

Curriculum Vitae Marcy Winget

WORK ADDRESS: 1265 Welch Rd.
MSOB x214
Division of General Medical Disciplines
Stanford University
Palo Alto, CA 94305

E-MAIL: mwinget@stanford.edu

PHONE: (650) 725-5669

EDUCATION:

Doctor of Philosophy, 1996 in Epidemiology
Johns Hopkins University, School of Hygiene and Public Health, Baltimore, MD
USA.

Master of Health Science, 1992 in Biostatistics
Johns Hopkins University, School of Hygiene and Public Health, Baltimore, MD
USA.

Bachelor of Science, 1985 in Genetics
University of California at Davis, Davis, California, USA.

PROFESSIONAL EXPERIENCE:

Clinical Associate Professor, Department of Medicine, School of Medicine,
Stanford University. August 1, 2014 – current.

Clinical Instructor, Department of Medicine, School of Medicine, Stanford
University. July 1, 2014 – July 31, 2014.

Adjunct Professor, School of Public Health, University of Alberta. January 2014 –
December 2016.

Researcher, Safeguard World International (contracting agency for Stanford
University). March 2014 – June 30 2014.

Associate Professor (Joint Appointment), School of Public Health, University of
Alberta. January 2009 – December 2013.

Director, Innovation and Decision Support, Cancer Measurement, Outcomes,
Research and Evaluation (C-MORE), CancerControl Alberta, Alberta Health
Services. February 2013 – February 2014.

Leader, Research and Evaluation, Community Oncology, Cancer Care, Alberta
Health Services. July 2007 – January 2013.

Associate Adjunct Professor, School of Public Health, University of Alberta.
October 2004 – December 2008.

Senior Outcomes Analyst, Population Health and Information, Alberta Cancer Board. September 2004 – June 2007.

Staff Scientist, Cancer Prevention Program, Public Health Science Division, Fred Hutchinson Cancer Research Center. Program Director of the Data Management and Coordinating Center of the US National Cancer Institute's Early Detection Research Network involving 38 institutions. April 2000 – June 2004.

Project Director, Statistics and Epidemiology Research Corp.
Responsible for design, implementation, coordination, analysis, and reporting of clinical trials and epidemiological studies. October 1996 – December 1999.

Biostatistical Consultant, International Health Department, School of Hygiene and Public Health, Johns Hopkins University. Analyzed data for a case/control study looking at the effect of indoor air pollution on children's health and for an immunization coverage study of children living on a Navajo reservation. November 1993 – February 1995.

Biostatistical Consultant, Immunology Department, School of Hygiene and Public Health, Johns Hopkins University. Analyzed data for a preliminary study to determine a sensitive and specific immunologic assay for determining onchocerciasis infection in children living in Sierra Leone. March – June 1992.

Biostatistical Consultant, Wilmer Eye Institute, Johns Hopkins University Medical School. Analyzed data for a clinical trial investigating the relationship of vitamin A supplementation and immunological response to vaccinations in Indonesian children. September 1990 – April 1991.

Teaching Assistant, Biostatistics and Epidemiology Departments, School of Hygiene and Public Health, Johns Hopkins University. September 1989 – June 1993.

Research Assistant, Genentech, Inc.
Made, purified and characterized monoclonal antibodies against various growth factor receptors. Initiated development of the drug Herceptin. October 1985 – June 1989.

HONORS/AWARDS:

Travel Award - Top 10 abstract from North America, International Primary Care and Cancer Research Group Meeting, Copenhagen, April 2009

Thomas C. Chalmers Award - Best student paper and presentation, Society of Clinical Trials' 1995 meeting.

National Research Service Award Trainee - Clinical Trials Program in Vision Research: National Institute of Health, National Eye Institute, 1991-1995.

Departmental Scholarship - Biostatistics Department, School of Hygiene and Public Health, Johns Hopkins University, 1989-1991.

