

Ranak Trivedi, Ph.D.

Last updated Oct 6, 2020

1. CONTACT INFORMATION

Phone: (650) 619-9997x25225
Email: ranak.trivedi@va.gov; ranakt@stanford.edu
Website: <https://profiles.stanford.edu/ranak-trivedi>

2. EDUCATION

a) Undergraduate

Maharaja Sayajirao University of Baroda, Gujarat, India 8/1996
BA in Psychology [Clinical Psychology]
[Shri Janardan C. Mehta Gold Medal for Faculty of Arts, Ranked 1st among ~900 students]

b) Graduate

Augusta State University, Augusta, GA 7/1998
MS in Clinical Psychology: APA Accredited
[Dept. of Psychology Outstanding Graduate Psychology Student Award;
Harold H. Moon Outstanding Graduate Student Award]

Duke University, Durham, NC 12/2004
MA in Clinical Psychology, Health Psychology Track
Thesis: Biological and Behavioral Aspects of Polycystic Ovary Syndrome
(Advisor: Andrew Sherwood, PhD; Co-Advisor: James A. Blumenthal, PhD)

PhD in Clinical Psychology, Health Psychology Track: APA Accredited 9/2006
Dissertation: Psychosocial Predictors of Hospitalizations in Patients with Congestive Heart Failure
Duke University, Durham, NC
(Advisor: Andrew Sherwood, PhD; Co-Advisor: James A. Blumenthal, PhD)

3. LICENSURE: CA PSY25959 (Clinical Psychologist) 2013-Present

4. PROFESSIONAL POSITIONS

Research Assistant III 5/1998-5/1999
Georgia Prevention Institute, Medical College of Georgia, Augusta, GA

Research Project Coordinator 5/1999-7/2001
Georgia Prevention Institute, Medical College of Georgia, Augusta, GA

Health Psychology Intern: APA Accredited 7/2005-6/2006
University of Wisconsin Hospital & Clinics, Madison, WI

Health Psychology Postdoctoral Fellow: APPIC Accredited 9/2006-8/2007
University of Wisconsin Hospitals & Clinics, Madison, WI

AHRQ T32 Postdoctoral Fellowship 9/2007-9/2009
Duke University Medical Center, Durham VA HSR&D Center of Excellence, Durham, NC
(Mentors: David Edelman, MD; Hayden B. Bosworth, PhD)

Core Investigator Seattle VA HSR&D Center of Excellence 9/2009-7/2013
VA Puget Sound Health Care System, Seattle, WA

Research Assistant Professor 9/2009-7/2013

Dept. of Health Services, University of Washington, Seattle, WA	
Core Investigator Center for Innovation to Implementation (Ci2i) VA Palo Alto Health Care System, Palo Alto, CA	7/2013-Present
Clinical Assistant Professor Dept. of Psychiatry and Behavioral Sciences, Stanford University, Palo Alto, CA	10/2013-12/2015
Assistant Professor Division of Public Mental Health and Population Sciences Dept. of Psychiatry and Behavioral Sciences, Stanford University, Palo Alto, CA	1/1/2016-12/31/2019
Associate Faculty	
Stanford Center for Longevity	6/2016-Present
Stanford Community Health Promotion Research Program	8/2016-Present
Stanford Palliative Care Center of Excellence	8/2016-Present
Stanford Center for Asian Health Research and Education	4/2019-Present
Director of Training and Education, Center for Innovation to Implementation, VA Palo Alto Health Care System	4/2017-Present
a. Co-Director, VA Advanced Postdoctoral Fellowship in Health Services Research	
b. Co-Director, VA Advanced Post residency Fellowship in Health Services Research	
c. Co-Director, VA Advanced Fellowship in Medical Informatics	
Director of Training and Education, Elizabeth Dole National Center of Excellence for Veteran and Caregiver Research Postdoctoral Fellowship	7/2019-Present
Visiting Professor, Improving Palliative Care Through Clinical Trials (ImPACCT), University of Technology, Sydney, Australia	5/2018
Director of Caregiving and Social Systems, Stanford Center for Asian Health Care and Research (CARE)	10/2019-Present

5. HONORS, AWARDS, SCHOLARSHIPS

Ranked First, Certificate of Excellence in Sociology (Minor), MS University of Baroda	1995
Ranked First in Psychology (Major), MS University of Baroda	1996
Shri Janardan C. Mehta Gold Medal for Bachelor of Arts, MS University of Baroda	1996
Psi Chi, National Honor Society for Psychology	1997
Phi Kappa Phi, National Multidisciplinary Honor Society	1998
Outstanding Graduate Student in Psychology, Augusta State University	1998
Harold H. Moon Outstanding Graduate Student Award, Augusta Area Psychological Assn	1998
Claire Hamilton Travel Award	2002
American Psychosomatic Society Citation Poster (top 5% of submitted abstracts)	2003
American Psychosomatic Society Citation Poster (top 5% of submitted abstracts)	2006
American Psychosomatic Society Young Scholar Award	2006
Fellow, 14 th Annual Summer Research Institute in Geriatric Psychiatry	2008
Fellow, NHLBI Pittsburgh Mind-Body Center Summer Institute <i>"Interventions: Reducing Risk and Promoting Adjustment to Disease"</i>	2009
Fellow, NHLBI Pittsburgh Mind-Body Center Summer Institute <i>"Mind-Body Science, Tools, and Strategies"</i>	2010
Fellow, NIH OBSSR Summer Institute on the Design and Conduct of Randomized Clinical Trials Involving Behavioral Interventions	2010
American Psychological Association Early Career Professional Travel Award	2013
Presidential Citation, Society for Health Psychology (Division 38 of the American	2015

Psychological Association)	
McCormick Faculty Fellowship Award for Women Leaders in Medicine, Stanford University	2017-2019
Annual Chairman's Award on Leadership and Professionalism, Department of Psychiatry and Behavioral Sciences, Stanford University	2019
Sojourns Scholars Leadership Award, Cambia Health Foundation	2019-2021
Leadership Institute for Women in Psychology, American Psychological Association	2020
Citation Abstract Award, Society for Behavioral Medicine, "Association between declining inpatient psychiatry beds and risk for suicide among Veterans"	2020
Annual Chairman's Award for Education Excellence, Department of Psychiatry and Behavioral Sciences, Stanford University	2020
Finalist (one of three) for VA Health Services Research and Development Paper of the Year, "Veterans Health Administration investments in primary care mental health integration improved care access."	2020

