

IDENTIFYING DATA

Paul K. Mohabir, MD
Stanford University School of Medicine
Division of Pulmonary and Critical Care
300 Pasteur Dr. H3143 Stanford, CA 94305-5236
Office: (650) 721-1892 Fax: (650) 725-5489
Email: mohabir@stanford.edu

ACADEMIC HISTORY

Undergraduate Training:

September 1990-June 1994

Bachelors of Science Specialist
Honors Degree Human Physiology
University of Toronto, Toronto Ont. Canada

Medical Training:

January 1995-January 1999

Medical Degree
Ross University School of Medicine
2300 SW 145th Avenue, Suite 200
Miramar, FL 33027

Residency and Fellowship Training:

July 1999-July 2000

Internship Internal Medicine
Michigan State University
Department of Internal Medicine
945 Ottawa Ave NW, Grand Rapids, MI 49503

July 2000-July 2002

Residency Internal Medicine
Michigan State University
Department of Internal Medicine
945 Ottawa Ave NW, Grand Rapids, MI 49503

July 2002-August 2004

Clinical Fellow Pulmonary Medicine
California Pacific Medical Center
2351 Clay St, Ste. 503A. San Francisco CA 94115

Aug 2004-July 2005

Clinical Fellow Critical Care Medicine
Stanford University School of Medicine
300 Pasteur Dr. H3143. Stanford, CA 94305-523

BOARD CERTIFICATION

August 2002-August 2012	American Board of Internal Medicine
November 2005-November 2025	Pulmonary Medicine Board Certified
November 2006-November 2026	Critical Care Medicine Board Certified

OTHER PROFESSIONAL TRAINING/CERTIFICATES

2012-2013	Joseph Hopkins Stanford Physician/Faculty Leadership Development Program Offered to selected mid-level faculty members on track to become high-level leaders. Goal is to enhance exposure to peers as well and leaders in the organization and to develop enhanced leadership skills
2013-2014	Faculty Fellows Stanford Leadership Program Offered to selected mid-level faculty members on track to become high-level leaders. The goals of the program are to build community and to instill the skills and attitudes of leaders, including a commitment to the role of diversity in achieving excellence
2015-2016	Stanford Advanced Leadership Course. Joseph Hopkins. Offered to senior level faculty with previous leadership training. Goal to establish leadership skills and to work on personal A3 project

EMPLOYMENT

Academic Appointments:

August 2005-July 2006	Clinical Instructor of Medicine Division of Pulmonary and Critical Care Stanford University
August 2006-July 2009	Clinical Assistant Professor of Medicine Division of Pulmonary and Critical Care Stanford University
August 2009-2016	Clinical Associate Professor of Medicine Division of Pulmonary and Critical Care Stanford University
December 2016-Present	Clinical Professor of Medicine Division of Pulmonary and Critical Care Stanford University

Other Appointments:

August 2018-August 2019	Vice Chair: National Critical Care Ultrasound Training Course Society of Critical Care Medicine (SCCM)
August 2019-August 2020	Chair: National Critical Care Ultrasound Training Course Society of Critical Care Medicine (SCCM)
May 2017- Present	Director, Critical Care Medicine Fellowship Program
August 2005-August 2009	Director, Adult Cystic Fibrosis Program
August 2011-Present	Stanford University
August 2009-June 2011	Director, Interstitial Lung Disease Program
May 2016-July 2017	Stanford University
August 2016-Present	Director, Stanford Hospital & Clinics Sepsis Program Stanford University

TEACHING AND CLINICAL CARE

Clinical Care:

2005-Present	Cystic Fibrosis Clinic Attending
2005-2017	Interstitial Lung Disease Clinic Attending
2005-Present	Medical Critical Care Unit Attending. Fellow/Resident/Student supervision 7days/week x 14 weeks/ year
2007-Present	Cystic Fibrosis Ward Attending. Nurse Practitioner/ Fellow/Resident/Student supervision 6 months/ year
2009-Present	Surgical Critical Care Unit Attending Fellow/Resident/Student 7d/week x 6 weeks/ year
2010-Present	Internal Medicine Ward Attending. Resident/Student. 4-weeks/ year

Clinical Teaching Responsibilities

Regional:

2007-Present	Pulmonary Block Lecturer. Interstitial Lung Disease. Annual Lecture, medical students
2005-Present	Acute Cardiac Life Saving (ACLS). Annual Lecture, Fellows
2005-Present	Cystic Fibrosis Annual Update Lecture, Fellows
2008-Present	Advanced Cardiac Life Saving, Instructor. Stanford. 2-4 training sessions/year
2009-Present	Course Director and Creator: Multidisciplinary Code Blue Simulation Course. Unique nationally recognized clinical course designed to instruct a multi-disciplinary team with high fidelity simulation to improve outcomes after inpatient medical emergencies. Nursing, RT, Pharmacy, House-staff and Medical Student Training Course. 1x / month. Stanford University School of Medicine, Center for Immersive and Simulation based Learning (CISL) LKSC Stanford
2010-Present	Cardiac Ultrasound in ICU Lecture and Hands-On. Fellows and House-staff. Monthly when on ICU service

Paul K. Mohabir, MD

2010-2012	Attending Compliance and Billing. Fellows. Annual Session
2012-Present	Medical and Surgical ICU procedural Boot camp. Fellows. Annual
2013-Present	Introduction to Bronchoscopy Lecture and Simulation training. Fellows. Annual
National:	
2011,2012-2013,2014,2015,2016 2017, 2018, 2019,2020	National Leader and Instructor: Transthoracic Echocardiography in the ICU. Hands-on teaching workshop. Instructor to Intensive Care Attending Physicians nationally from both academic and community hospitals. Society of Critical Care Medicine (SCCM). Chicago IL, San Diego CA, Houston TX, San-Juan Puerto Rico, San Francisco CA, Phoenix AZ, Orlando FL, Honolulu HI, San Antonio TX, Washington DC, San Francisco CA, San Diego CA, Orlando FL
2014, 2015, 2016,2017	Cardiac Ultrasound Lead Instructor: Resident Boot camp Course Hands-on cardiac ultrasound for non-cardiologist, residents. American Thoracic Society (ATS) Congress San-Diego CA 2014, Denver CO 2015, San Francisco CA 2016, Washington DC 2017
2015, 2016, 2017, 2018, 2019	Cardiac Ultrasound for Intensive Care Physicians. Hands-on Ultrasound Teaching. Physicians nationally from both academic and community hospital. American Thoracic Society (ATS) Congress Denver CO 2015, San Francisco CA 2016, Washington DC 2017, San Diego 2018, Dallas TX 2019
International:	
2013	Intensive Care Unit, visiting teaching Professor Clinical teaching of fellows and Junior Attendings in ICU. Ventilator Management. Shaoyang Municipal University Hospital Shaoyang, Hunan Province, China
2012,2013,2014	Course Director: Trans-Thoracic Echocardiography (TTE) in Intensive Care Unit. Hands-on workshop. Brought team of Stanford Critical Care Fellows and ICU Attendings Indo-Anesthesia International Congress Jakarta, Indonesia

Paul K. Mohabir, MD

- 2015 Echocardiography in the ICU. Hands-on teaching workshop. Instructor to Intensive Care Attending Physicians nationally from both international academic and community hospitals.
Society of Critical Care Medicine (SCCM).
Abu Dhabi UAE
- 2015 Echocardiography in the ICU. Hands-on teaching workshop. Instructor to Intensive Care Attending Physicians from both international academic and community hospitals.
Course Leader and Director
Society of Critical Care Medicine (SCCM)
Lima Peru
- 2017 Echocardiography in the ICU. Hands-on teaching workshop. Instructor to Intensive Care Attending Physicians from both international academic and community hospitals.
Course Leader and Director
Society of Critical Care Medicine (SCCM)
Barcelona Spain
- 2017 Echocardiography in the ICU. Hands-on teaching workshop. Instructor to Intensive Care Attending Physicians from both international academic and community hospitals.
Course Leader and Director
Society of Critical Care Medicine (SCCM)
Tehran, Iran
- 2019 Echocardiography in the ICU. Hands-on teaching workshop. Instructor to Intensive Care Attending Physicians from both international academic and community hospitals.
Course Leader and Director
Society of Critical Care Medicine (SCCM)
Santiago, Chile

Invited Lectures:

Regional:

2008 Grand Rounds. Department of Medicine
Pulmonary Artery Obstruction
Stanford University

2012 Grand Rounds. Stanford Cystic Fibrosis Center
Cystic Fibrosis and Pneumothorax
Stanford University

2013 Fellow Lecture: Department of Rheumatology
Connective Tissue Diseases and Interstitial Lung
Diseases
Stanford University

