscience*; *Cognitive, Affective & Behavioral Neuroscience*

- Invited reviewer for grant proposals submitted to Vienna Science and Technology Fund (WWTF) in the field of Cognitive Sciences, 2015.

## Select Clinical Skills

- High level of expertise delivering empirically supported cognitive-behavioral treatments for the entire spectrum of anxiety disorders, obsessive-compulsive disorder, hoarding disorder, depression, and post-traumatic stress disorder.
- Trained and proficient in delivery of specialized packaged treatments for PTSD such as cognitive processing therapy (both group and individual), prolonged exposure, eye movement desensitization and reprocessing (Level 1 certification from the EMDR International Association), and Seeking Safety.
- Highly proficient with standardized clinical and neuropsychological assessment tools such as the Clinician-Administered PTSD Scale (CAPS), Structured Clinical Interview for DSM Diagnosis (SCID), Wechsler Adult Intelligence Scale (WAIS-IV), Wechsler Abbreviated Scale of Intelligence (WASI-II), Wechsler Memory Scale (WMS-IV), California Verbal Learning Test (CVLT), Delis-Kaplan Executive Function System (DKEFS), Repeatable Battery for the Assessment of Neuropsychological Status (RBANS), Rey-Osterrieth Complex Figure (Rey-O), Wide-Range Achievement Test-4 (WRAT-4), Peabody Individual Achievement Test (PIAT), FAS verbal fluency, Woodcock Johnson Test of Cognitive Abilities, Trail Making Test, and the Halstead Reitan Neuropsychological Test Battery.
- Expertise in delivery of third-wave cognitive-behavioral treatments such as mindfulness based cognitive therapy (MBCT), acceptance and commitment therapy (ACT), and dialectical behavior therapy (DBT).
- Experience working with diverse clinical and cultural populations including veterans, severe mental illness, borderline personality disorder, trans-gendered individuals, students, children and adolescents, and inpatient substance-dependent individuals.

## Grants

K23 Mentored Patient-Oriented Research Career Development Award: “Computational neuroimaging of reward in post-trauma psychopathology.”

- Submitted to National Institute of Mental Health in July 2017. Scored October of 2017.
- Impact Score of 14 (percentile unknown).
- Pending Council review in January 2018.