6. PROFESSIONAL ACTIVITIES

a) Service

President of Psi Chi, Augusta State University	1997-1998
Clinical Track Student Representative, Dept. of Psychology, Duke University	2004-2005
Member, VA National Caregiver Research Interest Group	1/2009-3/2015
2011 VA HSR&D Annual Meeting Planning Committee, Member	2010-2011
2011 VA HSR&D Annual Meeting Workshop Committee, Co-chair	2010-2011
Executive Committee Member, APA Div. 38 Early Career Professionals Council	2010-2013
Web Liaison, APA Div. 38 Early Career Professionals Council	2010-2013
Member, APA Div. 38 Branding Task Force	2013-2015
Member, VA Chronic Heart Failure QUERI	2012-2015
Chair, Mental Health Workgroup, VA National PACT Evaluation Center	2012-2018
Lead, Center for Innovation to Implementation Weekly Forum (Center Colloquium Series)	8/2013-8/2014
Member, Community Mental Health Group, Dept. of Psychiatry and Behavioral Sciences	10/2013-Present
Member, Division of Public Policy, Dept. of Psychiatry and Behavioral Sciences	3/2014-Present
Expert Reviewer, Mental Health Centers of Excellence Bibliotherapy Resource Workgroup	2014
Chair, VA National Caregiver Research Interest Group	2015-Present
Web co-editor, Society for Health Psychology (Division 38 of American Psychological Association)	2016-2017
Member, Technical Expert Panel for an evidence synthesis of "Impact of informal caregiving on care recipients with mental illness/mental health issues and/or cognitive impairment"	2017
Member, Stanford Health Care Caregiver Initiative Advisory Committee	2018-Present
Core Faculty, Stanford Nursing Fellowship in Palliative Care	2018-Present
Training Director, Center for Innovation to Implementation, VA Palo Alto Health Care System	2017-Present
Lead, Reducing Burnout and Improving Wellness in Caregivers, Dept. of Psychiatry and Behavioral Sciences Wellness Workgroup	5/2018-Present
Member, Data Safety Monitoring Board PI: Minal R. Patel, PhD, MPH <i>Improving diabetes outcomes and health disparities through a patient activation intervention addressing unmet resource needs</i>	2018-Present
Member, Data Safety Monitoring Board NIH/NIA: R01AG057855-01 PI: Veronica Yank <i>Evaluating the Effectiveness of an Online Small-Group Self-Management Workshop for Rural Caregivers of Individuals with Alzheimer's Disease and Related Dementias</i>	2018-Present
Member, Dept. of Psychiatry and Behavioral Sciences Awards Committee	2018-Present
Member, Society for Health Psychology Health Policy Council, American Psychological Association	2018-2020
Contributor, Digital Collaboration Initiative Working Group for National Academies of Medicine Book "Artificial Intelligence and Machine Learning in Health and Health Care"	2018-2020
Member, Health Policy Committee, Society for Health Psychology	2018-Present

Veterans Affairs National Subcommittee on Veteran Clinical Eligibility Assessments for the Caregiver Support Program (Special Federal Committee to determine the eligibility criteria of the expanded program as determined by the MISSION Act)	7/2019-10/2019
Associate Editor, <i>Annals of Behavioral Medicine</i>	1/2020-Present
Advisory Board, Collaborative Approach for AAPI Research and Education (CARE)	7/2020-Present
Co-convener, Dyadic Research on Health and Illness Across the Adult Lifespan Special Interest Group, Gerontological Society of America	8/2020-Present
Member, National Alliance of Caregiving Research Collaborative on Bridging Policy Research Gaps in Family Caregiving Services and Supports	11/2019-Present

b) Peer Review Activities

Editor, Newsletter for the Mental Health Society of Greater Augusta	1997-1998
HSR&D Field-based Meeting on Mental Health and Substance Use Disorders	2010
VA HSR&D National Meeting	Present
Annual Meetings for American Psychosomatic Society; American Psychological Association; Division 38 of APA	Present
<i>Ad Hoc Journal Reviewer</i> : <i>Annals of Behavioral Medicine</i> ; <i>Psychosomatic Medicine</i> ; <i>Journal of Behavioral Medicine</i> ; <i>General Hospital Psychiatry</i> , <i>Journal of Affective Disorders</i> ; <i>The Gerontologist</i> ; <i>PloS One</i> ; <i>Journal of General Internal Medicine</i> ; <i>Health Psychology</i> ; <i>Clinical Gerontologist</i> ; <i>JAMA Open Access</i>	Present

c) Current Professional Memberships

American Psychological Association; APA Society for Health Psychology (Division 38); Society of Behavioral Medicine, Gerontological Society of America	Present
--	---------

d) Media

Reuters: "Talk therapy may help tough-to-treat depression." <i>Media coverage of manuscript and interview.</i>	2010
Epilepsy Advocate, "How to handle awkward health questions during holidays" <i>Interviewed and Quoted.</i>	2018
Washington Post, "I was my dad's caregiver through his fatal illness. I had no idea I'd be at risk for PTSD." <i>Interviewed and quoted.</i>	2018
VICE, "U.S. Caregivers Struggle With Coronavirus in More Ways Than One." <i>Interviewed and quoted</i>	2020
NextAvenue.Org "Can caregiving cause PTSD?" <i>Interviewed and quoted</i>	2020
HealthChangers Podcast: A mini-series on the new reality of caregiving during the COVID19 pandemic. <i>Interviewed for the podcast</i> https://www.cambiahealth.com/news-and-stories/pulse-blog/healthchangers-podcast-mini-series-new-reality-caregiving-during-1	2020

e) Blog

After Care: A blog dedicated to caregivers of cancer survivors <http://med.stanford.edu/aftercancer/for-our-community/caring-blog.html>

7. PEER REVIEWED ARTICLES

*i indicates Senior Authorship; m indicates mentee.

a) Original Research Articles

1. Wang, X., **Trivedi, R.**, Treiber, F., & Snieder, H. (2005). Genetic and environmental Influences on anger expression, John Henryism and stressful life events: The Georgia Cardiovascular Twin Study. *Psychosomatic Medicine*, 67, 16-23. PMID: 15673619
Led the literature review, conducted preliminary analyses, and wrote draft of introduction and methods.
2. Doraiswamy, P.M., Babyak, M.A., Hennig, T., **Trivedi, R.**, White, W.D., Mathew, J.P., Newman, M., & Blumenthal, J.A. (2007). Donepezil for cognitive decline following coronary artery bypass surgery: A pilot randomized clinical trial. *Psychopharmacology Bulletin*, 40, 54-62. PMID: 17514186
Conducted neuropsychological assessments with study participants, entered/cleaned data, conducted preliminary data analyses.