2013 Grand Rounds. Stanford Cystic Fibrosis Center
Cystic Fibrosis and Hemoptysis
Stanford University

2014 Grand Rounds. Department of Interventional
Radiology
Cystic Fibrosis and Massive Hemoptysis
Stanford University

2015 Grand Round. Division of Pulmonary and Critical
Care
Cystic Fibrosis: What's New on the Horizon
Stanford University

2016 Cystic Fibrosis Education Day. Cystic Fibrosis and
Hemoptysis. Stanford University

2017 Cystic Fibrosis Education Day. Moderator
Stanford University

2018 Cystic Fibrosis Education Day. Moderator
Stanford University

2019 Cystic Fibrosis Education Day. Moderator
Stanford University

National:

2010 Mechanical Ventilation: Complexity of Mode
Selection
Society of Critical Care Medicine (SCCM)
San Diego CA

2011 Moderator: Lung Diseases and Pathology
Society of Critical Care Medicine (SCCM)
San Diego CA

2011 Non-Invasive versus Invasive Ventilation:
Hypoxemic Respiratory Failure
Society of Critical Care Medicine (SCCM)
San Diego CA

Paul K. Mohabir, MD

- 2012 Emergency Department Grand Rounds: Non-Invasive Ventilation and Acute Respiratory Failure
Columbia University, New York, NY
- 2013 Critical Care Ultrasound: Pulmonary Ultrasound
Society of Critical Care Medicine (SCCM).
San Juan Puerto Rico
- 2013 Critical Care Ultrasound: Vascular Ultrasound and DVT
Society of Critical Care Medicine (SCCM)
Washington DC
- 2013 Cystic Fibrosis and Depression: Abstract Presentation
North American Cystic Fibrosis Conference (NACFC). Salt Lake City, UT
- 2014 Critical Care Ultrasound: Right Ventricular Dysfunction
Society of Critical Care Medicine (SCCM)
San Francisco CA
- 2014 Critical Care Ultrasound: Right Ventricular Dysfunction
Society of Critical Care Medicine (SCCM)
Chicago IL
- 2014 Update on Pulmonary and Critical Care: Board Review Preparation Course
American College of Physicians (ACP)
San Francisco CA
- 2014 Cystic Fibrosis: The Newly Diagnosed Adult Patient
North American Cystic Fibrosis Conference (NACFC). Atlanta GA
- 2015 Critical Care Ultrasound: Right Ventricular Dysfunction
Society of Critical Care Medicine (SCCM)
Phoenix AZ
- 2015 Critical Care Ultrasound: Right Ventricular Dysfunction
Society of Critical Care Medicine (SCCM)
Chicago IL
- 2015 Update on Pulmonary and Critical Care: Board Review Preparation Course
American College of Physicians (ACP)
San Francisco CA
- 2015 Cystic Fibrosis and Mindfulness Based Training. Abstract Presentation
North American Cystic Fibrosis Conference (NACFC)

Paul K. Mohabir, MD

- 2016 Phoenix AZ
Critical Care Ultrasound: Right Ventricular Dysfunction
Society of Critical Care Medicine (SCCM)
Orlando FL
- 2016 Critical Care Ultrasound: Right Ventricular Dysfunction
American Thoracic Society (ATS)
San Francisco CA
- 2017 Critical Care Ultrasound: Pulmonary
American Thoracic Society (ATS)
Washington, DC
- 2018 Critical Care Ultrasound: Pulmonary
American Thoracic Society (ATS)
San Diego CA
- 2018 Critical Care Ultrasound: Pulmonary
American Society of Echocardiography (ASE)
Nashville TN
- 2019 Critical Care Ultrasound: Pulmonary
American Thoracic Society (ATS)
Dallas TX
- 2019 Critical Care Ultrasound: Pulmonary
American Society of Echocardiography (ASE)
Portland OR
- 2019 Critical Care Ultrasound: Moderator: Ultrasound and Hemodynamic Shock
American Society of Echocardiography (ASE)
Portland OR
- 2019 National Echo Echocardiography Review Course, (NBE/SCCM). ARDS and RV dysfunction.
Chicago, IL

International:

- 2012,2013,2014 Focus Assessed Transthoracic Evaluation (FATE)
Indo-Anesthesia International Congress
Jakarta, Indonesia
- 2013 Non-Invasive Positive Pressure Ventilation and Respiratory Failure
Shaoyang Municipal University Hospital Shaoyang
Hunan Province, China
- 2014 Course Moderator: Intensive Care and Anesthesia
Indo-Anesthesia International Congress
Jakarta, Indonesia

Paul K. Mohabir, MD

- 2015 Course Director: Critical Care Ultrasound, Pulmonary, Vascular, Basic Views, Right Ventricular Dysfunction Lecture
Society of Critical Care Medicine (SCCM)
Lima Peru
- 2013 Intensive Care Unit, visiting teaching Professor
Clinical teaching of fellows and Junior Attendings in ICU. Ventilator Management.
Shaoyang Municipal University Hospital
Shaoyang, Hunan Province, China
- 2012,2013,2014 Course Director: Trans-Thoracic Echocardiography (TTE) in Intensive Care Unit. Hands-on workshop. Brought team of Stanford Critical Care Fellows and ICU Attendings
Indo-Anesthesia International Congress
Jakarta, Indonesia
- 2015 Echocardiography in the ICU. Right Ventricle
Society of Critical Care Medicine (SCCM).
Abu Dhabi UAE
- 2015 Echocardiography in the ICU. Ultrasound and the Right Ventricle
Society of Critical Care Medicine (SCCM)
Lima Peru
- 2017 Echocardiography in the ICU. Ultrasound and the Right Ventricle. Society of Critical Care Medicine (SCCM)
Barcelona Spain
- 2017 Echocardiography in the ICU. Ultrasound and the Right Ventricle
Society of Critical Care Medicine (SCCM)
Tehran, Iran
- 2019 Critical Care Ultrasound: Pulmonary Ultrasound
Society of Critical Care Medicine (SCCM).
Santiago Chile

OTHER TEACHING EXPERIENCE

Mentorship:

- | | |
|--------------|---|
| 2007-2008 | Practicum of Medicine Course
Mentoring of Stanford Medical Students in preparation for introduction to internship |
| 2013-Present | Mentor for Clinical Assistant Professors
Selected by Chairman of Medicine and Vice Dean of the School of Medicine
Stanford University |
| 2013-Present | Mentor 24 Critical Care Fellows /year |

AFFILIATED INSTITUTION APPOINTMENTS

- | | |
|--------------|---|
| 2011-Present | Medical Director, Respiratory Therapy Program
Foothills College at Stanford University
12345 El Monte Road, Los Altos Hills, CA 94022 |
|--------------|---|

ADMINISTRATIVE RESPONSIBILITIES AND COMMITTEE ASSIGNMENTS

- | | |
|--------------|---|
| 2006-2008 | Member: Ethics Committee |
| 2006-Present | Member: Intensive Care Clinical Quality Improvement (CQI) |
| 2008-Present | Chair: Standardization of Code Blue Committee
Hospital and School of Medicine training for team performance in simulation of cardiac arrest in accordance with American Heart Association Guidelines |
| 2011-Present | Chair: Medical Emergency Review Committee
Review and establishing Hospital standards of care for all inpatient cardiac arrests and medical emergencies |
| 2011-Present | Chair: Cystic Fibrosis Clinical Quality Improvement (CQI) Committee |

Paul K. Mohabir, MD

2011-2012	Working with national CF organization to establish center standards of excellence Leader: USA National Cystic Fibrosis Quality and Leadership Committee Selected as one of ten CFF enters in the USA (out of 110 Centers) to establish National quality initiatives throughout the United States
2012-2014	Leader: Early Mobility in the Intensive Care Units Working directly with Physical Therapy Team and ICU to accelerate early mobilization and ultimately decrease ICU length of stay
2012-Present 2013-Present	Member: Nutrition Committee Stanford University Bylaws Committee. Appointed by Chief of Staff
2013-Present	Internal Medicine Core Applicant Interviewer Stanford University
2014-2016	Associate Medical Director for Critical Care Project Transform. Selected by CMO to direct a project to improve hospital outcomes particularly within the Intensive Care Units (ICU). Goal in-situ simulation for inpatient cardiac cardiac and house-wide education and training to improve communication in crisis situation for optimal team performance and improved hospital outcomes
2014-Present	Messenger: Patient Advocacy Reporting System (PARS) at Stanford. One of four physicians selected by the CMO to communicate with faculty members who have had numerous patient complaints. Goal is to promote a peer-to-peer delivery of this information and to advise faculty on the medical-legal ramifications. Delivery and receptivity of personal statistics potentially lead to improved patient and physician satisfaction
2015-Present	Physician Lead: SHC Readmission Committee. Selected by SHC Associate CMO to develop and implement a COPD readmission reduction strategy
2015-Present	Medical Director: SHC Sepsis Program. Improvement Initiative. Selected by SHC Chief Quality Officer and Chief Nursing Officer to develop and implement a sepsis improvement protocol and assessment of sepsis bundle compliance. Goal is to improve over SHC survival from Sepsis/Septic Shock