PROFESSIONAL ACTIVITIES:

Grant Review Panels

- Reviewer, Alberta Cancer Foundation Summer Studentship Review Committee, March 2014.
- Reviewer, University of Alberta Grant Assist Program for CIHR Operating Grant Applications. Application entitled in "Night-time Compression for Breast Cancer Related Lymphedema: A Randomized Controlled Clinical Trial", Dr. Margaret McNeely, U of A, August 2013.
- Reviewer, Alberta Cancer Foundation Training Award Review Committee, April – May 2013.
- Reviewer, University of Alberta Grant Assist Program for CIHR Operating Grant Applications. Application entitled "Attitudes towards Cancer in Arctic Communities & Examining uptake of Screening Services: The ACCESS Project", Dr. Sangita Sharma, U of A, January 2013.
- Reviewer, Canadian Cancer Society Research Institute, December 6-7, 2012.
- Reviewer, Health Services Evaluation & Interventions Research grants committee, Canadian Institute for Health Research, May 10 –11, 2012.
- Reviewer, Health Services Evaluation & Interventions Research grants committee, Canadian Institute for Health Research, November 30 – December 1, 2011.
- Scientific Officer, "*Catalyst Grant: Bioinformatics Approaches to Cancer Research*" peer review committee, Canadian Institute for Health Research, June 22, 2009.
- Reviewer, Recruitment and Retention Grants Review Committee, Alberta Cancer Board, January and December 2008.
- External Ad hoc Reviewer, Kentucky Science & Engineering Foundation, June 2008.
- Reviewer, National Cancer Institute of Canada, Panel L. February 2008 and 2009.
- Member, Bridge and Pilot Research Funding Review Committee, Alberta Cancer Board. January 2006 – January 2008.

Ethics Review Boards

- Member, Institutional Review Board, Committee A, Fred Hutchinson Cancer Research Center. September 2000 – June 2004.

Committees (AHS: Alberta Health Services)

- Chair, Indicator Development Committee CancerControl Alberta, 2013-2014.
- Member, System Performance Methodology Measurement Working Group, Canadian Partnership Against Cancer, 2013-2014.
- Chair, Cancer Research Data Request Committee, CancerControl, AHS, June 2013-2014.
- Member, Systemic Therapy Council, AHS 2013 – 2014.
- Member, Supportive Care Council, AHS 2013 – 2014.
- Member, Radiation Therapy Council, AHS 2013 – 2014.
- Member, Cancer Strategic Clinical Network Steering Committee, AHS, 2012 – 2014.
- Member, Cancer Strategic Clinical Network Data Experts Working Group, AHS, 2012 – 2014.
- Member, Physician Learning Program Colorectal Cancer Expert Advisory Panel, 2012 – 2014.
- Member, Alberta Health Services Operational Policy on Wait Time Management and Measurement Committee, 2012- 2014.
- Member, Alberta Health Services Performance Measures Development Working Group, 2010- 2014.
- Member, Cancer Care Operations Committee, AHS, 2012 – June 2013.
- Member, Clinical Core Group, Radiation Therapy Corridor Project, Alberta Cancer Board. 2008-2012.
- Member, Alberta Health & Wellness, Cancer Performance Measures Evaluation Working Group, 2011-2012.
- Member, Evaluation Working Group, Radiation Therapy Corridor Cancer Care, Alberta Health Services, 2011-2012.
- Member at Large, Canadian Society of Epidemiology and Biostatistics, 2011-2012.
- Co-chair, Alberta Health Services TIP2 Wait-time Measures and Management Working Group, 2010-2011.
- Member, Radiation Therapy Corridor Wait Time Guarantee Working Group, Cancer Care, Alberta Health Services, 2010-2012.
- Chair, Data Definitions and Wait Time Working Group, Radiation Therapy Corridor Project, Alberta Cancer Board. 2008-2010.
- Member, Information Management & Information Technology Working Group, Radiation Therapy Corridor Project, Alberta Cancer Board. 2008-2010.
- Member, AHW/ Alberta Cancer Board Liaison Committee, Radiation Therapy Corridor Project. 2008-2010.
- Co-Chair, Data Governance Working Group, Alberta Cancer Board. May 2008- April 2009.
- Member, Access Committee of the Provincial Family Physician Initiative, Phase II, Implementation. 2008-2010.
- Member, Home Chemotherapy and Tele-oncology Evaluation Committee, Alberta Cancer Board. 2008-2010.

- Member, Home Chemotherapy and Tele-oncology Planning Committee, Alberta Cancer Board. 2008-2010.
- Member, Access Improvement Measures Team, Cross Cancer Institute, 2008-2009.
- Member, Provincial Data Elements & IM/IT Working Group, Prostate Cancer Access Project. 2008-2009.
- Member, Provincial Breast Cancer Projects Evaluation Team. March 2007-2010.
- Member, Information Management & Information Technology Committee, Comprehensive Breast Cancer Program. 2007-2009.
- Member, Comprehensive Breast Cancer Program Demonstration Project Evaluation Team. March 2007- April 2009.
- Internal Advisor, Integrated Cancer Care Network Steering Committee. 2004-2009.
- Member, Provincial Data Quality and Outcomes Committee, Alberta Cancer Board. 2004–2008.
- Member, Alberta Cancer Board Cervical Screening Program Evaluation Committee. 2004 –2007.