3. Sherwood, A., Blumenthal J.A., **Trivedi, R.**, Johnson, K.S., O'Connor, C.S., Adams, K.A., Sueta-Dupree, C., Waugh, R.A., Bensimhon, D.R., Gauden, L., Christenson, R.H., Koch, G.G., & Hinderliter, A.L. (2007). Relationship of depression to mortality and hospitalization in patients with heart failure. Archives of Internal Medicine, *167*, 367-373. PMID: 17325298
Developed research question, conceptualized study design, collected/entered/cleaned data, conducted follow-up surveys and chart review for vital status, conducted literature review, developed methods and data analyses plan, wrote drafts of manuscript with 2-year data. This manuscript built on the results of my dissertation. My dissertation studied the effects of depression in heart failure patients at 2-year follow-up data, whereas this manuscript focused on 3-year follow-up.
4. **Trivedi, R.**, Sherwood, A., Strauman, T.J., & Blumenthal, J.A. (2008). Laboratory-based blood pressure recovery is a predictor of ambulatory blood pressure. Biological Psychology, *77*, 317-323. PMCID: PMC2292462
5. **Trivedi, R.**, Ayotte, B., Edelman, D., & Bosworth, H.B. (2008). The association of emotional well-being and marital status with treatment adherence among patients with hypertension. Journal of Behavioral Medicine, *31*, 489-497. PMCID: 18780175
6. Ayotte, B. J., **Trivedi, R. B.**, & Bosworth, H. B. (2009). Racial differences in hypertension knowledge: Effects of differential item functioning. Ethnicity & Disease, *19*, 23-27. PMCID: 19341159
Assisted with developing study question, study design, interpreting results, and drafting manuscript.
7. **Trivedi, R.B.**, Blumenthal, J.A., O'Connor, C., Adams, K., Hinderliter, A., Sueta-Dupree, C., Johnson, K., & Sherwood, A. Coping styles in heart failure patients with depressive symptoms. (2009). Journal of Psychosomatic Research, *67*, 339-346. PMCID: PMC2751656
8. Sherwood, A., Park, S.B., Hughes, J.W., Blumenthal, J.A., Hinderliter, A., **Trivedi, R.**, & McFetridge-Durdle, J. (2010). Cardiovascular hemodynamics during stress in premenopausal versus postmenopausal women. Menopause, *17*, 403-409. PMID: 19770780
Collected and analyzed hemodynamic data, abstracted data from charts, assisted in drafting manuscript.
9. **Trivedi, R.B.**, Ayotte, B.J., Thorpe, C.T., Edelman, D., & Bosworth, H.B. (2010) Is there a non-adherent subtype of hypertensive patient? A latent class analysis approach. Patient Preference and Adherence, *4*, 255-262. PMID: 20694185
10. Sherwood, A., Blumenthal, J.A., Hinderliter, A.L., Koch, G.G., Adams, K.F., Sueta-Dupree, C., Bensimohn, D.R., Johnson, K.S., **Trivedi, R.**, Bowers, M., Christenson, R.H., O'Connor, C.M. (2011) Worsening depressive symptoms are associated with adverse clinical outcomes in patients with heart failure. Journal of the American College of Cardiology, *57*, 418-423. PMCID: 21251581
Developed study question, collected and analyzed hemodynamic data, developed statistical methods, assisted in drafting manuscript. This manuscript reported 5-year follow-up data from the study described in #3.
11. **Trivedi, R.B.**, Piette, J., Fihn, S.D., Edelman, D. (2012). Examining the inter-relatedness of patient and spousal stress in heart failure: Conceptual model and pilot data. Journal of Cardiovascular Nursing, *27*, 24-32. PMID: 21743348
12. **Trivedi, R.B.**, Bryson, C.L., Udris, E., & Au, D.H. (2012) The influence of informal caregivers on adherence in COPD patients. Annals of Behavioral Medicine, *44*, 66-72. PMID: 22422104
13. ^mMcDermott, K.A., Maynard, C., **Trivedi, R.B.**, Lowy, E., Fihn, S.D. (2012) Factors associated with presenting >12 hours after symptom onset of acute myocardial infarction among Veteran men. BMC Cardiovascular Disorders, *12*, 82. PMCID: PMC3507722
This was one of Dr. McDermott's dissertation papers. Mentored Dr. McDermott on study conceptualization, data analyses, and drafting the manuscript for eventual publication.
14. Zeliadt, S.B., Hannon, P.A., **Trivedi, R.B.**, Bonner, L.M., Vu, T.T., Simons, C., Kimmie, C.A., Hu, E.Y., Zipperer, C., & Lin, D.W.(2013). A preliminary exploration of the feasibility of offering men information about potential prostate cancer treatment options before they know their biopsy results. BMC Medical Informatics and Decision Making, *13*, 19-28. PMCID: PMC3599913
Conceptualized study, interpreted results of pilot study, assisted with drafting manuscript.
15. Piette, J.D., Aikens, J., **Trivedi, R.**, Parrish, D., Standiford, C., Marinec, N., Striplin, D., & Bernstein, S.J. (2013). Enhanced depression self-management support in primary care using automated telephonic assessment and social support. American Journal of Managed Care, *19*, 892-900.
Assisted with analyses, literature review, assisted with drafting manuscript.
16. ^mCooper, D., **Trivedi, R.B.**, Nelson, K.M., Reiber, G.E., Zonderman, A., Evans, M.K., & Waldstein, S.R. (2013) Sex differences in associations of depressive symptoms with cardiovascular risk factors and metabolic

syndrome among African Americans. Cardiovascular Psychiatry and Neurology, 10 pages.

<http://www.hindawi.com/journals/cpn/2013/979185/cta/>

Mentored postdoctoral fellow Dr. Cooper in converting her dissertation project into this manuscript. Guided data analyses, interpreting results, and reviewed multiple drafts.

17. Quiñones, A.R., Thielke, S.M., Beaver, K.A., **Trivedi, R.B.**, Williams, E.C., & Fan, V.S. (2014) Racial and ethnic differences in the receipt of antidepressants and psychotherapy among Veterans with depression. Psychiatric Services, 65, 193-200.
Assisted with study design of the primary study, guided development of study question and analytic plan for this manuscript, and assisted with drafting manuscript.
18. **Trivedi, R.B.**, Beaver, K., Bouldin, E., Eugenio, E., Zeliadt, S.B., Nelson, K., Rosland, A.M., Szarka, J.G., & Piette, J.D. Characteristics and well-being of informal caregivers: Results from a nationally-representative US survey.(2013). Chronic Illness,10,167-179.
19. Aikens J.E., Zivin K., **Trivedi R.**, Piette J.D. Diabetes self-management support using mHealth and enhanced informal caregiving.(2014) Journal of Diabetes Complications, 28, 171-176.
Assisted with developing study question, interpreting results, and drafting manuscript.
20. ^mCooper, D.C., **Trivedi, R.**, Nelson, K., Reiber, G., Eugenio, E.C., Beaver, K.A., & Fan, V.S. Antidepressant adherence and risk of coronary artery disease hospitalizations among older and younger adults with depression.(2014) Journal of the American Geriatrics Society, 62, 1238-1245.
First-author Dr. Cooper was a postdoctoral fellow who I mentored. Assisted with all aspects of project, including developing methods of the parent study used for this secondary analysis project.
21. ^mCooper, D.C., **Trivedi, R.**, Nelson, K., Reiber, G., Beaver, K.A., Eugenio, E.C., & Fan, V.S. (2014) Post-traumatic stress disorder, race/ethnicity, and coronary artery disease among older patients with depression. Journal of Racial and Ethnic Health Disparities, 1, 163-170.
First-author Dr. Cooper was a postdoctoral fellow who I mentored. Assisted with all aspects of project, including developing methods of the parent study used for this secondary analysis project.
22. **Trivedi, R.B.**, Gerrity, M., Rumsfeld, J.S., Spertus, J.A., Sun, H., McDonell, M., Doak, M., Lucas, L., & Fihn, S.D. (2015) Angina symptom burden associated with depression status among Veterans with ischemic heart disease. Annals of Behavioral Medicine, 49, 58-65
23. Aikens, J.E., **Trivedi, R.**, Aaron, D.C., Piette, J.D. (2015). Integrating support persons into diabetes telemonitoring to improve self-management and medication adherence. Journal of General Internal Medicine,30, 319-326.
Assisted with developing study question, interpreting results, and drafting manuscript.
24. Aikens J.E., **Trivedi R.**, Heapy A., Pfeiffer P., Rosland A.M., Piette J.D. (2015) Potential impact of incorporating a patient-selected support person into mHealth for depression. Journal of General Internal Medicine, 30(6), 797-803.
Assisted with developing study question, interpreting results, and drafting manuscript.
25. Piette, J.D., Striplin, D., Marinec, N. A., Chen, J., **Trivedi, R.B.**, Aron, D.C., Fisher, L., Aikens, J.E. (2015) A mobile health intervention supporting heart failure patients and their informal caregivers: A randomized comparative effectiveness trial. Journal of Medical Internet Research, 17(6):e142.
Assisted with developing study question, interpreting results, and drafting manuscript.
26. **Trivedi, R.B.**, Post, E.P., Sun, H., Pomerantz, A., Saxon, A.J., Piette, J.D., Maynard, C., Arnow, B., Curtis, I., Fihn, S.D., & Nelson, K. (2015) Prevalence, comorbidity, and prognosis of mental health among US Veterans. American Journal of Public Health, 105(12),2564-2569.
27. O'hare, A.M., Szarka, J., McFarland, L.V., Taylor, J.S., Sudore, R.L., **Trivedi, R.**, Reinke, L.F., & Vig, E. (2016) Provider perspectives on advance care planning for patients with kidney disease: Whose job is it anyway? Clinical Journal of the American Society of Nephrology, 11, 855-866. doi: 10.2215/CJN.11351015.
Assisted with developing study question, interpreting results, and drafting manuscript.
28. **Trivedi, R.**, Slightam, C., Fan, V.S., Rosland, A-M., Nelson, K., Timko, C., Asch, S.M., Zeliadt, S.B., Heidenreich, P., Hebert, P.L., & Piette, J.D. (2016) A couples based self-management program for heart failure: Results of a feasibility study. Frontiers of Public Health, 4:171
29. ^mCooper, D.C., Thielke, S., Helfrich, C.D., **Trivedi, R.B.**, & Fan, V.S. (2016) Association between mental health staffing level and primary care-mental health integration level on provision of depression care in Veteran's Affairs medical facilities. Administration and Policy in Mental Health and Mental Health Services Research, 45, 131-141. doi:10.1007/s10488-016-0775-9
Assisted with developing study question, interpreting results, and drafting manuscript.
30. ^mBouldin, E., **Trivedi, R.B.**, Reiber, G., E., Rosland, A.M., Silverman, J.B., Krieger, J., Nelson, K.M. (2017)