PUBLIC AND PROFESSIONAL SERVICES

Community Service Related to Professional Work:

2013-Present Integration of Spiritual Care into the Intensive Care Setting. Annual lecture to community and Spiritual Care Team
Stanford University

Professional Societies:

2002-Present American Thoracic Society (ATS)
2003-Present California Thoracic Society (CTS)
2005-Present North American Cystic Fibrosis Foundation (CFF)
2005-Present Society of Critical Care Medicine (SCCM)
2007-Present European Respiratory Society (ERS)
2011-Present Society of Simulation in Healthcare (SSH)

AD HOC REVIEWER

2013-Present Journal of Critical Care

POST-DEGREE HONORS AND AWARDS

2007 Pulmonary and Critical Care Teacher of the Year
Stanford University
2010 Arthur L. Bloomfield Award of Clinical Excellence. This award was established in recognition of Dr. Arthur L. Bloomfield's reputation as a gifted teacher, and eligible recipients are individuals from the Stanford faculty who excel as teachers in clinical medicine
2011 Stanford/Kaiser Emergency Medicine Award. Non-Emergency Medicine Teacher of the Year
2012 Alwin C Rambar-James BD Mark Award for Excellence in Patient Care
Recognizes a member of the medical faculty for compassion in working with patients and their families, excellence in providing medical treatment, and effectiveness and pleasantness in interactions with patient-care staff)

2013	Stanford/Kaiser Emergency Medicine Award. Non-Emergency Medicine Teacher of the Year
2016	Stanford/Kaiser Emergency Medicine Award. Non-Emergency Medicine Teacher of the Year
2018	Cystic Fibrosis Research Inc. (CFRI) Physician Champion of the Year (2018)
2019	Arthur L. Bloomfield Award of Clinical Excellence. This award was established in recognition of Dr. Arthur L. Bloomfield's reputation as a gifted teacher, and eligible recipients are individuals from the Stanford faculty who excel as teachers in clinical medicine

STUDY AND RESEARCH OPPORTUNITIES

Present/Pending:

2012-Present	Funder: Insmmed, Inc Title: BI 1199.34 (Phase 3). A 52 weeks, double blind, randomized, placebo-controlled trial evaluating the effect of oral BIBF 1120, 150 mg twice daily, on annual Forced Vital Capacity decline in patients with Idiopathic Pulmonary Fibrosis (IPF) Role: PI
2013-Present	Funder: Boehringer-Ingelheim Title: BI 1199.33 (Phase 3). An open-label extension trial (of BI 1199.34) of the long term safety of oral BIBF 1120 (nintedanib) in patients with Idiopathic Pulmonary Fibrosis (IPF) Role: PI
2013-2016	Funder: Hearst Foundation Grant (\$300,000) Title: Cystic Fibrosis Center: Center Development and Improvement in Clinical Outcomes Role: Grant Holder
2013-Present	Funder: Boehringer Ingelheim Sponsor: Duke University Title: Idiopathic Pulmonary Fibrosis Prospective Outcomes Registry (IPF-PRO) Role: PI

2013-Present	Funder: Celgene Corporation Sponsor: Stanford University Title: Prospective Validation of Cough, Dyspnea, and Quality of Life Questionnaires in Patients With Idiopathic Pulmonary Fibrosis (IPF) Role: PI
2016-Present	Funder: Hearst Foundation Grant (\$300,000) Title: Cystic Fibrosis Center: Center Development and Improvement in Clinical Outcomes Role: Grant Holder
