

VITA

Larry Wolford Thompson, Ph.D.

I. Personal Information:

Current Academic Affiliation: The Goldman Family Professor of Psychology
Pacific Graduate School of Psychology
Professor (Emeritus)
Stanford University

Business Address: 795 Willow Road (182C/MP)
Menlo Park, CA 94025
e-mail: larrywt@Stanford.edu

Licensure: Psychologist, California, PSY 5082

II. Education:

1. George Washington University, Washington, D.C.
B.A., 1955
2. Florida State University, Tallahassee, Florida
M.A., 1958
Thesis: "A validity study on the IT scale for children".
3. Florida State University, Tallahassee, Florida
Ph.D., 1961.
Dissertation "An investigation of systematic changes in electrocortical activity during serial learning".

III. Professional Experience:

1. Practicum Work, Leon County Mental Health Clinic, Tallahassee, Florida, September, 1957 to June, 1959.
2. Clinical Psychology Internship, Duke University Medical Center, September, 1959 to August, 1960.
3. Post Internship Clinical Training, Duke University Medical Center, September, 1960 to August, 1961.
4. Associate, Department of Psychiatry, Duke University Medical Center, September, 1961 to October, 1962, and Postdoctoral Fellow, Neuropsychology Laboratory, Indiana University Medical Center, April, 1962 to October, 1962.
5. Assistant Professor, Department of Psychiatry, Duke University Medical Center, November, 1962 to July, 1967.

6. Associate Professor, Department of Psychiatry, Duke University Medical Center, July 1967 to May, 1971.
7. Professor, Department of Psychiatry, Duke University Medical Center, May, 1971 to September, 1974.
8. Professor of Psychology, University of Southern California, September, 1974 to 1981.
9. Chief, division of Life-Span Developmental Psychology within the Department of Psychology, University of Southern California, 1975 to 1980.
10. Acting Chief, Clinical/Aging doctoral training program within the Department of Psychology, University of Southern California, 1977-78.
11. Member, Psychology Service, VA Medical Center, Palo Alto, 1981 to present (clinical/research psychologist).
12. Director, Gerontology Research Programs, Menlo Park Division, VA Medical Center, Palo Alto, CA., 1981 to present.
13. Director, Center for the Study of Psychotherapy & Aging, Palo Alto VA Medical Center, 1981 to present. (Renamed the Older Adult and Family Research and Resource Center in January 1987.)
14. Associate Director of GRECC (Geriatric Research, Education and Clinical Center) for Research and Development, (1984 to present).
15. Lecturer, Stanford University School of Medicine, Division of Gerontology, 1981 to 1987.
16. Professor of Medicine (Research), Stanford University School of Medicine, Division of Endocrinology, Gerontology & Metabolism, June 1987 to June 1997.
17. Professor (Emeritus) Stanford University, June 1997 to present.
18. The Goldman Family Chair of Psychology, Pacific Graduate School of Psychology, 1997 to present.

IV. Other Pertinent Experience:

1. Co-Editor, Clinical Gerontologist 2004 -
2. Editor, Behavioral and Social Sciences Section, Journal of Gerontology, (July, 1975 to December, 1978).
3. Consultant, Federal Food and Drug Administration (November 1976 to December, 1978).
4. Member, NIMH Clinical Research Projects Review Committee. National Institute of Mental Health (1975 to 1979).
5. Member, NIA Aging Review Committee. National Institute on Aging, National Institutes of Health (1980 to 1983).
6. Member, ad hoc committee for review of Alzheimer's Clinical Research Center grants, National Institute on Aging (1983-84). Also frequent ad hoc reviewer for the NIA and NIMH study sections (1984 to present).

7. Member, NIMH Clinical Program Projects and Clinical Research Centers Review Committee, National Institute of Mental Health (1986-1990).
8. Editorial Board, Journal of Gerontology: Psychological Sciences (1987 - 1990).
9. Editorial Board, Psychology and Aging: (1996-1999)