Associations between having an informal caregiver, social support, and self-care among low-income adults with poorly controlled diabetes. Chronic Illness, *13*, 239-250. doi: 10.1177/1742395317690032
Dr. Bouldin was a postdoctoral fellow who I mentored. Assisted with all aspects of project, including developing methods of the parent study used for this secondary analysis project.

31. O'hare, A.M., Szarka, J., McFarland, L.V., Vig, E., Sudore, R.L., **Trivedi, R.**, Reinke, L.F., & Taylor, J.S. (2017) "Maybe they don't even know that I exist": Challenges faced by family members and friends of patients with advanced kidney disease. Clinical Journal of the American Society of Nephrology, *12*, 930-938. doi: 10.2215/CJN.12721216.
Assisted with developing study question, interpreting results, and drafting manuscript.
32. O'hare, A.M., Szarka, J., McFarland, L.V., Vig, E., Sudore, R.L., **Trivedi, R.**, Reinke, L.F., & Taylor, J.S. (2018) Emotional impact of illness and care on patients with advanced kidney disease, Clinical Journal of the American Society of Nephrology, *13*, 1022-1029. doi: 10.2215/CJN.14261217.
Assisted with developing study question, interpreting results, and drafting manuscript.

8. GRANT HISTORY

a) Current Funding

- "Rural Virtual Geriatric Mental Health Consultation for VISNs: Defining a Model of Care." 10/2020-Present
The objective of this study is to define and evaluate a VISN 23 tele-geropsychiatry consultation program that provides cross-facility services to health care teams, Veterans, and family members/caregivers.
Role: Co-I
- "Caregiver Pocket Guide for Health Professionals" 8/2020-Present
The objective of this contract is to develop a pocket guide to identify and quickly assess caregivers in clinical settings.
National Alliance of Caregiving
Role: Co-I
- "SAFAD: South Asian Family Approaches to Diseases" 2/2020-Present
Sojourns Scholars Leadership Award, Cambia Health Foundation
The objective of this project is to identify unmet emotional and community-support needs of South Asian women with breast cancer and their family caregivers, and develop an intervention.
Role: PI
- "Acceptability of a PC-MHI Program Informed by Shared Lean Design Practices." 10/2019-Present
The objective of this study is to pilot test patient and provider surveys assessing satisfaction of the Monterey Model of integrated primary care.
VA Center for Innovation to Implementation Locally Initiated Project
Role: Faculty Mentor
- "Assessing caregiving and social networks among South Asian women living with breast cancer." 3/2020-Present
Center for Asian Health Research and Education Khuller Family Seed Grant
The objective of this project is to develop visual caremaps South Asian women with breast cancer and their family caregivers.
Role: PI
- "Care Coordination for High-Risk Patients with Multiple Chronic Conditions" 10/2017-12/2020
VA HSR&D IIR 15-316
The objective of this study is to advance understanding of care fragmentation and care coordination's potential among high-risk Veterans with multiple chronic conditions.
Role: Co-I (PI: Dr. Donna Zulman)
Advanced Fellowship Program in Health Services Research & Development Advanced Fellowship Program in Medical Informatics 4/2017-3/2022
TPR62-000
VA Office of Academic Affairs
Role: Co-Director (with Drs. Asch, Owens, Goldstein)

b) Completed Projects

- "Psychosocial Predictors of Post-Traumatic Stress Disorder (PTSD) in Burn Patients" 6/2007-6/2010
Prospective study to examine psychosocial predictors of PTSD in patients with thermal

injuries.
Role: Co-I (PI: Dr. Denise Connelly) 2/2007-12/2008

“Quality of Life in Patients with a Left Ventricular Assist Device”
A prospective study examining the quality of life in patients pre-and post-LVAD placement
Role: Co-I (PI: Dr. Margaret Murray)

“Effects of Caregiver Stress on Medical Outcomes in Patients with Congestive Heart Failure” 2/2008-2/2012
Prospective observational cohort study examining stress in heart failure patients and their caregivers, and the impact of caregiver stress on heart failure self-management.
Role: PI

NIH Loan Repayment Program-Clinical Research (1 L30 AG032768-01) 7/2008-7/2010
“Determinants of Guideline-Concordant Depression Care for COPD Patients” 10/2010-7/2012
MH QuERI RRP 10-105
The purpose of this observational study was to determine rates of guideline concordant depression care among COPD patients, to compare rates with other common chronic conditions, and to examine predictors of disparities.
Role: Co-I (PI: Dr. Vincent Fan)

“Enhancing Caregiver Support for Heart Failure Patients: The CarePartner Study” 7/2008-6/2012
VA HSR&D IIR 07-185-1
The purpose of the randomized trial was to evaluate the impact of extending the reach of health information technology by incorporating a protocol-driven model for improved monitoring and self-management support by a CarePartner.
Role: Co-I (PI: Dr. John Piette)

“Determining the Eligibility of Heart Failure Patients for a Couples’ Self-management Intervention” 4/2012-11/2012
VA HSR&D Locally Initiated Project
The purpose of this chart-abstraction project was to estimate the number of patients eligible for a mixed methods study with couples with heart failure; to estimate the number of patients eligible for the pilot intervention; and to finalize recruitment strategies in consultation with providers over a 6-month period.
Role: PI

“Disparities in Mental Health Consultation” 5/2012-5/2014
VA Locally Initiated Project QLP 55-009
The purpose of this study was to determine reasons for disparities in depression consultation among COPD patients.
Role: Co-I (PI: Dr. Vincent Fan)

“Psychosocial-Behavioral Therapy for Patients with Advanced COPD and Depression” 7/2012-6/2014
National Palliative Care Research Center Pilot Study
The purpose of this study was to determine the feasibility and acceptability of a 6-session, home-based, video-enabled, individually tailored, psychosocial behavioral therapy intervention for patients with advanced COPD and depression
Role: Co-I (PI: Dr. Lynn Reinke)

“Barriers & Facilitators of Empowering Couples in Managing Heart Failure” 5/2013-5/2015
CHF QUERI Locally Initiated Project
This award supports two sub-studies: 1) a mixed methods study of Veterans with heart failure and their significant others to understand barriers and facilitators of managing heart failure at home, and 2) a pilot study to evaluate a couples’ self-management intervention that addresses the barriers and facilitators identified in the first study.
Role: PI

