

CURRICULUM VITAE – November 2015  
Eunice Rodriguez  
E-mail: [er23@Stanford.edu](mailto:er23@Stanford.edu)  
Stanford, CA 94305

## EDUCATION

**Post-Doctoral Fellow.** Harvard School of Public Health and The New England Medical Center. Joint Program in Society and Health. (2/92-8/93)

University of California, Berkeley, School of Public Health. **Dr.PH**, 1991.  
Department of Social and Administrative Health Sciences. Behavioral Sciences Program. Epidemiology minor. Emphasis on research methods and theory. Areas of concentration: social epidemiology, health services research, and evaluation.

University of California, Berkeley, School of Public Health. **MPH**, 1987.  
Department of Social and Administrative Health Sciences. Behavioral Sciences.

University of Barcelona, Spain. School of Nursing. Nursing (1978), and Physical Therapy (1980). RN by the California Board of Registered Nursing (1984).

## WORK EXPERIENCE

### TEACHING AND RESEARCH:

7/2007 to present: **Associate Professor (Teaching).** Department of Pediatrics, Stanford University School of Medicine.

**Faculty Affiliate:** Center for Policy, Outcomes and Prevention; Stanford Center for the Study of Poverty and Inequality; the Clayman Institute for Gender research; Center for Population Health Sciences; and The Woods institute for the Environment.

7/2006-6/2007: **Clinical Associate Professor**, Department of Pediatrics and Center for Education in Family and Community Medicine, Stanford University School of Medicine.

2008, 2007 & 2003 (Summer): **Invited Researcher**, Institute for Social Research (WZB), Berlin, Germany

5/2001- 6/2006. **Associate Professor**, Cornell University. Department of Policy Analysis and Management (PAM). Health, and Evaluation Concentrations.

**Affiliated Faculty:** Center for the Study of Inequality, Sociology Department.

**Center Associate:** Cornell Center for Policy Research, Washington, DC.

8/95 to 5/01 **Assistant Professor**, Cornell University. Department of Policy Analysis and Management (1998-2001), previously Department of Human Services Studies (1995-97). Program Evaluation and Planning, and Sloan Program in Health Services Administration.

2001 (Summer): **Invited Researcher**, Institute for Social Research (WZB), Berlin, Germany.

8/93-7/95 **Assistant Professor**, Cornell University. Sloan Program in Health Services Administration, Department of Human Service Studies.

1998-01 Appointed **Assistant Professor**. Graduate School of Medical Sciences, Cornell University. Medical College and Sloan-Kettering Divisions. Program in Clinical Epidemiology and Health Services Research.

1999-00 **Invited Researcher**, Institute for Social Research (WZB), Berlin, Germany.

11/95 **Visiting Professor**, Graduate Program in Health Services Administration, School of Public Health, University of Puerto Rico. **Graduate workshop:** "The Use of Epidemiology in Planning and Evaluation of Health Services".

4/89-1/92 **Research Specialist and Research Fellow.**  
Harvard School of Public Health, Department of Health Policy and Management, Health Care Financing Program. I worked with Professor William Hsiao on the Resource-Based Relative Value Scale Study (RBRVS) for physician services.

1/84-6/87 **Teaching Associate and Graduate Student Instructor III.** University of California, Berkeley.

#### OTHER ADMINISTRATION:

1/86-1/87 Planning and Implementation of a Community Oriented Primary Care project in San Francisco -- funded by the U.S. Health Department

#### CLINICAL:

1/85-5/85 R.N., Allied Nursing Services, San Francisco. San Francisco General Hospital, Kaiser Foundation, and University of California Medical School.

6/78-8/82 R.N. and Nurse Instructor, Hospital Evangèlic, Barcelona, Spain. Trained nursing students from the University of Barcelona.

