FUNDING

Grant Funding

2015- 2016	Northern California Center of Excellence Arthritis Foundation Grant Role: Principal Investigator \$33,000
------------	---

CLINICAL ACTIVITIES

Certification

Medical, other state/government licensure
2012-present California # A119003

Boards, other specialty certification

2012 American Board of Internal Medicine
2014 American Board of Internal Medicine, sub-board of Rheumatology

Clinical (Service) Responsibilities

2014-2015 Rheumatology Consult Service Attending, Stanford, 4 weeks
2015-2016 Rheumatology Consult Service Attending, Stanford, 6 weeks
2016-2017 Rheumatology Consult Service Attending, Stanford, 6 weeks
2017-2018 Rheumatology Consult Service Attending, Stanford, 5 weeks
2018-2019 Rheumatology Consult Service Attending, Stanford, 5 weeks
2019-2020 Rheumatology Consult Service Attending, Stanford, 2 weeks

EDUCATIONAL ACTIVITIES

Teaching

Classroom instruction

2020 Stanford CHPR 250: Prevention across Medical Disciplines. Prevention in Immunology & Rheumatology lecture on March 12

2019- present Stanford PA Program Lecture on Rheumatoid Arthritis once a year

2018- present Noon Conference Lectures to Stanford Advanced Heart Failure Fellows once a year on gout, Stanford University, Stanford CA

2016- present Stanford Medicine 25- Musculoskeletal Ultrasound Teaching Session twice a year, Stanford University, Stanford CA

2015- present Noon Conference Lectures to Stanford Medicine Residents twice a year, Stanford University, Stanford, CA

2014- present Noon Conference Lectures to Stanford Immunology & Rheumatology fellows and rotating Stanford Internal Medicine residents twice a year, Stanford University, Stanford, CA

2012- 2014 Internal Medicine Residency Noon Conference Lectures, Santa Clara Valley Medical Center, Santa Clara, CA

2011- 2012 Clinical Training Skills Workshop for 3rd year Medical Students, Rutgers New Jersey Medical School, Newark NJ

2009- 2010 Clinical Training Skills Workshop for 3rd Year Medical Students, Rutgers New Jersey Medical School, Newark NJ

Clinical instruction

2014-present Fellow, resident and medical student teaching through inpatient consults and ambulatory clinics

MISCELLANEOUS ACTIVITIES

- 2020-present Stanford Value Based Care Champion for the Department of Medicine- Rheumatology
- 2019 Stanford Hospital and Clinics IVIG Review Committee
June to October- Participated in weekly one-hour meetings to review and approve/ deny/ defer outpatient cases requiring use of IVIG along with reviewing all inpatient rheumatology cases requiring IVIG in the midst of hospital wide critical shortage
- 2019 Interim Immunology & Rheumatology Clinic Chief
Served as interim clinic chief from May to August
- 2019 File Review Admissions Sub-Committee with the Stanford Medicine Office of MD Admissions
- 2013- present Stanford Lane Medical Library Immunology/ Rheumatology Specialty Portal
Created and currently manage a webpage on the Stanford Medical Library providing quick access to journal articles, electronic books, guidelines and classification criteria from ACR/ EULAR/ NICE
- 2017 Stanford Rheumatology Fellowship Survival Guide, 4th Edition
- 2016 Stanford Rheumatology Fellowship Survival Guide, 3rd Edition
- 2015 Stanford Rheumatology Fellowship Survival Guide, 2nd Edition
- 2014 Stanford Rheumatology Fellowship Survival Guide, 1st Edition
- Created a handbook for incoming Rheumatology fellows to provide a quick reference of important highlights of rheumatology and logistic information to aid in the transition from residency to fellowship

ORGANIZATIONAL ACTIVITIES

Professional Societies

- 2012-present American College of Rheumatology (ACR), Member

RECOGNITION

Awards, Honors

- 2016 Stanford Department of Medicine Divisional Teaching Award
- 2010, 2011 Golden Apple Award for Teaching- Nominee, Rutgers New Jersey Medical School
- 2009 Resident of the Month- November, Rutgers New Jersey Medical School
- 2008 Intern of the Month- December, Rutgers New Jersey Medical School

Invited Talks

- 2/7/16 Stanford Vasculitis Patient and Family Conference.
"Cardiovascular Disease and Vasculitis"
Conference hosted by the Vasculitis Foundation attended by 70-80 individuals and family members. Stanford, CA.

5/16/15

Bay Area Scleroderma Support Group meeting

“Overview of Disease and Clinical Trials”

Patient support group attended by 10-20 individuals with a diversity of experiences and symptoms of the disease. Fremont, CA.