<p>“Caring for the Caregivers of Veterans: Planning a National Program Evaluation” VA HSR&D RRP This study was a preliminary evaluation of the implementation of the Building Better Caregivers (BBC) program from the perspectives of caregivers, patients and providers. It will generate pilot data to conduct a comprehensive evaluation in a subsequent proposal. Role: Co-I (PI: Dr. Veronica Yank)</p>	10/2014-9/2015
<p>“Translating an Existing Couples’ Based Self-management Program into Web-based Interactive Training to Manage Congestive Heart Failure” Center for Innovation to Implementation Locally Initiated Project This study will translate a couples’-based self-management intervention, that is being currently piloted, into web-based modules. Transforming into a web-based format will allow for independent training by patients and their spousal caregivers. Role: PI</p>	5/2014-9/2015
<p>Chair, Mental Health Workgroup, VA National PACT Evaluation Funded by the VA Clinical and Decision System Evaluation Under this nationally funded initiative, we are leading a series of projects to evaluate the effects of a patient centered medical home on Veterans with mental illness. Specifically, we are interested in clinical outcomes (e.g., mortality), health care utilization (e.g., hospitalization), access to care, and disparities. Role: PI</p>	10/2014-10/2018
<p>“Determining Family Characteristics to Enhance Personalized Engagement of Patients in Clinical Care” Funded by Stanford Presence and Program in Bedside Medicine This is a qualitative study to understand how patients with heart failure and their family and friends navigate the healthcare system, and how the coordinate care with each other. Role: PI</p>	7/2016-7/2017
<p>“Developing a Couples’ Coping Intervention for Veterans with Heart Failure” VA HSR&D Mentored Career Development Award-2 (CDA-09-206) The research objective of this CDA is to develop a coping and self-management intervention targeted at Veterans with heart failure and their significant others. Role: PI</p>	4/2012-3/2017
<p>“Advance Care Planning in Elderly Veterans with Advanced Kidney Disease” VA HSR&D IIR The goal of this study is to develop and test a patient-centered model of advance care planning tailored to older Veterans with advanced kidney disease and their families. Role: Co-I (PI: O’Hare)</p>	4/2013-3/2017
<p>“Improving Delivery of Patient-Centered Cardiac Rehabilitation” Patient Centered Outcome Research Institute (PCORI) Grant The purpose of this study is to test the effectiveness of a home-based cardiac rehabilitation at two sites (San Francisco and Boston) compared to traditional in-house cardiac rehabilitation models. Role: Co-I (PI: Whooley)</p>	4/2014-3/2017
<p>“Interdependence of Stress among Patients and their Family Caregivers” Funded by Stanford Department of Psychiatry and Behavioral Sciences The objective of this study is to determine whether patient and caregiver responses for stress, physical activity, and sleep are interdependent as measured by both self-report and objective markers. Role: PI</p>	2/2017-2/2019

<p>“Web-based Self-management Tool Targeting Patients and their Informal Caregivers” This project supports the development and pilot testing of a web-based program aimed at improving communication, collaboration, and stress management within patient-caregiver dyads. Role: PI</p>	6/2017-11/2018
<p>“Evaluating a new model of primary care mental health integration in the VA” VA Central Office Supplemental Funds This project will evaluate the implementation of a new PCMHI model that is being piloted in Monterey, CA. Role: PI</p>	7/2016-7/2017
<p>“Telemonitoring Enhanced Support for Depression of Self Management” NIH OBSSR Supplement The research objective of this supplement is to understand how depressed patients and two of their informal caregivers collaborate to improve depression self-management. Role: Multiple PI (with Dr. James Aikens)</p>	10/2015-9/2017
<p>“Phase II Evaluation of the VA HSR&D Career Development Program” VA HSR&D SDR 11-439 This study is evaluating mentorship within the VA HSR&D Career Development Award (CDA) Program, and the association between mentorship and subjective and objective mentee and mentor outcomes. Role: Co-I (PI: Dr. Steve Asch)</p>	1/2013-1/2018
<p>“The Feasibility of Evaluating the Expansion of VA Home-and Community-based Services using the Health and Retirement Study The objective of this study is to determine the feasibility of merging HRS and VA data to obtain an accurate understanding of the value of home and community-based services for the VA. Role: Co-I (PI: Dr. Josephine Jacobs)</p>	10/2017-9/2019
<p>“The impact of psychiatric bed availability on ED diversion and suicide risk” VA Office of Rural Health The objective of this study is to evaluate whether patients who are diverted from EDs due to lack of inpatient bed availability are at a higher risk of poor outcomes including death by suicide. Role: Co-PI (with Dr. Peter Kaboli)</p>	10/2018-12/2019
<p>“Engaging Veterans and Family Supporters in PACT to Improve Diabetes Management” VA HSR&D IIR This study will test a strategy to strengthen the capacity of caregivers to help patients with high-risk diabetes engage in patient centered care and successfully enact care plans. Providing health care engagement tools to both caregivers and patients is expected to increase patient activation and improve diabetes management. Role: Co-I (PI: Dr. Rosland)</p>	10/2014-9/2019
<p>“Understanding Patient Management of COPD Exacerbations” VA HSRD IIR 14-060-3 The research objective of this grant is to understand medical and psychosocial contributors to COPD exacerbations, and then develop an intervention for early identification of exacerbations. Role: Co-I (PI: Dr. Fan)</p>	10/2015-9/2019

