EDUCATION

1971	Psychology	B.A.	University of California, Berkeley
1974	Developmental Psychology	M.A.	San Francisco State University
1981	Educational Psychology	Ph.D.	University of California, Berkeley

ACADEMIC APPOINTMENTS

1993 – Present	Senior Research Scholar, Division of General Medical Disciplines, Department of Medicine, Stanford University School of Medicine, Stanford, CA.
1985 -1992	Research Associate, Division of General Internal Medicine, Department of Medicine, Stanford University School of Medicine, Stanford, CA.

PROFESSIONAL EXPERIENCE

2001 – Present	<u>Co-Director</u> , “The Stanford Faculty Development Program for Medical Teachers.” Conduct facilitator- training program for national dissemination and local teaching improvement programs for Stanford medical faculty. Funding: Stanford University School of Medicine.
1998 – Present	<u>Director</u> , Stanford University Geriatric Education Resource Center. Distribute exportable resources designed to strengthen geriatric education in residency training programs. Resources developed by a national consortium of eight academic medical centers and the American Academy of Family Physicians. Original funding: The John A. Hartford Foundation.
2005 – 2008	<u>Co-Investigator</u> , “The Stanford Faculty Development Program for Professionalism in Contemporary Practice.” Used train-the-trainer program to disseminate a curriculum designed to enhance physicians’ leadership and teaching competencies related to professionalism. Topics included reflective practice, evidence-based care, patient-centered care, cultural competence, patient safety, quality improvement, and working in teams. Funding: Josiah Macy Jr. Foundation.
2002 – 2004	<u>Principal Investigator</u> , “The Stanford Faculty Development Program for Geriatrics in Primary Care.” Nationally disseminated faculty development program for medical teachers. Funding: The John A. Hartford Foundation.
2000 - 2004	<u>Co-Principal Investigator</u> , “The Stanford Faculty Development Program in Medical Decision Making for Contemporary Practice.” Developed and nationally disseminated curriculum designed to help medical faculty meet the challenges of practice in the managed care era. Funding: The Robert Wood Johnson Foundation.
1998 - 2003	<u>Principal Investigator</u> , “The Stanford Faculty Development Program for End-of-Life Care: A Train-the Trainer Model.” Developed and nationally disseminated curriculum designed to improve physicians’ delivery and teaching of end-of-life care. Funding: The Robert Wood Johnson Foundation.
1998 - 2002	<u>Principal Investigator</u> , “Enhancing Dissemination of Innovations in Geriatric Education: Phase II.” Stanford University Geriatric Education Resource Center disseminated

geriatric educational resources developed by a national consortium (Baylor College of Medicine; Harvard; Johns Hopkins; Stanford; UCLA; Chicago; Connecticut; Rochester; American Academy of Family Physicians). Implemented the Stanford Faculty Development Program for Geriatrics in Primary Care. Funding: The John A. Hartford Foundation.

- 1985 - 2000 Co-Principal Investigator (since 1994) and Project Director (1985-1993), "The Stanford Faculty Development Program." Developed and nationally disseminated three courses for primary care medical teachers: Clinical Teaching, Medical Decision Making, Preventive Medicine. Funding: 1985-1995, Dept of Health and Human Services (NIH); 1996-2000, Josiah Macy, Jr. Foundation.
- 1997 - 98 Co-Principal Investigator, "Enhancing Dissemination of Innovations in Geriatric Education." Coordinated development of educational products by Hartford Geriatrics in Primary Care Residency Training Initiative sites. Set up national distribution center. Funding: The John A. Hartford Foundation.
- 1995 - 97 Co-Principal Investigator, "The Geriatrics Educational Resource and Dissemination Center." Served as resource center for 7 academic medical centers under the "Geriatrics in Primary Care Residency Training Initiative," designed to strengthen geriatric education. Developed and implemented Stanford Faculty Development Program for Geriatrics in Primary Care. Funding: The John A. Hartford Foundation.
- 1994 - 96 Co-Principal Investigator, "The American College of Physicians Community-Based Teaching Project Faculty Development Program." Conducted national program to improve teaching by community-based physicians. Subcontract to the ACP for a grant funded by the Pew Charitable Trusts.
- 1992 - 93 Co-Investigator, "The implementation and evaluation of a teaching improvement method for faculty in the medical school basic sciences." Funding: Bing Teaching Initiative.
- 1/1992 - 12/1993 Project Coordinator, "A dissemination model for faculty development to improve ambulatory care education at Western Region Veterans Affairs Medical Centers." Funding: Western Region VAMC Ambulatory Care and Education Subcommittee.
- 1984 - 85 Research Scientist, Department of Education, Stanford University, Stanford, CA. Research on university faculty attitudes toward teaching improvement methods and development of methods to improve university teaching.
- 1981 - 85 Research Assistant: Division of General Internal Medicine, Stanford University Medical Center, Stanford, CA. Project Coordinator for research on methods to improve clinical teaching by attending physicians.
- 1979 - 81 Psychology Technician: Veterans Administration Medical Center, Palo Alto, CA. Sociolinguistic research: linguistic correlates of successful doctor-patient interaction.
- 1980 Videotape Consultant: Stanford University Medical Center, Stanford, CA. Development and implementation of a rating scale for evaluating teaching behaviors of attending physicians on ward rounds.
- 1975 - 77 Research Assistant: Institute of Human Learning, University of California, Berkeley, CA. Research: children's development of communication skills.
- 1974 - 75 Teaching Assistant: Department of Psychology, University of California, Berkeley, CA. Undergraduate courses: in general, social and personality psychology.
- 1973 - 75 Research Assistant: Department of Education, University of California, Berkeley, CA. Research: development of referential communication skills.