## **PUBLICATIONS:**

## **EDITORIAL ACTIVITIES**

- \* Board member of Research in Political Sociology (2013-).
- \* Book reviewer for Cambridge University Press (2012).
- \* Book reviewer for Routledge/ Taylor & Francis (2013).
- \* Reader for the American Journal of Epidemiology, American Journal of Public Health, Journal of Epidemiology and Community Health, Social Science and Medicine, Evaluation and Program Planning, American Journal of Community Psychology, Women & Health, Journal of Health and Social Behavior.
- \* Advisory Board Member of New Directions for Evaluation (1998-2001)
- \* Book reviewer for Sage Publications. (*Social Experiments by Larry L. Orr, 1998*)
- \* Book reviewer for Rowman & Littlefield Publishers, Inc 2005.

## **GRANTS AND AWARDS**

- \* **PI.** McCoy Family Center for Ethics in Society Faculty Grant: “Health Services in schools: from cost-effectiveness analysis to distributional justice. What can we learn from successful cases to improve nurses-to-student ratio in California’s public schools?” January 1<sup>st</sup>, 2015 through December 2015.
- \* **Co-PI and Evaluator** for the “Diabetes Youth Coaching project”. PI: Nancy Morioka-Douglas. Private Donations (9/1/11 to 12/31/15).
- \* **PI. Spectrum Innovation Accelerator Seed Grant.** Stanford Center for Clinical and Translational Research and Education “*HealthyU and Environmental Conservation: A shared Journey*”. January 1, 2014 through December 31, 2014.
- \* **Evaluator** for a Demonstration project funded by The Lucille Packard Foundation for Children’s Health (2007-2013) on: “Putting Healthcare Back into Schools.” A \$2.65 million-dollar grant project to place nurses at four low-income, high-need schools at four demonstration site schools in San Jose Unified School District (SJUSD) in California. <http://www.rwjf.org/programareas/features/digest.jsp?c=EMC-ND141&pid=1141&id=6660>
- \* **Evaluator** for The Coordinated School Health (CSH) Pilot Project (2011-2012, pending one year extension) This is a pilot initiative to provide coordinated school health services at two underserved elementary schools in San Jose Unified School District (SJUSD) – Olinder Elementary and Grant Elementary, with the aim of improving students’ health and well being. <http://www.sjUSD.org/school/district/info/C4963/>
- \* **PI,** Pilot testing: “HealthyU and Environmental Conservation” at Hoover School in Redwood City. Funded by Philanthropic Ventures Foundation. (2011)
- \* **PI,** “Refining & Disseminating HealthyU: A Health Science Learning Journey.” Office of Community Health (OCH) CTSA Seed Grants: Funding for Community Academic Partnerships, 2009-10.
- \* **PI,** “Integrating science and health into a life long learning journey: Finding the right approach.” 2008 -10 Pilot Project on Improving K-12 Education. A

Multidisciplinary Initiative at Stanford. This pilot study evaluates the design and implementation of an innovative science-based health education program that could be integrated into the regular school curriculum, and which could be used by children, parents, and educators.

\* **Evaluator** for The Stanford Geriatric Education Center (SGEC) which provides a variety of multidisciplinary ethnogeriatric programs and curriculum resource materials to educate health care professionals on the cultural issues associated with aging and health (2008-2010). The SGEC promotes cultural sensitivity and cultural competence to improve the quality of health care for the rapidly growing population of ethnic minority elders in the United States. The SGEC is funded in part by the Bureau of Health Professions, HRSA, USDHHS and is a consortium of the Stanford University School of Medicine Center for Education in Family and Community Medicine; San Jose State University; On Look Senior Health Services, Inc.; and Laguna Honda Hospital.

\* *NIH, RO1: Collaborator/Consulting Methodologist* for the Project: Complementary Strengths: Connectedness, Youth Participation, and HIV Risk Reduction among Marginalized Youth. PI: J. Tiffany, Co-PI: J. Allen, in collaboration with The ACT for Youth Center of Excellence at FLDC. (2008-2012)

\* Employment trajectories, social benefits and health in Germany and the US, *Alexander von Humboldt Foundation, Principal Investigator*. Research Visit Fellowship, Summer 2007, and Summer 2008.