9. PRESENTATIONS

***denotes senior author**

a) Conference Presentations

1. **Trivedi, R.**, Hughes, J.W., Blumenthal, J.A., Hinderliter, A., & Sherwood, A. (2003, March). Postmenopausal women show elevated systemic vascular resistance at rest and during stress. Poster presented at the 61st Annual Meeting of the American Psychosomatic Society, Phoenix, AZ. (**"citation poster" i.e., top 5% of abstracts**)
2. **Trivedi, R.**, Blumenthal, J.A., & Sherwood, A. (2004, March). Blood pressure recovery as an independent marker of essential hypertension risk. Poster presented at the 62nd Annual Meeting of the American Psychosomatic Society, Orlando, FL.
3. **Trivedi, R.**, Blumenthal, J.A., Hinderliter, A.L., Johnson, K., & Sherwood, A. (2006, March). Psychosocial predictors of hospitalizations in congestive heart failure patients. Poster presented at the 64th Annual Meeting of the American Psychosomatic Society, Denver, CO. (**"citation poster" i.e. top 5% of abstracts**)
4. **Trivedi, R.** & Edelman, D. (2008, June). Effects of caregiver stress on medical outcomes in patients with congestive heart failure. Poster presented at the 14th Annual NRSA Trainees Research Conference, Washington, DC.
5. **Trivedi, R.**, Ayotte, B., Edelman, D., & Bosworth, H. (2008, March). Emotional well-being is associated with lifestyle adherence in hypertensive patients. Poster presented at the 66th Annual Meeting of the American Psychosomatic Society, Baltimore, MD.
6. **Trivedi, R.B.**, Ayotte, B.J., Thorpe, C.T., Edelman, D.E., & Bosworth, H.B. (2009, March). A latent class analysis approach to characterizing non-adherent hypertensive patients. Poster presented at the 67th Annual Meeting of the American Psychosomatic Society, Chicago, IL.
7. **Trivedi, R.B.** (2009, June). Is there a non-adherent subtype of hypertensive patient? A latent class analysis approach. Oral presentation at the 15th Annual NRSA Trainees Research Conference, Chicago, IL.
8. **Trivedi, R.B.**, Piette, J., Fihn, S.D., & Edelman, D. (2011, February). The influence of spousal well-being on disease management in heart failure: Conceptual model and pilot data. Poster presented at the 2011 National Meeting of VA Health Services Research and Development, National Harbor, MD.
9. **Trivedi, R.B.**, Bryson, C.L., Udris, E., & Au, D. (2011, March). Caregivers may influence adherence to antihypertensive medications in COPD patients. Poster presented at the 69th Annual Meeting of the American Psychosomatic Society, San Antonio, TX.
10. Zeliadt, S.B., Bonner, L.M., **Trivedi, R.B.**, Simons, C., Kimmie, C., Hannon, P., Vu, T., Zipperer, C., Porter, M.P., & Lin, D.W. (2011, May). A randomized pilot study to assess anxiety related to distributing a prostate cancer treatment decision aid prior to biopsy. Paper presented at the American Urological Association Annual Meeting, Washington, DC.
11. **Trivedi, R.B.** & Zeliadt, S.B. (2011, June). Isolation across the US and its effects on ischemic heart disease (IHD) outcomes. Poster presented at the annual meeting of Academy Health, Seattle, WA.
12. **Trivedi, R.B.** & Zeliadt, S.B. (2011, June). Isolation across the US and its effects on ischemic heart disease (IHD) outcomes. Poster presented at the 1st Annual Research Meeting in the Department of Health Services, Seattle, WA. (*Selected for panel discussion.*)
13. **Trivedi, R.B.**, Nieuwsma, J.A., McDuffie, J., Kronish, I., Benjamin, D., & Williams, J.W., Jr. (2011, August). Brief psychotherapy for depression: Findings from a systematic review and implications for primary care. Paper presented at the Veterans' Affairs Mental Health Conference, Baltimore, MD.
14. Nieuwsma, J.A., McDuffie, J., **Trivedi, R.B.**, & Williams, J.W., Jr. (November 2011). Efficacy of brief psychotherapy for depression in primary care. In J.A. Nieuwsma (Chair), *Brief psychotherapy outside the mental health clinic: Evidence and innovations for expanding access to care*. Symposium conducted at the 45th Annual Convention for the Association for Behavioral and Cognitive Therapies, Toronto, ON.
15. **Trivedi, R.B.**, Gerrity, M., Rumsfeld, J.S., Spertus, J.A., Sun, H., McDonell, M., Doak, M., Lucas, L., Fihn, S.D. (2012, April). Depressive symptoms and angina burden in ischemic heart disease (IHD) patients: The Collaborative Cardiac Care Project. Poster presented at the 33rd Annual Meeting of the Society of Behavioral Medicine, New Orleans, LA.
16. **Trivedi, R.B.**, Beaver, K., Zeliadt, S.B., Nelson, K., Eugenio, E., Rosland, A.M., Grimesey, J., Bouldin, E., & Piette, J.D. (2013, March) Who are informal caregivers? Results from a nationally-representative study. Poster presented at the 34th Annual Meeting of the Society of Behavioral Medicine, San Francisco, CA.
17. **Trivedi, R.B.**, Kivlahan, D., McCarthy, J.F., Post, E.P., Saxon, A.J., Pomerantz, A., Sun, Sun, H., Piette, J.D., Fihn, S.D., & Nelson, K. (2013, April) Burden of mental illness among VA primary care patients. Poster presented at the 36th Annual Meeting of the Society of General Internal Medicine, Denver, CO.

18. **Trivedi, R.B.**, Kivlahan, D., McCarthy, J.F., Post, E.P., Saxon, A.J., Pomerantz, A., Sun, Sun, H., Piette, J.D., Fihn, S.D., & Nelson, K. (2013, June) Prevalence of mental illness among VA primary care patients and relationship to clinical outcomes. Poster presented at the Annual Research Meeting of AcademyHealth, Baltimore, MD.
19. **Trivedi, R.B.** (2013, August). Giving an effective job talk. In: *Shahane, A. (Chair) A guide to navigating career success for the early career health psychologist*. Symposium conducted at the American Psychological Association Annual Convention, Honolulu, HI.
20. **Trivedi, R.B.**, Sylling, P., Wong, E.S., Liu, C.F., Hebert, P.L., Kivlahan, D., Post, E.P., Pomerantz, A.S., Fihn, S.D., & Nelson, K. (2014, April). Relationship of mental illness and ambulatory care sensitive condition (ACSC)-related hospitalizations among veterans seen in VHA primary care. Poster presented at the Annual Meeting of the Society of General Internal Medicine, San Diego, CA.
21. **Trivedi, R.B.**, Sylling, P., Wong, E.S., Liu, C.F., Hebert, P.L., Kivlahan, D., Post, E.P., Pomerantz, A.S., Fihn, S.D., & Nelson, K. (2014, June). Relationship of mental illness and ambulatory care sensitive condition (ACSC)-related hospitalizations among veterans seen in VHA primary care. Paper presented at the AcademyHealth 2014 Annual Research Meeting, June 9, 2014, San Diego, CA.
22. Quiñones, A.R., Thielke, S.M., Beaver, K.A., **Trivedi, R.B.**, Williams, E.C., & Fan, V.S. (2014, November). Racial/ethnic differences in depression care for veterans. Poster presented at the 67th Annual Scientific Meeting of The Gerontological Society of America, Washington, DC.
23. Slightam C, Fan VS, Piette JD, Nelson K, Rosland AM, Heidenreich P, Asch S, Timko C, Hebert PL, Zeliadt SB, Nevedal A, **Trivedi RB.*** (2015, Nov). Providers' perceptions of institutional, patient, and family barriers to heart failure care. Poster presented at the 68th Annual Scientific Meeting of the Gerontological Society of America, Orlando FL.
24. **Trivedi RB**, Slightam C, Fan VS, Piette JD, Nelson K, Rosland AM, Heidenreich P, Asch S, Timko C, Hebert PL, Zeliadt SB. (2015, Nov). SUCCEED: A pilot study of a heart failure self-management program for couples. Poster presented at the 68th Annual Scientific Meeting of the Gerontological Society of America, Orlando FL.
25. Bouldin ED, Aikens JE, Piette JD, **Trivedi RB.*** (2016, April) Factors associated with similarities between patient and out-of-home supporters' ratings of the patient's depressive symptoms. Society of Behavioral Medicine annual meeting. Paper presented at the 37th Annual Scientific Meeting of the Society of Behavioral Medicine, Washington, DC.
26. Slightam C, Nevedal A, Fan VS, Piette JD, Nelson K, Rosland AM, Heidenreich P, Asch SM, Timko C, Hebert PL, Zeliadt SB, **Trivedi RB.*** (2016, April). b) Invited Presentations

1. **Trivedi, R.B.** (1998) Invited speaker for Annual Seminar "Masters' Careers in Psychology," Augusta State University, Augusta, GA.
2. **Trivedi, R.B.** (1999) Invited speaker for Annual Seminar "Masters' Careers in Psychology," Augusta State University, Augusta, GA.
3. **Trivedi, R.B.** (2008, November) "Understanding Patient & Caregiver Factors Affecting Outcomes in Cardiovascular Disease: 2 Studies" Center for Research on Health Care/VA CHERP/RAND Seminar Series, University of Pittsburgh.
4. **Trivedi, R.B.** (2009, March) "Understanding Patient & Caregiver Factors Affecting Outcomes in Cardiovascular Disease Patients" Northwestern Center of Excellence in Primary Care, VA Puget Sound, Seattle, WA.
5. **Trivedi, R.B.** (2011, February) Workshop Co-Leader: Recruitment and retention: Key challenges in conducting research with patient-caregiver dyads *In: Piette, J. (Chair) Emerging Research on Caregiving*. Invited workshop

conducted at the VA Health Services Research & Development. National Harbor, MD.