Academic and Teaching Experience - Duke University, 1961-1974

1. Member of the graduate faculty, 1963-1974.
2. Committee memberships:
 - Curriculum Committee for the Medical School (CC 1, first year medical students).
 - Undergraduate Training Committee in the Department of Psychiatry.
 - Chairman, Steering Committee for the first year course in human behavior offered in the Medical School (BSP 200).
 - Steering Committee for the training program in aging and human development.
3. Associate Director of the Behavioral Sciences Study Program for third year medical students (BSP 201B).
4. Formal teaching:
 - Lecturer, Department of Psychology, "Behavioral Correlates of Brain Damage", (Psychology 239).
 - Instructor, BSP 201b, Duke University School of Medicine.
 - Small Group Instructor , BSP 200, Duke University School of Medicine.
 - Coordinator of ongoing seminar in psychophysiology. Open to staff and students of the Medical School and the Graduate School.
5. Supervisory Responsibilities:
 - Postdoctoral trainees in the aging and neural sciences training programs.
 - Graduate students in Psychology and medical students in directed individual studies and research projects.
 - Clinical psychology interns on neuropsychological consultations.

Academic and Teaching Experience - University of Southern California, 1974 - 1981:

1. Formal teaching:
 - Abnormal Psychology (undergraduate).
 - Adolescence, Maturity, and Aging (undergraduate).
 - Psychophysiology of Aging (graduate).
 - Psychobiological Aspects of Aging (undergraduate).
 - Neuropsychological Assessment (graduate).
2. Chief, Life-Span Developmental Psychology Division, (1975-1980).
3. Chief, Laboratory of Developmental Psychology, Ethel Percy Andrus Gerontology Center, (1974-1981).

4. Member of Executive Committee, Department of Psychology, (1975-1980).
5. Director, Adult Counseling Center of the Andrus Gerontology Center. This is a clinical training and research site for psychology and gerontology graduate students, (1977-1980).
6. Supervision of graduate students and postdoctoral fellows in psychotherapy for depression and in clinical research.
7. Developed the curriculum for the Clinical/Developmental Aging program at USC, (1976).
8. Acting Chief, Clinical Aging Training Program, (1977-1978).

Academic and Teaching Experience - Stanford University School of Medicine, 1987 - 1997:

1. Formal teaching:

- Emotional Disorders of Aging (HB104)
Upper division undergraduate course offered by the Program in Human Biology, Stanford University.
- Introduction to Cognitive/Behavioral Therapy. Graduate course open to PGY II's and III's (psychiatry residents, Department of Psychiatry and Behavioral Sciences, Stanford University School of Medicine.
- Neuropsychological Assessment of the Elderly. Course developed for predoctoral psychology interns and postdoctoral psychology Fellows who are trainees affiliated with both Stanford University and the Palo Alto Veterans Affairs Medical Center.

2. Co-Director, Stanford's Older Adult and Family Research and Resource Center.

- Provide one-on-one practicum supervision to graduate students in Clinical or Counseling Psychology, Social Work, and Psychiatric Nursing.
- Supervise residents and postdoctoral fellows in Psychiatry.
- Supervise predoctoral interns and postdoctoral Fellows in Geropsychology

3. Member, Division of Endocrinology, Gerontology and Metabolism.

- Research preceptor-Medical students.
- Research preceptor-Fellows in Geriatric Medicine.

Administrative, Educational, and Clinical Responsibilities, VA Medical Center, Palo Alto (1981 to 1997):

Administrative Roles:

Direct gerontology research program development at the Menlo Park division of the Palo Alto Veterans Medical Center; this involves consultation to staff on multiple issues in research design and implementation.

Co-Direct the Older Adult and Family Research and Resource Center, a clinical research center with a staff of 20 which is a major training site for the pre-doctoral psychology internship program here and for post-doctoral Fellows in geriatric mental health. This Center is supported by Stanford, the VA, and by research and training grants from the National Institute of Mental Health and the National Institute on Aging.

Associate Director of the GRECC for Research and Development at the Menlo Park Division; this involves stimulating aging research at Menlo Park and coordinating this with GRECC research activities (e.g., the Teaching Nursing Home).

Member, Automatic Data Processing Committee for the medical center; advise on organization of computer networking systems throughout the medical center.

GRECC representative to VACO's Special Interest Group (SIG) for computerized networking among the GRECCs.

Member, Psychology Service Research Committee and Intern Evaluation Committee. (1986 to 1994).

Member, Research and Development Committee of the Medical Center, 1985-1988.

Psychology Service representative to National Technical Advisory Group (TAG) to develop practice guidelines for psychologists working with elderly veterans in the nation-wide VA system (1995 to present). One guide (on assessing cognitive competence) has been developed (1-97) and others are in progress.

Education and Clinical Roles:

Staff Clinical Psychologist, Psychology Service, 1981 to present.
Supervise and train psychology Fellows and interns in neuropsychological assessment and cognitive therapy with the elderly.