Student Supervision

- Stacey Fisher, Master’s student, School of Public Health, University of Alberta. Co-supervisor 2012-current.
- Julian Kim, Master’s student, School of Public Health, University of Alberta. Co-supervisor 2012-2014.
- He Gao, Master’s student, School of Public Health, University of Alberta. Co-supervisor 2011-2014.
- Erin Kreiter – PhD student, School of Public Health, University of Alberta, Co-supervisor 2010-withdrew due to health issues.
- Weihong Hu, Master’s student, School of Public Health, University of Alberta. Co-supervisor 2010-2012.
- Mohamed El Shayeb – Master’s student, School of Public Health, University of Alberta. Co-supervisor 2008-2011.
- Shakhawat Hossain – Postdoctoral Fellow, School of Public Health, University of Alberta. Co-supervisor, 2008-2010.
- Isac Lima – Master’s student, School of Public Health, University of Alberta. Co-supervisor 2008-2010.
- Xue Li – MPH Student, School of Public Health, University of Alberta. Summer supervisor 2008.

Miscellaneous

- Invited member: Expert Methodology Working Group, Canadian Partnership Against Cancer, 2013.
- Invited participant, Treatment Data Working Group Meeting, Canadian Partnership Against Cancer, December 12, 2011.
- Session Chair, “A3: Orals - Ethnicity, Immigration and Health.” 2009 Annual

CAHSR (Canadian Association for Health Services and Policy Research) Conference, Calgary, Alberta, May 2009.

- Project Lead, Referral Date Pilot Project, Dec 2007- Dec 2009.
- Session Leader, “Connecting the dots between epidemiology, health services research, and health policy,” Alberta Cancer Board Annual Research Meeting, Banff November 2007.

GRANTS AWARDED (Principal investigator unless otherwise noted)

1. Population-based evaluation of quality and timeliness of breast cancer care. Funded by Canadian Institute of Health Research, 2011–2014. Funded amount \$341,539.
2. Breast Care Programs – Alberta Society of Radiologists Data. Funded by Alberta Cancer Foundation Enhanced Care grant competition, 2010 –2011. Funded amount \$98,500.
3. MACO Research Program Support, Priority Research Request. Funded by Alberta Cancer Research Institute, 2008 –2012. Funded amount \$888,850.
4. Health Services Research Program on Patient-Centered Care, MACO Priority Research Request. Funded by Alberta Cancer Research Institute, 2009–2011. Funded amount \$235,100.
5. Evaluation and measurement of time to care for colorectal cancer patients from pre-diagnosis to death using population-based data sources. Funded by National Cancer Institute of Canada (Canadian Cancer Society), 2007- 2010. Funded amount \$262,140.
6. Identification and evaluation of colorectal cancer patient trajectories from pre-diagnosis to death. Funded by Alberta Cancer Foundation, 2007–2009. Funded amount \$167,350.
7. Database linkage to identify and quantify use of key health services from pre-diagnosis to treatment and time between services for colorectal cancer patients. Funded by Canadian Institute of Health Research, 2007–2008. Funded amount \$97,600.
8. Moving Evidence to Application: A Three Province Cancer Collaboration. Funded by Canadian Institute of Health Research, 2005–2006. Funded amount \$100,000.
9. A population-based study of the cardiovascular complications of modern anti-cancer drug therapy. Funded by CIHR, 2013-2015. Funded amount: \$276,164. **PI:** Marcello Tonelli.
10. Canadian Team to Improve Community-Based Cancer Care along the Continuum (CanIMPACT). Funded by CIHR, 2013-2019. Funded amount: \$2,476,364. **PI:** Eva Grunfeld.
11. Quality of cancer care in remote-dwelling Canadians. Funded by Canadian Institute of Health Research, 2013-2016. Funded amount: \$237,868. **PI:** Marcello Tonelli.
12. Identifying Care Gaps in the Breast Cancer Diagnostic Trajectory. Funded by MSI foundation, 2012-2014. Funded amount: \$90,000. **PI:** Yan Yuan.
13. CIHR Team: Integrating primary health care along the cancer care continuum. Funded by CIHR Planning Grants, 2011-2012. Funded amount: \$24,745. **PI:** Mary Louise McBride.