HONORS/AWARDS

2010 Visiting Professor, Osaka Medical College, Osaka, Japan
2011 2011 Annual Meeting Precourse Award, Society of General Internal Medicine
2011 Honorary Professor, Shantou University Medical College, Shantou, China

OTHER PROFESSIONAL ACTIVITIES

Journal Reviewer

1992 - Present *Journal of General Internal Medicine*

Professional Memberships

Society of General Internal Medicine
Group on Educational Affairs, Association of American Medical Colleges

Committees

1993 - 2002 Society of General Internal Medicine:
HRSA Poster Session Abstract Selection Committee (2002)
HRSA Poster Session Abstract Selection Committee (2001)
Education Committee (1999–2001)
Scientific Abstract Subcommittee: Learner Teacher Centered (2001)
Robert Glaser Award Selection Committee (2000)
HRSA Poster Session Abstract Selection Committee (2000)
National Clinician Educator Awards Committee (2000)
Medical Education Workshop Selection Committee (1996)
Medical Education Abstract Committee, SGIM (1993)

1997 The Robert Wood Johnson Foundation: “Last Acts” Provider Education Task Force, Subgroup on Centers for Excellence in Teaching End-of-Life Care

1997 American Geriatrics Society, Advisory Committee for “Enhancing Geriatric Care through Practicing Physician Education” (PI: Patricia Barry, MD)

1992 - 94 Western Region Veterans Affairs Medical Centers Ambulatory Care and Education (ACE) Education Subcommittee

Consulting

2001 - 2013 Gerontological Society of America. Hartford Geriatric Social Work Faculty Scholars Program: “Teaching Institute for Geriatric Social Work Faculty Scholars” [PI: Barbara Berkman, DSW]. Conduct an annual 3.5-day teaching course for 10 social work faculty from across the country.

2007 - 2008 Gerontological Society of America. Consultant on project to develop video vignettes of social work teaching interactions for the Hartford Geriatric Social Work Faculty Scholars Program; funded by the John A Hartford Foundation, administered by the Gerontological Society of America.

2007 Weill Cornell Medical College in Qatar/Hamad Medical Corporation, Doha, Qatar. Consultant on medical faculty development project to develop, implement and evaluate teacher training programs conducted in Qatar.

2004 - 2006 University of North Carolina, Chapel Hill, NC. Consultant for DW Reynolds Foundation grant entitled “Geriatric Practice Leaders Program” [PI: Jan Busby-Whitehead, MD]. Provided teaching training to North Carolina community-based physicians to prepare them to deliver learner-driven, evidence- and case-based modules on the clinical care of older adults to their colleagues.

- 2003 - 2005 University of Texas, Southwestern, Dallas, TX. External consultant for SGIM/Hartford Foundation grant entitled "Collaborative Centers for Research and Education in the Care of Older Adults." [PI: Lynne Kirk, MD, Co-PI: Craig Rubin, MD]
- 2002 University of North Carolina, Geriatric Practice Leader Project [PI: Jan Busby-Whitehead, MD]. Provided teaching training to multidisciplinary group of geriatrics educators: physicians, nurses, occupational therapists, physical therapists, and speech therapists.
- 2002 John A. Hartford Foundation, Strengthening Aging and Gerontology Education for Social Work Project. Served as site evaluator for project staff at the Council for Social Work Education.
- 1998 - 2002 John A. Hartford Foundation/American Geriatrics Society Project, "Enhancing Geriatric Care through Practicing Physician Education: Phase 2" [PI 1998-2000: Patricia Barry, MD; PI 2001-02: Sharon Levine, MD]. Designed and implemented program to train 60 practicing physicians at annual ACP and AAFP meetings to teach community peers a series of 2-hour modules on geriatric topics.
- 1998 University of California "Academic Geriatric Resource Program", UC Office of Health Affairs. Consulted for University of California system-wide, strategic planning retreat.. AGRP Mission: address unique health care needs of the rapidly rowing population of older persons in California by developing, implementing and evaluating programs to educate and train geriatrics health care providers in the multiple disciplines that care for older persons.
- 1993 - 98 Oregon Health Sciences University, Portland OR, "The Oregon Health Sciences University Faculty Development Program," [PI: David Hickam, MD]. Provided faculty development training at annual retreat for general internal medicine fellows/ faculty.
- 1993 - 94 Sepulveda Veterans Affairs Medical Center, Sepulveda, CA, "Creating a VA Western Region Ambulatory Care Education (ACE) Faculty Development Program: Centralized Support for On-Site Programs," [PI: Judith P. Delafield, PhD, MD]. Developed managed care faculty development plans for Veterans Affairs Medical Center staff.

Mentoring

- 2000 - 2003 Robert Wood Johnson Generalist Physician Faculty Scholar, Glenda Westmoreland, MD, Indiana University Medical School
- 1993 - 97 Robert Wood Johnson Generalist Physician Faculty Scholar, Debra Litzelman, MD, Indiana University Medical School