Supervise the work of psychology Fellows on the medical center's geriatric consultation team.

Preceptor for the Interdisciplinary Team Training Program in Geriatrics (ITTG); participate as a senior staff member on interdisciplinary geriatric teams, with special responsibility for training psychology intern team members.

Preceptor for GRECC's Geriatric Fellowship Program and medical house officer training program; lecture on assessment of dementia and depression and their differential diagnosis; provide clinical consultation as needed.

Lecture regularly to staff and trainees in Social Work, Psychology, Nursing, and related fields on issues in geriatrics/gerontology.

Provide assessment and care to elder patients diagnosed as demented and/or depressed.

Provide clinical consultation to the Nursing Home Care Unit and other Extended Care programs at this medical center.

V. Research and Training Grants (from 1975 to present).

1. Thompson, L.W. (Principal Investigator) Evoked Potentials, Information Processing and Aging. National Institute on Aging (RO-1 AG00088), 6-15-75 to 5/31-78; year 01, \$34,572; year 02, \$33,868; year 03, \$36,436.
2. Thompson, L.W. (Principal Investigator) Psychophysiological correlates of behavior in the elderly. Part of program project entitled "A Comprehensive Research Program in Gerontology". National Institute on Aging (#5 PO1 AG00133), 4/1/77-3/31/82. Subproject funding year 01, \$76,822; year 02, \$71,621; year 03, \$69,069; year 04, \$77,933; and year 05, \$81,830.
3. Schaie, K.W. (Principal Investigator) Research Training in Gerontology. National Institute on Aging (#5 T32 AG00037), 3/1/77-2/28/82; year 01, \$78,688; year 02, \$90,562; year 03, \$90,962; year 04, \$74,762; and year 05, \$74,762. I was a preceptor on this grant.
4. Thompson, L.W. (Principal Investigator) Counselor Training in Mental Health and Aging. National Institute of Mental Health (#5 T24 MH14811), 7/1/77 - 6/30/80; year 01, \$96,071; year 02, \$106,047; and year 03, \$103,202.
5. Thompson, . (Principal Investigator) Psychotherapy for Depression in the Elderly. National Institute of Mental Health (#1 RO1 MH32157), 4/1/79 - 3/31/81; year 01, \$21,270; year 02, \$11,584.
6. Thompson, L.W., (Principal Investigator) Peterson, J., and Gallagher, D.E. Multiple Factors in Coping with Grief in the Elderly. National Institute on Aging (RO1 AG 01959), 9/29/79 - 8/31/82; year 01, \$85,951; year 02, \$91,280; year 03, \$93,523. Competitively renewed 12/1/82 to 11/30/84; year 04, \$65,394; year 05, \$60,274. Unfunded one-year extension (through 11/85).
7. Thompson, L.W. (Principal Investigator) Evaluation of an Educational Model for Teaching the Elderly Skills for Coping with Depression. National Retired Teachers Association, 1/1/81 to 12/31/81; \$29,985.
8. Thompson, L.W., (Principal Investigator) and Gallagher, D.E. Psychotherapy for Depression in the Elderly (competitive renewal of MH32157). National Institute of Mental Health (RO1 MH37196), 2/1/82 - 1/31/86. Total award: \$744,038; year 01, \$195,696; year 02, \$213,984; year 03, \$233,905; year 04, \$126,149. Competitive renewal awarded for years 05 to 08 (9/1/86 - 8/31/90): Pharmacotherapy versus Psychotherapy for Late-Life Depression. Total award: \$714,237; year 05, \$209,823; year 06, \$230,856; year 07, \$191,654; year 08, \$81,894.
9. Thompson, L.W. (Principal Investigator) Geriatric Mental Health Training for Clinical Psychologists. This is a postdoctoral training program funded by the National Institute of Mental Health (#1 TO1 MH17621), 9/1/83 - 8/31/86; year 01, \$89,060; year 02, \$97,000; year 03, \$99,000. Competitive renewal awarded for years 04 to 06 (9/1/86 to 8/31/89) and competitive renewal awarded for years 07 to 10 (9/1/89 to 8/31/92). Amount awarded: approximately \$90,000 per year for the duration.