\* *USDA, Hatch Grant (2004-07)*. “Reproductive Health among Youth: Intergenerational Communication, Healthy Families, and Community Engagement.” **Co-Principal Investigator** with Josephine Allen and Jennifer Tiffany (\$51,000).

\* *USDA, Hatch Grant (2001-04)*. Rural ROAD (Reach Out AIDS/HIV/STD Discussion) Project for Parents, Teens, and Health/Human Service Providers. **Co-Principal Investigator** with Josephine Allen. (\$40,000).

\* *Working Visit Grant* from the Alexander von Humboldt Foundation (June 2003). Changes in welfare policies in Germany over the last 20 years. **Principal Investigator**

\* *Humboldt Foundation Fellowship Award* (year 1999, and Summer 2001). Employment insecurity and health, a comparison of the US and German systems of support. The Alexander von Humboldt Foundation enables highly qualified foreign scholars to carry out long-term research projects in Germany. Research fellowships are offered on a world-wide competitive basis. Scholars from all nations and all academic disciplines may apply (<http://www.avh.de/en/index.htm>)

\* *USDA, Hatch Grant*, June 95-Sep2000. The role of formal support in predicting the health impact of unemployment. Longitudinal analysis of the NSFH 1987-1992. **Principal Investigator**. (\$44,625)

\* *Bronfenbrenner Life Course Center (6/98-2000)*. “AIDS/HIV/STD Prevention in Rural Settings”. **Co-Principal Investigator** with Josephine Allen. (\$10,000)

\* Study Visit Grant of the *European Commission, TMR Programme*, March 22-April 13, 1999. Research project: The Role of Welfare Programs in Explaining Health Status During Unemployment Transitions: A Comparative Approach. Access to Large Scale Facilities Program in Luxembourg. Hosted by IRISS-C/I (Integrated Research Infrastructure in the Social Sciences) at the Centre for Socio-Economic Research CEPS/INSTEAD (Centre d'Études de Populations, de Pauvreté et de

- Politiques Socio-Économiques / International Networks for Studies in Technology, Environment, Alternatives, Development). (<http://www.ceps.lu/>). **PI**

  - \* *New York State Association of Cornell Cooperative Extension 4-H Educators (NYSACCE4-HE)* "Outcomes for Long-term Community-based Youth Programs: A statewide Impact Study of the 4-H Club Program in New York. **Co-Principal Investigator** with Thomas Hirschl. (\$7,500)
  - \* *The 4-H Foundation*, "Outcomes for Long-term Community-based Youth Programs: A statewide Impact Study of the 4-H Club Program in New York. Co-Principal Investigator with Thomas Hirschl. (\$7,500)
  - \* *Deutscher Akademischer Austauschdienst (DAAD)* Study Visit Grant, Summer 1996. "Coping with Unemployment: An analysis of German Systems of Formal Support", Institute for Social Research (WZB), Berlin. **Principal Investigator**
  - \* *Statewide Research/Extension Program RFP*, 10/95-10/97. Evaluation of injury control programs in public housing. Co-PI with Joseph Laquatra. (\$17,000)
  - \* Faculty Fellows-in-Service Program A Project of the Public Service Center, Cornell University. "Heath Education: Need Assessment in Tompkins County" (1996-97).
  - \* Elected Member of the Honor Society of Agriculture, Gamma Sigma Delta, Cornell University Chapter, April 1997.
  - \* *Start Award*. College of Human Ecology, Cornell University, Oct. 93-95. Principal Investigator.
  - \* Research Grant. *Program for Cultural Cooperation Between Spain's Ministry of Culture and United States Universities*. 1997. "Sharing Lessons with Newly Industrialized Countries: the Experience of the Spanish Health Care System". (\$2,500)
  - \* Research Grant. *Program for Cultural Cooperation Between Spain's Ministry of Culture and United States Universities*. Summer 1993.
  - \* *Field Work Research Grant*. The Henry J. Kaiser Family Foundation, Summer 92.
  - \* *Doctoral Research Support*. School of Public Health, U.C. Berkeley, Spring 1990.
  - \* Research Grant. *Program for Cultural Cooperation Between Spain's Ministry of Culture and United States Universities*. Summer 1990.
  - \* *Public Health Alumni Association Scholarship*. University of California, Berkeley. Fall 1988. One time award in recognition of scholarship and professional potential in Public Health
  - \* *CIRIT Scholarship* (Sponsored by the Catalan Government) 1987-88.