6. **Trivedi, R.** (2011, May) Depression and heart disease in Asian American Pacific Islander (AAPI) communities. In: R. Vaiyapuri (chair) "Health disparities in Asian Pacific American Communities," Federal Asian Pacific American Council Annual National Leadership Training Conference, Bellevue, WA.
7. **Trivedi, R.** (2010, November). Invited speaker: Couples caring for complex chronic conditions. PhD Seminar, University of Washington, Seattle, WA.
8. **Trivedi, R.** (2012, February). Examination of the utility of psychotherapy for patients with treatment resistant depression: A systematic review. In J. Kupersmith (Chair), VA Virtual Media Roundtable "Translating Mental Health Research into Health Care Excellence," Washington DC.
9. **Trivedi, R.** (2012, November). Caregiver influence on caregiver and patient well-being. PhD Seminar, University of Washington, Seattle, WA.
10. **Trivedi, R.** (2016, March). Burden of mental illness among Veterans seen in VA primary care. In "Case Study of PTSD from Several Perspectives: Mission Critical Veterans Health Summit: Addressing the Invisible Wounds of Our Nation's Veterans," Thought Leadership in Action Speaker Series, Gitenstein Institute for Health Law and Policy, Hofstra Master of Public Health, Long Island, NY.
11. **Trivedi, R.** (2016, August) "This is your body on stress." Peninsula Jewish Community Center, Foster City, CA.
12. **Trivedi, R.** (2016, November) "A brief overview of my career, and a pivot to yours." Postdoctoral Fellows' Seminar, Dept. of Psychiatry and Behavioral Sciences, Palo Alto, CA.
13. **Trivedi, R.** (2017, August). "The role of caregivers in chronic illness: Three studies." Webinar presented as part of the VA CDA Cyberseminar Series, August 9, 2017.
14. **Trivedi, R.** (2018, May). "SUCCEED: A self-management program for patients and caregivers." Presented at the University of Technology, Sydney, Australia.
15. **Trivedi, R.** (2018, May). "Leveraging the patient-caregiver dyad in advanced chronic illnesses: Challenges and opportunities." Invited Keynote Presentation, Palliative Care Nursing Australia Biannual Conference, Brisbane, Australia.
16. **Trivedi, R.** (2018, May). "Leveraging the patient-caregiver dyad in advanced chronic illnesses: Challenges and opportunities." Home-Based Primary Care Interest Group, Dept. of Veterans Affairs, Cyberseminar.
17. **Trivedi, R.** (2018, September) Panelist, Advancing mHealth Research in VA. Conference organized by Center for Mobile Apps Research Resources and Service (CMARRS).
18. Engle, R., Fix, G. & **Trivedi, R.** (2018, December) "Using Social Media Effectively" Series: Communication Strategies for Health Services Researchers. National Webinar for VA Cyberseminar,
19. **Trivedi, R.** (2019, April). "Psychosocial factors and clinical outcomes of chronic illnesses." Stanford Department of Psychiatry and Behavioral Sciences Geriatric Psychiatry and Neurosciences Grand Rounds.
20. **Trivedi, R.** (2019, April). "From Duke fellow to fellowship director at Stanford." Duke University Division of General Internal Medicine Works in Progress for Early Career Professionals, Durham, NC.
21. **Trivedi, R.** (2019, May). "Informal caregivers: A critical dimension of caring." Panel presentation during *Coding Caring: Human values for an intimate AI*, workshop hosted by AI100 and Stanford McCoy Family Center for Ethics in Society, Stanford, CA.
22. **Trivedi, R.** (2019, June). "Web-SUCCEED: A web-based self-management tool to support chronically ill patients and their family." In: *A sustainable future for chronic care*, hosted by Health Tech Forum at WeWork Golden Gate, San Francisco, CA.
23. **Trivedi, R.** (2019, August). "Helping patients and family manage chronic illnesses as a team." Caregiver Bootcamp, hosted by Stanford University Clinical Excellence Research Center.
24. Barrett, M., Roski, J., Tang, P. & **Trivedi, R.** (2019, November). Panelist for, "How artificial intelligence is changing health and healthcare" in "Artificial Intelligence in Healthcare: The Hope, The Hype, The Promise, The Peril," hosted by Stanford Presence.
25. **Trivedi, R.**, (2020, January). Panelist for "Why are you more important than I am?: How much should family caregivers sacrifice?" hosted by Stanford McCoy Family Center for Ethics in Society. [Event open to public]
26. **Trivedi, R.** (2020, February). "'How do serious illnesses affect patient-caregiver relationships, and what can we do about it?'" VA Palliative and Hospice Care ELI/Core Series, hosted by VA National Office of Hospice and Palliative Care.
27. **Trivedi, R.** (2020, February). "Leveraging social and behavioral mechanisms to improve collaborations between patients and their informal caregivers." Stanford Cancer Survivorship Lecture Series.
28. **Trivedi, R.** (2020, February). "The importance of team-ness between patients and their family caregivers in managing chronic and serious illnesses." VA Geri-Scholars Training Program, hosted by VA Geriatric Research Education and Clinical Centers.

29. **Trivedi R.** (2020, March). "Bridging the gap between *artificial* intelligence and *natural* connections." Panelist for *Artificial Intelligence and Disability/Dependency: Equity, Access, and Interdependence*, hosted by Petrie-Flom Center for Health Law Policy, Biotechnology, and Bioethics at Harvard Law School and the Regenstrief Institute.
30. **Trivedi, R.B.**, Risbud, R., & Plummer, K. (2020, April). "Improving teamwork between patients with chronic illness and their informal caregivers." Stanford Prevention Research Center/Primary Care and Population Health Seminar Series.
31. **Trivedi, R.** (2020, August). Keynote speaker, Women's Network ERG Virtual Scholarship Ceremony, Pacific Gas & Electric Company.
32. **Trivedi, R.** (2020, August). Panelist, "Joy in Medicine during COVID." Organized by the American Association for Physicians of Indian Origin.
33. Risbud, R. & **Trivedi, R.B.** (2020, October). "Improving teamwork between patients with chronic illness and their informal caregivers." Stanford Prevention Research Center/Primary Care and Population Health Seminar Series.

10. OTHER RESEARCH EXPERIENCE

1. "Stress and Heart Failure: Prognosis and Mechanisms" (PI: Sherwood) 5/2003-6/2005
Prospective study examining biobehavioral correlates of patients with heart failure.
Role: Project Coordinator
2. "Effects of Donepezil on Cognitive Functioning among Patients Status Post CABG" 7/2003-5/2004
(PI: Blumenthal)
A placebo-controlled trial to evaluate the effects of Aricept® (donepezil) on cognitive functioning in patients who have undergone a coronary artery bypass graft.
Role: Research Assistant, Administered neurocognitive test battery
3. "Heart Disease in Women: Estrogen Effects on Hemodynamics" (PI: Sherwood) 9/2001-5/2002;
5/2003-8/2003
Cross-sectional study examining the acute effects of plant-based estrogen and progesterone on endothelial function in women with and without coronary artery disease.
Role: Research Assistant
4. "Children's Activity and Nutrition" (PI: Treiber) 5/1997-6/2001
Prospective study examining biobehavioral precursors to hypertension in children and adolescents without family history of hypertension.
Roles: Project Coordinator, Research Assistant, Intern
5. "Antecedents of Hypertension: Role of Race and Stress" (PI: Treiber) 5/1997-6/2001
Prospective study examining the role of race and stress as precursors to hypertension in children and adolescents with family history of hypertension.
Roles: Project Coordinator, Research Assistant, Intern
6. Georgia Cardiovascular Twin Study (PI: Treiber) 5/1997-6/2001
Prospective study examining gene-environment interactions in the development of risk factors of hypertension and cardiovascular disease in a sample of >400 pairs of European American and African American twins.
Roles: Project Coordinator, Research Assistant, Intern
7. "Stress Reduction-Prevention of High BP in Black Youth" (PI: Treiber) 6/1999-6/2001
Pre-post study examining the role of Transcendental Meditation® in reducing blood pressure among black youth.
Roles: Project Coordinator
8. "Transcendental Meditation® in Long-Term Meditators" (PI: Barnes) 6/1998-5/1998
Pilot study examining the differences in hemodynamic functioning between long-term

meditators and age-matched controls.