10. Reaven, G.M. (Principal Investigator) Multidisciplinary Study of Geriatric Chronic Health Care. (Stanford's Teaching Nursing Home program project). National Institute on Aging (P01 - AGO4458), 3/1/85 to 2/28/90; year 01, \$381,634; year 02, \$396,332; year 03, \$425,081; year 04, \$452,008; year 05, \$418,900. I am the Center Director, and also co-investigator on a sub-project entitled: "Relationship between Type II NIDDM and Neuropsychological Function in the Elderly". The budget for this project is: year 01, \$55,000; year 02, \$57,981; year 03, \$61,691; year 04, \$65,643; year 05, \$69,851.
11. Yesavage, J. (Principal Investigator) Clinical Research Center for the Study of Senile Dementia. National Institute of Mental Health (MH40041); 10/1/84 to 9/30/86; total award: \$300,000. I am a member of the advisory board for this center grant. Competitive renewal granted for years 03 to 07; total award: \$350,000 per year.
12. Thompson, L. & Gallagher, D. (Co-Investigators) Research Training in Mental Health and Aging. National Institute of Mental Health (1T32 MH19104). Five year post-doctoral training program from 7/1/89 through 6/30/94; \$249,000 total award; \$49,800 per year (2 stipends). Competitive renewal submitted 9/93 and funded for 5 additional years through 6/30/98; total award \$263,000.
13. Thompson, L.W. (Principal Investigator) Cognitive Changes in Older Diabetics due to Treatment. National Institute of Mental Health (RO1-MH46783); 4/1/90 to 3/31/95; total direct costs: \$760,398. Year 01, \$133,412; year 02, \$142,183; year 03, \$151,483; year 04, \$161,387; year 05, \$171,933. Unfunded extension through 3/31/96. The purpose of this grant is to evaluate the effect of treatment for hypoglycemia on cognitive and emotional functioning in elderly patients with non-insulin dependent diabetes mellitus (NIDDM).
14. Thompson, L.W. (Principal Investigator) and Gallagher, D. (Co- Principal Investigator). Cognitive/behavioral Treatment of Bereavement in High Risk Elderly Males. Funded for 6 months (4/1/90 thru 9/30/90) by the VA HSR&D (Health Services Research) Group. Total award: \$3,500.
15. Thompson, L. (Principal Investigator) Research Training in Mental Health and Aging. National Institute of Mental Health (1T32 MH19104). Renewal of five year post-doctoral training program from 7/1/95 through 6/30/00; \$290,883 total award; Yr-01, \$54,140; Yr.-02, \$61,738; Yr-03, \$55,354; Yr.04, \$62,988; Yr-05, 56,663.
16. Gallagher-Thompson, D. Treatment of Distress in Hispanic and Anglo Caregivers. (Co Investigator). Funded by the National Institute on Aging (UO1-AG-13289) from 9/15/95 through 7/30/00. Total award, \$1,870,000; Year 01, \$350,000. This is one of five centers funded by NIA which will collaborate to develop a set of common measures that will be used in the intervention research program that will be carried out (uniquely) at each center. Our focus is on the evaluation of psychoeducational programs and support groups for treatment of caregivers' depression and anger.
17. Gallagher-Thompson, D. Multisite Intervention Trial for Diverse Caregivers (REACH II – Resources for Enhancing Alzheimer' Caregivers' Health) (Competitive Renewal), AG-13289-06 Gallagher-Thompson (PI) 9/30/01 – 9/30/04 1,230,958. The major goal of this project is to improve the quality of life for diverse groups of caregivers by using a newly designed behaviorally based intervention.
18. Reiser, Robert (PI) , Thompson, L.W. (Co-PI) The Health Trust Bipolar Healthcare Initiative 8/1/01 – 7/31/03 \$563,000. The major goal of this project is to develop and evaluate a group psychotherapy program as an adjunct to pharmacotherapy for bipolar I patients.

VI. Publications: Books, Monographs, and Treatment Manuals

- Poon, L.W., Fozard, J., Cermak, L., Arenberg, D. & Thompson, L.W. (Eds.), New Directions in Memory and Aging: Proceedings of the George A. Talland Memorial Conference. Hillsdale, New Jersey: Lawrence Erlbaum Associates, 1980.
- Gallagher, D. & Thompson, L., (1981). Depression in the elderly: A behavioral treatment manual. Los Angeles: University of Southern California Press.
- Gallagher, D., Thompson, L., Silven, D., & Priddy, M. (1985). Problem Solving: Class Leaders' Manual. VA Palo Alto Health Care System and Stanford University, Palo Alto, CA.