### **SUMMARY OF TEACHING ACTIVITIES**

#### At Stanford University:

- Mentor of Medical Scholars Research projects.
- **INDE262**: "Reaching Out to Underserved Children: An Introduction to Community Health Education" (1-3 Units). Co-taught with Nancy Morioka-Douglas (Fall and Winter 2007-08). Open to medical students and advanced undergraduates.

- **PED253** “Applied Skill-Building in Clinical and Community-Based Research” (2 units). Co-taught with Cynthia Castro (Winter 2008).
- **HumBio121/INDE262** (Fall A& Winter B 2008-2009). “Providing and Evaluating Health Education to Underserved Children: A Service Learning Experience.” Co-taught with Nancy Morioka-Douglas.
- **HumBio122/PEDS222**: “Beyond Health Care: Seeking Health in Society” Winter 2009 2010, 2013, 2014, and 2015. Fall 2010, and 2011.
- **PEDS399/299/199**. Independent study projects. Total= 30 between 2007 and 2013. Fall 2013: 1, Winter 2013: 1, Spring 2014: 12. Winter 2015: 12, Fall 2015: 2.
- **PEDS370**,
- **Humbio122M/PEDS222M**: “Human Migration and Health” Spring 2011, 2012, 2013, 2014, and 2015.
- **EDU 399**: “Research Seminar” Spring 2011.
- **EDU 291X**: “Introduction to Survey Research.” Winter 2011.
- \* **Lectures** offered in speaker's series SOM courses: “Physicians for Social Responsibility” (1, Nov. 10, 2014).
- **Other activities:**
  - \* Advisor to undergraduate students in Human Biology (2010-16).
  - \*Supervising Honor’s Thesis (e.g. Geffan Pearlson, in 2013)
  - \*Mentoring Post-Doctoral Fellows (e.g. Sepideh Modrek, PhD, in 2013-15)

**Administrative and other Professional Activities at Stanford University:**

- \* Human Biology Curriculum Committee (2015-16).
- \* Human Biology Awards Committee (2014-16).
- \* Review Committee for Community Health Medical Scholars Proposals (as needed).

**Cornell University:**

***Graduate (semester) courses taught:***

- "Epidemiology, Clinical Medicine and Management Interface Issues".  
*Spring of 1994, 95, 97, 98, 2000, 2001, 2002, 2003, 2004 and 2006*  
PAM 659/559: Number of students: between 15 and 35 each semester.
- "Health Status Measurement and Outcomes Evaluation". PAM619 *Spring 2004*.
- "Measurement and Validity in Policy Analysis and Management". *Spring 2001*  
PAM 602. Number of students: 19.  
PAM 612 (HSS 690): Number of students: between 13 and 45 each semester.
- “Strategies for Policy and Program Evaluation”. *Fall 96*  
HSS 695: Number of students: 13
- "Health Status Measurement and Outcomes Evaluation". *Spring 96*  
HSS 611: Number of students: 9
- Survey Research and Questionnaire Development: "Measurement for Program Evaluation and Research". *Fall 94, 95, 96, 97, 98, 99*.