INVITED SPEAKER:

1. Provincial Gastrointestinal Tumor Group Meeting, November 18, 2011, Calgary, Alberta: "Evaluation of the Quality of Colorectal Cancer Care: Variation in Treatment Patterns – Is There Too Much?"

2. Provincial Gastrointestinal Tumor Group Meeting, November 18, 2011, Calgary, Alberta: "Comparative Effectiveness Study of Capecitabine vs 5-FU/LV"
3. Guest Speaker: Kootenay Open House, Canadian Cancer Society Southern Interior Region, September 30, 2011, Fernie, BC: "Screening 101 and Evaluating Quality of Cancer Care at the Population-Level"
4. Guest Speaker: Kootenay Volunteer Summit, Canadian Cancer Society Southern Interior Region, October 1, 2011, Fernie, BC: "Screening 101 and Evaluating Quality of Cancer Care at the Population-Level"
5. Winget M, Yasui Y. International Conference for Health Statistics in the Pacific Islands, July 7, 2011, Suva, Fiji: "Practical Examples From Health Services Research"
6. Winget M, Yasui Y. International Conference for Health Statistics in the Pacific Islands, July 8, 2011, Suva, Fiji: "Introduction to Logistic Regression"
7. Grand Rounds, Tom Baker Cancer Centre, May 18, 2011, Calgary, Alberta: "Is there equitable access to quality cancer care in Alberta?"
8. Lung Tumor Group Meeting, April 15, 2011, Calgary, Alberta: "Variation in Timely Access to Quality Care for NSCLC in Alberta"
9. Grand Rounds, Cross Cancer Institute, January 11, 2011 Edmonton, Alberta: "How do we know if patients receive quality cancer care?"
10. Department of Primary Care Seminar Series, Cardiff University, November 30, 2010, Cardiff, Wales, UK: "Canadian healthcare cancer priorities and a quality evaluation framework for cancer care"
11. Southern Alberta Cancer Research Institute Seminar Series, October 3, 2008, Calgary: "Systematic assessment of access to quality cancer care: Development of a research program."
12. Guest Speaker: University of Alberta, School of Public Health Sciences, October 2, 2008, Edmonton: "Systematic assessment of access to quality cancer care: Development of a research program."
13. Invitational Workshop on Access to Care Research Syntheses, Jan 15, 2008, Toronto: "Information available related to timeliness of care for cancer across the patient care continuum."
14. Alberta Cancer Board Provincial GI Tumor Group Annual Meeting, Nov 2006, Edmonton, Alberta: "Timely access to quality cancer care."
15. Annual Meeting of Canadian Association of Provincial Cancer Agencies, Oct 2006, Saskatoon, Saskatchewan: "Towards national standardization of the measurement and reporting of cancer care intervals."
16. Alberta Cancer Board Provincial Lung Tumor Group Annual Meeting, Oct 2006, Edmonton, Alberta: "NSCLC: the 2004 patient experience in Alberta."
17. University of Alberta, Dept of Public Health Sciences Grand Rounds, March, 2006, Edmonton, Alberta: "Data issues in standardizing definitions, measures, and reporting of cancer 'wait times': a three province feasibility study."
18. Cancer Wait Time Measurement Consensus Conference, Feb 2006, Toronto, Ontario: "Preliminary results of a three-province feasibility study towards standardizing the measurement and reporting of cancer care intervals."

19. Alberta Cancer Board Annual Research Meeting, Nov 2005, Banff, Alberta: “NSCLC: the 2004 patient experience in Alberta.”
20. Alberta Cancer Board Provincial Lung Tumor Group Annual Meeting, June 2005, Calgary, Alberta: “Adjuvant Chemo for Early Stage Lung Cancer: the ACB Experience.”

CONFERENCE PRESENTATIONS:

1. **Winget M**, Wong KO, Yuan Y. "Methods and Challenges in Evaluating Operational Programs: an Example from a Virtual Breast Patient Navigation Program" ARCC Conference, Vancouver, BC, May 27, 2013.
2. **Winget M**,* Yuan Y, Li M. "Development of Methods to Evaluate the Pre-Diagnostic Breast Cancer Patient Trajectory Linking Existing Population-Level Databases" 6th Annual Conference of the Ca-PRI Network Personalising Care along the Cancer, Cambridge, UK, April 15-16, 2013.
3. **Winget M**, Kreiter E, Hu W, Yasui Y, deGara C. “Variation in Adjuvant Chemotherapy Treatment Patterns for Colorectal Cancer by Surgical Hospital and Oncologist,” International Data Linkage Conference, Perth, Australia, May 3, 2012.
4. Fleming J, Hilsden R, **Winget M**. “Validating Endoscopy Data Across Different Administrative Data Sources” 3A: Using Record Linkage in Health Research. Health Data Users Conference 2011, Ottawa, Ontario, September 23, 2011.
5. **Winget M**, Neal R, Vedsted P. "Data, Methods, and Findings Across Three International Jurisdictions for Measuring the Pre-Diagnosis Trajectory for Colorectal Cancer Patients: Can We Compare Results?" (7) Cancer and Primary Care Research International Network (Ca-PRI) 4th international Annual Meeting, Noordwijkerhout, Netherlands, May 26-27, 2011.
6. **Winget M**,* Kreiter E, Yasui Y, de Gara C, White J. "Variation Between Hospitals in the Proportion of Colorectal Cancer Patients who See an Oncologist After Surgery" (C2.1) Association for Health Services and Policy Research 2011 Conference, Halifax, Nova Scotia, May 10, 2011.
7. Hu W, Yasui Y, Scarfe A, **Winget M***. “Evaluation of adherence to treatment guidelines for colorectal cancer care by oncologist.” INSIGHTS A Focus on Public Health Research, Edmonton, Alberta, Nov 10, 2010.
8. **Winget M**. “Quality colorectal cancer care: Barriers, patient outcomes, and potential solutions.” School Public Health Colloquium Series, University of Alberta, Edmonton, Alberta, October 26, 2010.
9. King C, **Winget M**. “Comparability of Colorectal Surgeries Identified From Alberta Cancer Registry to Those Identified From Alberta Health and Wellness Administrative Data.” INSIGHTS A Focus on Public Health Research, Edmonton, Alberta, Nov 12, 2009.
10. Hossain S, **Winget M**. “Identification and Evaluation of Pre-diagnosis Trajectories of Colorectal Cancer Patients Using Linked Administrative Data.” INSIGHTS A Focus on Public Health Research, Edmonton, Alberta, Nov 12, 2009.
11. **Winget M**. “How do we know if patients receive “quality care”?” School Public Health Colloquium Series, University of Alberta, Edmonton, Alberta, October 27, 2009.
12. **Winget M**, King C, de Gara C, Hilsden R, Klein D. “Identification and Evaluation of the Pre-Diagnosis Experience of Colorectal Cancer Patients: a framework for evaluating timely access to quality cancer.” Cancer Care 2009, Calgary, Alberta, May 2009.

13. Hossain S, Cree M, Scarfe A, **Winget M***. "Predictors of standard of care for stage III colon cancer patients living in Alberta." Canadian Association of Health Services and Policy Research Annual Meeting, May 2009.
14. King C, Blair M, Klein D, de Gara C, Hilsden R, **Winget M***. "Using Administrative Data to Distinguish Key Pre-Diagnosis Events Leading to a Colorectal Cancer Diagnosis." Data Users Conference 2008: *Linking the Health Information Chain*, Ottawa, Ontario, September 2008.
15. **Winget M**, King C, Gao Z. "Addressing data quality and completeness challenges when using EHR data for purposes other than patient management." Canadian Society of Epidemiology & Biostatistics Meeting, Calgary, Alberta, May 2007.
16. **Winget M**, Duong C, Gao Z. "Baseline data to measure timeliness of care for use in planning a comprehensive breast cancer program." Canadian Society of Epidemiology & Biostatistics Meeting, Calgary, Alberta, May 2007.
17. **Winget M**, King C, Gao Z. "Addressing data quality and completeness challenges when using EHR data for purposes other than patient management." e-Health 2007: Paths to Transformation, Quebec City, Quebec, May 2007.
18. **Winget M**, Polissar N. "Design of an effectiveness study for natural medicine in a non-research community health center." Society for Clinical Trials Annual Meeting, Anaheim, California. May 1998.
19. **Winget M**. "Publication and reporting of phase I cancer clinical trials." Society of Clinical Trials Annual Meeting, 1995.

POSTERS: (* denotes senior author)

1. **Winget M**, Groome P, McBride ML, Turner D, Jorgensen M, Kendell C, Porter G, Jiang L, Krzyzanowska M, Lofters A, Moineddin R, Grunfeld E, for the CanIMPACT Team. Using Canadian administrative data to understand the interplay between primary and oncology care of breast cancer patients during pre-diagnosis, treatment, and survivorship: a CanIMPACT study. *Eur J Cancer Care* 2014;23(Suppl 1) Sept. P26.