Roles: Project Coordinator

11. CLINICAL TRAINING

Health Psychology Postdoctoral Fellow, Medical/Surgical Consultation-Liaison Service

9/2006-9/2007

University of Wisconsin Hospitals & Clinics, Madison, WI

Supervisors: M. Denise Connelly, PhD; Jack Sherman, PhD

Assessment and treatment for medical inpatients and outpatients with comorbid psychiatric symptoms including burn, trauma, cardiology, oncology, hospitalist care, palliative care; pre-surgical evaluations for kidney donors, and potential recipients of kidney transplant, heart transplant, and left ventricular assist device (LVAD). Provided outpatient psychotherapy to patients with comorbid medical and psychiatric conditions. Conducted decisional capacity evaluations. Established a health psychology outpatient clinic within the burn outpatient clinic to provide continuity of care between inpatient and outpatients, and to serve burn injury outpatients with adjustment difficulties. Led support groups among nurses in charge of complex inpatients. Initiated study examining depression and anxiety as predictors of PTSD in burn patients.

Health Psychology Intern

7/2005-6/2006

University of Wisconsin Hospitals & Clinics, Madison, WI

Training Directors: Greg Kolden, PhD, Joel R. Wish, PhD, Stephanie Farrell, PhD

Assessment and treatment for medical inpatients with comorbid psychiatric symptoms in non-psychiatric wards including burn, trauma, rehabilitation, cardiology, oncology, hospitalist care, palliative care; outpatient psychotherapy for patients with psychiatric illness, HIV/AIDS, neurological diseases, and cardiovascular diseases. Trained in biofeedback.

3. Clinical Practicum Student

Duke University, Durham, NC

1. CBT/DBT Clinic

7/2004-6/2005

Individual and group therapy using CBT and DBT to patients with Axis I and II disorders; Co-led DBT group skills training sessions

Supervisor: Clive Robins, PhD

2. Solid Organ Transplant Service

5/2003-5/2004

Pre-surgical evaluation of solid organ transplantation candidates and kidney donors; administered neuropsychological tests to patients status post coronary artery bypass graft.

Supervisor: James A. Blumenthal, PhD

3. Duke University: Department of Psychology Training Clinic

5/2002-8/2003

Individual psychotherapy with patients with mood disorders; established collaboration with the endocrinology clinic at Duke University Medical Center to provide consultation to women newly diagnosed with polycystic ovary syndrome

Supervisor: Ron Batson, MD

12. TEACHING

a) Formal Courses

Dept. of Psychology, Augusta State University, Augusta, GA

5/1997-7/1997

Course: Introduction to Psychology (Undergraduate)

Supervisor: Stephen H. Hobbs, PhD

Role: Teaching Assistant

of Students: 60

Dept. of Psychology, Augusta State University, Augusta, GA <u>Course:</u> Proseminar I (Introduction course, Graduate) <u>Supervisor:</u> Stephen H. Hobbs, PhD <u>Role:</u> Teaching Assistant <u># of Students:</u> 25	9/1997-12/1997
Dept. of Psychology, Augusta State University, Augusta, GA <u>Course:</u> Abnormal Psychology (Undergraduate) <u>Supervisor:</u> Stephen H. Hobbs, PhD <u>Role:</u> Teaching Assistant <u># of Students:</u> 25	1/1998-3/1998
Dept. of Psychology, Augusta State University, Augusta, GA <u>Course:</u> Personality Assessment (Graduate) <u>Supervisor:</u> John T. Sappington, PhD <u>Role:</u> Teaching Assistant <u># of Students:</u> 25	1/1998-3/1998
Dept. of Psychology, Duke University, Durham, NC <u>Course:</u> Research Methods in Health Psychology (Undergraduate) <u>Supervisor:</u> James A. Blumenthal, PhD <u># of Students:</u> 10	1/2002-5/2002

b) Other Teaching:

PhD Preliminary Exam Article Review Co-Examiner (with Steve Zeliadt, PhD)	5/2011-8/2012
Director of Training and Education, Center for Innovation to Implementation, VA Palo Alto Health Care System to I Office of Academic Affairs Advanced Fellowship in Health Services Research	3/2017-Present
Director of Training and Education, Elizabeth Dole National Center for Veteran Caregiver Research	7/2019-Present

13. ADVISING AND FORMAL MENTORING [see also mentorship table at the end]

a) Masters' Theses, Non-chair: David Montgomery (2 nd Year MPH Student, University of Washington)	3/2010-8/2010
b) Masters' Theses, Chair Virginia Weir, MPH University of Washington	9/2011-6/2012
Juliah Shay Rynne Kim, MS, Community Health Prevention Research Master's Program, Stanford University	9/2016-6/2017
Ambri Pukhraj, MS, Community Health Prevention Research Master's Program, Stanford University	9/2017-8/2018
Katie Plummer, Community Health Prevention Research Master's Program, Stanford University	9/2018-6/2020
Kawena Hirayama, Community Health Prevention Research Master's Program, Stanford University	2/2020-8/2020
c) Doctoral Students, non-chair Madhuvanathi Suresh	8/2019-Present
d) Mentored Scientists Kelly McDermott, PhD VA Health Services Analyst	1/2010-9/2012
Denise Cooper, PhD VA Health Services Postdoctoral Fellow	8/2011-12/2014
Joel Grossbard, PhD VA Health Services Postdoctoral Fellow	10/2010-7/2013
Erin Bouldin, PhD, VA Health Services Postdoctoral Fellow	10/2014-12/2018

Jessica Yu, Psychology Intern	8/2015-8/2016
Shelby Scott, Psychology Intern	2/2016-8/2016
Patricia Espinosa, Psychology Intern and Postdoctoral Fellow	8/2017-8/2020
Jennalee Wooldridge, Psychology Intern and Postdoctoral Fellow	2/2018-Present
Jessica Geller, PhD, VA Health Services Postdoctoral Fellow	10/2017-12/2018
Rachel Schwartz, PhD, VA Health Services Postdoctoral Fellow	11/2017-Present
Coral Anderson, MD, Visiting Scholar	11/2017 Present
Kendall Browne, PhD, Director, Center of Excellence for Substance Abuse Treatment and Education	6/2014-Present
Michelle Lanpher Patel, PhD Postdoctoral Fellow	2/2019-Present
Mary Wyman, PhD, Clinical Associate Professor	1/2019-Present
Marika Blair Humber, PhD Postdoctoral Fellow	2/2020-Present
Sarah Javier, PhD Postdoctoral Fellow	6/2019-Present
Fernanda Rossi, PhD Postdoctoral Fellow	1/2020-Present

14. OTHER SKILLS

a) Languages

Fluent in English, Hindi, and Gujarati (speaking, reading, and writing)

b) Instrumentation