***Undergraduate (semester) courses taught:***

- “Ecology and Epidemiology of Health”.  
PAM 303, *Fall 95, 97, 98, 00, 04, 05. Spring 02, 03, 04, 06.*  
Number of students: between 44 and 75.
- Undergraduate discussion leader for HSS110 "Human Ecology" (section 17). *Fall 95*

***Other Teaching Related Activities:***

- Faculty Mentors Program (2000-2001).
- Supervision of Honors Thesis as At-Large Honors Representative in Human Service Studies (1996-97).
- Research Study project. (Undergraduate Independent Study, 1998, Spring 2003-04)
- Faculty Fellows-in-Service Program (1996-97). Mentored undergraduate students.
- HSS 600: Graduate Independent Study— (*Fall 94, 96, 03, 04. Spring 95, 97, 02, 04*)
- Weekly participation and coordination (four semesters) of the Evaluation Graduate Seminar PAM168 (HSS697). (*1996-2002*)

***Completed Thesis and Dissertations Supervised (1995-2006):***

- Honors Thesis Chair: 1. Member: 2
- Master Thesis Chair: 2. Member: 8
- PhD Dissertation Chair: 2. Member: 9

***Administrative and other Professional Activities at Cornell University:***

Member of the Graduate Studies Committee for Policy Analysis and Management: 01-04

Member of the Sloan Program Committee (2002-04)

Member of Cornell University Faculty Senate. (1997-2000)

Representing Assistant Professors at large.

Member of the Faculty Search Committee for a position on Social Welfare Evaluation (1999-2001)

Member of the Clinical Epidemiology and Health Services Research Education Committee. Graduate School of Medical Sciences. (1998-2001 )

Member of the Graduate Admissions Committee for the Sloan Program (99-01)

Member of the Steering Committee for Policy Seminars in Albany (1995-99).

Member of the Policy Admissions Committee, College Human Ecology (1997-00).

Member of the Graduate Admissions Committee for the Field of HSS (1994-98).

Member of the Search Committee for a department Chair to give leadership to the Department of Policy Analysis and Management (1996-97).

At-Large Honors Representative in Human Service Studies (1996-97).

Coordinator of a *Research Tools Committee* to select and define elective research courses to be included in the curriculum of the new Department of Policy Analysis and Management (1997).

Coordinator of a Faculty Research Colloquium on health related issues. Campus-wide (1993-96).

Coordinator of the *Sloan Colloquia* for graduate students (1993-95).

Member of the Focus Group on Latino Issues (1994).

Member of the Patient Advocacy Committee (1994-95).

Member of the Mental Health Board, City of Ithaca (1995-96)

## **PROFESSIONAL LEADERSHIP:**

- \* **Member** of the **Scientific Committee** of the World Conference on Women's Studies 2015, and 2016 (<http://womenstudies.co/2015/>)
- \* **Organizer** of the Stanford 2015, May 29<sup>th</sup> Conference on “Health Services in Schools: From cost-effectiveness studies to distributional justice”. See details at: <http://med.stanford.edu/schoolhealtheval/conferenceMaterials.html>
- \* **Organizer** of the Stanford 2010, May 6 & 7<sup>th</sup> International Conference on “Health Care & the Elderly: A Challenge for Western Countries.” Sponsored by The Catalan Observatory at Stanford and the Council of Aging, Silicon Valley. See details at: <http://sgec.stanford.edu/training/catalan.html>
- \* **Reviewer** of conference papers and panel proposals for the American Evaluation Association Meeting (2015, 2012, 2007, and 2001), the Epidemiology Congress (2001), and American Public Health Association (2003).
- \* **Program Co-Chair:** Health Section of the American Evaluation Annual Meeting, 2007
- \* **Governing Councilor** (2000-02 and 2002-04) Epidemiology Section of the APHA (American Public Health Association).
- \* Member of the international Study Group on Unemployment (SGOU), 2001, Coordinator of the SGOU unemployment and health group.

## **MEMBERSHIPS:**

American Public Health Association (APHA), American Evaluation Association (AEA), Association for Public Policy Analysis and Management (APAM), European Public Health Association, European Evaluation Association. International Health Economics.

## **ADVISING AND CONSULTING:**

- \* 2011 (Feb) **Consultant Reviewer:** Participant on a Mock Study to do a full NIH review on the Evaluation and Metrics section of the University of Michigan CTSA competing renewal.
- \* 1995-98: **Consultant Evaluator** for the “Evaluation of the Health Care Workers Retraining Demonstration”. Berkeley Planning Associates, Oakland, California. Mary P. Vencill, Principal Investigator. Research funded by the US Department of Labor.
- \* 6/87-8/87 **Consultant Evaluator** of health prevention programs organized by the Department of Health Education of the City Hall of Barcelona, Spain.

## **OVER 80 PAPERS PRESENTED at PROFESSIONAL MEETINGS such as:**

American Public Health Association (APHA), the American Evaluation Association (AEA), APPAM, International Health Economics (IHE), European Evaluation Association (EEA), Social Work and Research, National HIV Prevention Conference, European Medical Sociology, International Conference on Research for Social Work, International Congress on Women Work and Health, International Congress of Behavioral Medicine, International Evaluation Conference, International Conference on Environment and Health in Developing Countries, American Sociological Association, American Psychopathological Association, The Society of Behavioral Medicine Conference, Unite For Sight Conference, and International Medical Geography.

**Most recent Published Abstracts and Presentations at National Conferences:**

**2015:**

American Educational Research Association (AERA) "Teachers' Perceptions of the School Nurse," April 2015, Annual Meeting. Biags M, Srivastava A, **Rodriguez E.**

Morioka-Douglas N, Gefter L, **Rodriguez E.** (2015, Sept) Stanford Youth Diabetes Coaches Program: Creating a New Generation of E-Patients. Oral presentation, Stanford MedicineX. Palo Alto, CA

Gefter L, Morioka-Douglas N, Srivastava A, **Rodriguez E.** (2015, Sept) Supporting At-Risk Youth and their Families to Become 'E-Patients.' Poster presentation, Stanford MedicineX. Palo Alto, CA

**2014:**

American Evaluation Association (AEA), Denver, CO, October 2014. "Scaling-Up a Health Prevention & Environmental Sustainability Project: Integrating Pilot Evaluation". Eunice Rodriguez, Ashini Srivastava.

Landau M. Rodriguez E. Putting the Health Care Back into Schools at the National Collaborative on Education and Health Steering Committee meeting in Washington DC, February 2014.

**2013:**

American Evaluation Association (AEA), Washington, DC, October 2013  
"Innovative Diabetes Prevention Interventions: Evaluation Challenges of Bringing Together Underserved Schools and Universities." Rodriguez, E, Gefter L, Goldman-Rosas L, and Morioka-Douglas .

American Evaluation Association (AEA), Washington, DC, October 2013. "Is Coordinated School Health Working? Evaluation of a Pilot Project in SJUD"  
"Rodriguez, E, Srivastava, A, and Boeckman, K.

Gefter L, Rodriguez E, Goldman-Rosas L, Chu, I, Morioka-Douglas N. (2013, Nov) Training adolescents to be self-management coaches for diabetic family members: A novel approach to empower at-risk youth and their families. Roundtable presentation, 141st APHA Annual Meeting. Boston, MA

AEA, October 2013 "What Makes a School Nurse Program Successful? Cost savings, Health benefits or Grades?" Landau M. Srivastava A, Rodriguez E [*Poster*]

Association of California School Administrators Annual Conference 2013. "The Impact of School Nurses in SJUD". Landau, M, and Rodriguez, E.

**2012:**

\* American Public Health Association, San Francisco, October 2012. School Nurses' Role in Asthma Management, School Absenteeism, and Cost Savings: A Demonstration Project. Rodriguez, Landau and Austria.

\* National Association of School Nurses, San Francisco, June 2012. Landau and Rodriguez. *Full-time School Nurses in a Collaborative Model: An Ongoing Evaluation of the San Jose Unified School District Nurse Demonstration Project.*

**2011:**

\* American Evaluation Association, November 2011, Anaheim , CA. "Refining and Disseminating HealthyU: Health Science Learning in Underserved Schools." Rodriguez E, Austria D, Wiedmann TW, Comstock S, Morioka-Douglas N.

\* American Evaluation Association, November 2011, Anaheim , CA. "Chronic Health Conditions and School Performance."

**2010:**

\* American Evaluation Association, November 2010, San Antonio, TX. "Evaluation of School Nursing in Underserved Schools: Truth, Beauty, and Justice in the Evaluation of the San Jose Unified School District (SJUSD) Nurse Demonstration Project."  
<http://www.eval.org/search10/session.asp?sessionid=2072&presenterid=1959>

\* American Public Health Association, November 2010, Denver, CO. Victoria Benson. first author.<sup>S</sup> "Giving a voice to the 'silent epidemic': Examining existing barriers and oral health outreach for low income Mexican American children" (Poster presentation).

**2009:**

\* American Evaluation Association, November 2009, Orlando. The Impact of Education on Care Practices: An Exploratory Study of Whether "Action Plans" Influence Health Professionals' Behavior. Eunice Rodriguez, Renee Marquett, Ladson Hinton, Melen McBride, and Dolores Gallagher-Thompson.

\* American Evaluation Association, November 2009, Orlando. HealthyU: A Model for Health Science Teaching in Underserved Schools. Rodriguez, E. DrPH; Stafford, RS. MD, PhD; Morioka-Douglas, N. MD, MPH; Wiedmann, T-W. PhD; Geftter, L. MD; Huang, C. PhD; Comstock, S.; Lee, A.; Liu, Y.

\* American Population Association, 2009, with Deladem Kusi-Appouh<sup>S</sup> et al: "Communicating with Adults about Health: Findings from a Rural Peer Network," (Poster presentation won the Blue Ribbon Poster Award, for content and style)

**2008:**

\* American Public Health Association 2008: With Leslie Stewart<sup>S</sup>. "Maternal Unemployment and Child BMI: A Longitudinal Study."

\*American Evaluation Association 2008: “Assessing the Influence of Non-Health Programs and Policies on the Health of Unemployed Middle-Aged Mothers.”

## **Presentations at Stanford Events:**

### **2015**

\* **Rodriguez, E.** Encouraging Environmental Conservation and Healthy Behavior in Bay Area Schools. Stanford 2015, May 29<sup>th</sup> Conference on “Health Services in Schools: From cost-effectiveness studies to distributional justice”.

\* Moriokas Douglas, N, Geftner L, and **Rodriguez E**, “Stanford University School of Medicine Stanford Youth Diabetes Coaches Program: Improving the Health of the Community through Collaborations between High Schools and Healthcare.” Stanford 2015, May 29<sup>th</sup> Conference on “Health Services in Schools: From cost-effectiveness studies to distributional justice”.

\* Marques, N, and **Rodriguez E**. Overcoming Challenges to Improve Health Services in California's Public Schools. Stanford 2015, May 29<sup>th</sup> Conference on “Health Services in Schools: From cost-effectiveness studies to distributional justice”.

\* **Rodriguez E**, Srivastava A, Wilber C and Dirzo, R. Encouraging Healthy Behavior through Awareness of Environmental Conservation in Economically Disadvantaged Communities. Poster Presented at Community Health Symposium, Stanford University, January 2015 and 6th Annual Pediatric Research Retreat, Stanford University April 2015.

### **2014**

\* **Rodriguez E**, Srivastava A, Dirzo R, and Wilbur C. Encouraging Healthy Behavior through Environmental Conservation Awareness: A Pilot Study in Economically Disadvantaged Communities. Poster presented at Spectrum Research Symposium, Stanford University September 2014.

\* Biag M, Srivastava A, Landau M, and **Rodriguez E**. Improving Education-Health Partnerships: Teachers’ Perceptions of the School Nurse. Poster presented at Annual Community Health Symposium, Office of Community Health, Stanford University, January 2014.

• **Rodriguez, E**, Liana Geftner MD; Lisa Goldman-Rosas PhD, MPH; Nancy Morioka-Douglas MD, MPH. Stanford School of Medicine Pediatrics Annual Research retreat, April 2014: Innovative Diabetes Prevention Interventions: Evaluation Challenges of Bringing Together Underserved Schools and Medical Residents.

• Manuelito Biag, PhD, Ashini Srivastava, MBBS, MPH, Melinda Landau, RN, MSN, and Eunice **Rodriguez**, DrPH Office of Community Health (OCH) Symposium, January 21, 2014. Improving Education-Health Partnerships: Teachers’ Perceptions of the School Nurse.

## 2013-2008

- Rodriguez, Srivastava, and Landau. “Partnering with School Nurses to Increase Population Health. A Demonstration Project in the San Jose Unified School District.” Population Health, October 2013.
- Rodriguez, Srivastava, and Boeckman. “Impact of a Coordinated School Health Demonstration project in San Jose”. Stanford School of Medicine Pediatrics Research Day, Spring 2013.
- Rodriguez, Srivastava, Ramirez, Austria, and Boeckman. “*Teachers and Parents Perception on Implementing a Coordinate School Health Pilot Project in San Jose Schools.*” Stanford Office of Community Health Annual Conference, Oct. 2012.
- Rodriguez E, Austria D, Perlroth D, Becker E, Wang NE, Landau M. School nurses’ role in asthma management, school absenteeism, and cost savings: A demonstration project. 2012 Stanford School of Medicine Pediatrics Research Day; Stanford, CA. April 19, 2012.
- Eunice Rodriguez, Ashini Srivastava, Cynthia Wilber, and Nancy Morioka-Douglas. “Next Phase of HealthyU: Piloting an Environmental Conservation Component”. Community Health Symposium sponsored by Office of Community Health, Stanford University School of Medicine. October 2011.
- Rodriguez E, Austria D, Landau M, Lapp S, Roney C, Caywood J. Partnering with School Nurses to Manage Chronic Conditions: An Ongoing Evaluation of the San Jose Unified School District Nurse Demonstration Project in Underserved Schools. 2011 Stanford School of Medicine Pediatrics Research Day; Stanford, CA. April 22, 2011.
- Rodriguez E, Morioka-Douglas N, Wiedmann TW, Comstock S, Austria D. Refining and Disseminating HealthyU: A Health Science Learning Journey. Office of Community Health’s 9<sup>th</sup> Annual Community Health Symposium; Stanford, CA. October 26, 2010
- “Practicum in Community Health Interventions Reaching Underserved Populations”, Nancy Morioka-Douglas M.D. MPH, Eunice Rodriguez Dr.PH, Samuel LeBaron M.D. Ph.D. Stanford, Fall Forum, 2008

## INVITED PRESENTATIONS

(Not including invited class lectures):

- Rodriguez, E. Assessing the Influence of Non-Health Programs and Policies on the Health of the Unemployed.” Occupational and Environmental Health Nursing. University of California, San Francisco (UCSF). February 3, 2009.
- Rodriguez, E. „Possible Health Effects of Social Safety Nets and Policies: A Global Issue and a U.S. Example”. Department of Community Health Systems, and the Department of Social and Behavioral Science, School of Nursing. University of California, San Francisco. March 19, 2008.

- Rodriguez, E. "What do we know about safety nets and health outcomes? A snapshot of a research agenda." Wissenschaftszentrum Berlin für Sozialforschung (WZB), Public Health Unit, July 11, 2007.
- Rodriguez, E. "From basic research questions to evidence based practice." Oxford University, Department of Social Policy and Social Work. May 17, 2004.
- Rodriguez, E. "Alcohol and Employment Status: One More Piece of the Puzzle". Department of Epidemiology, School of Public Health, University of Michigan, January 29, 2002.
- Rodriguez, E. "In the Future of Epidemiology: Assessing the Health Impact of Social Programs and Policies" Palo Alto Medical Foundation Research Institute, CA. (May 8, 2001)
- Lasch, K., Rodriguez, E., Lee, J., and Chandra, P. "How Employment Status, Welfare Benefits, and Alcohol Drinking Relate to Domestic violence in the US: Implications for Welfare to Work Strategies". The Federal Reserve Bank of Boston, Boston, MA. March 27, 2000.
