

# Daniel Tawfik, MD, MS

*Curriculum Vitae*

Last updated 18 November 2024

## BIOGRAPHICAL AND CONTACT INFORMATION

---

**Business Address** 770 Welch Road, Suite 435  
Stanford, CA 94304

**Business Phone** (650) 723-9902

## EDUCATION AND TRAINING

---

### Undergraduate Education

Aug 2003-May 2007 Wheaton College Bachelor of Science  
Wheaton, IL *Biology, cum laude*

### Graduate Education

Sept 2016-June 2018 Stanford University School of Medicine Master of Science, Health Research and  
Stanford, CA Policy

Aug 2007-May 2011 University of Iowa Doctor of Medicine  
Roy J. and Lucille A. Carver College of Medicine  
Iowa City, IA

### Postgraduate Training

July 2014-June 2017 Lucile Packard Children's Hospital at Pediatric Critical Care Medicine Fellowship  
Stanford University  
Stanford, CA

July 2011-June 2014 University of Utah Pediatric Internship and Residency  
Primary Children's Hospital  
Salt Lake City, UT

## CERTIFICATION AND LICENSURE

---

### Certifications

American Heart Association Advanced Cardiovascular Life Support	2019-present
American College of Surgeons Advanced Trauma Life Support	2015-present
American Heart Association Pediatric Advanced Life Support	2011-present
American Heart Association Basic Life Support for Healthcare Providers	2008-present

### Specialty Certifications

American Board of Pediatrics, Pediatric Critical Care Medicine	2018-present
American Board of Pediatrics, Pediatrics	2014-present
United States Medical Licensing Examinations; Steps 1, 2, 3	2009, 2010, 2012

## Medical Licensure

State of California Medical License, License #A131001	2014-present
State of Utah Medical License, License #8415763-1205	2011-2016

## Memberships

American Medical Informatics Association	2022-present
Society for Pediatric Research	2022-present
Stanford Center for Artificial Intelligence in Medicine & Imaging	2021-present
Stanford Maternal and Child Health Research Institute	2018-present
Society for Pediatric Research – Junior Member	2016-2022
Society of Critical Care Medicine	2015-present
American Academy of Pediatrics	2014-present
Gold Humanism Honor Society	2011-present

## APPOINTMENTS AND POSITIONS

---

Feb 2023-present	Stanford University School of Medicine <i>Division of Pediatric Critical Care Medicine, Department of Pediatrics</i> <i>Division of Clinical Informatics, Department of Pediatrics</i>	Assistant Professor
July 2017-Jan 2023	Stanford University School of Medicine <i>Division of Pediatric Critical Care Medicine, Department of Pediatrics</i>	Instructor
July 2012-May 2014	University of Utah Department of Pediatrics	Resident Researcher
Jan 2010-June 2010	University of Iowa College of Medicine <i>Patient-Centered Learning Curriculum</i>	Co-Facilitator
Aug 2008-July 2009	University of Iowa College of Medicine <i>Rubin Flocks Learning Community</i>	Co-Mayor
May 2008-Sept 2008	University of Iowa College of Medicine	Medical Student Researcher

## HONORS AND AWARDS

---

<b>Honor Roll for Teaching</b> Pediatric Residency, Stanford University School of Medicine, Stanford, CA	2024
<b>Honor Roll for Teaching</b> Pediatrics Fellowships, Stanford University School of Medicine, Stanford, CA	2024
<b>Teacher of the Year, 2021-2022</b> Pediatric Critical Care Medicine, Stanford University School of Medicine, Stanford, CA	2022
<b>Best Publication focused on Healthcare Workers</b> Stanford Medicine Center for Improvement, Stanford, CA	2021
<b>Highly Cited Author Award</b> <i>Mayo Clinic Proceedings</i> , Rochester, MN	2021
<b>Outstanding Reviewer 2020</b> <i>Annals of Internal Medicine</i> , Philadelphia, PA	2021
<b>Highly Cited Author Award</b>	2020

*Mayo Clinic Proceedings*, Rochester, MN

<b>Outstanding Research Poster Award</b> Stanford University School of Medicine, Stanford, CA	2017
<b>Global, Rural, and Underserved Child Health Certificate</b> University of Utah School of Medicine, Salt Lake City, UT	2014
<b>17<sup>th</sup> Annual Jack Emerson Award</b> 31 <sup>st</sup> Annual Conference on High-Frequency Ventilation of Infants, Children, and Adults, Snowbird, UT	2014
<b>Community Leadership and Excellence Award</b> University of Iowa Roy J. and Lucille A. Carver College of Medicine, Iowa City, IA	2010
<b>Best Translational/Clinical Research Poster Award</b> University of Iowa Children's Hospital, Iowa City, IA	2009
<b>University of Iowa Carver College of Medicine Dean's Scholarship</b> University of Iowa Roy J. and Lucille A. Carver College of Medicine, Iowa City, IA	2007-2011

## SCHOLARLY PUBLICATIONS

---

### Peer-reviewed journal articles (original research)

1. Levoy E, Vildendrer S, Dang R, Nasr A, Luu J, **Tawfik DS**, Shanafelt TD. Physician perspectives of clinical performance feedback and impact on well-being: A qualitative exploration. *BMJ Open*. 2024; 14:e082726.
2. Mwangi JR, Hokororo A, Ndosi H, Masenge T, Kalabamu FS, **Tawfik DS**, Mediratta R, Rozenfeld B, Berg M, Smith ZH, Chami N, Mkopi N, Mwangi C, Diocles E, Agweyu A, Meaney PA. Evaluating the implementation of the Pediatric Acute Care Education (PACE) program in northwestern Tanzania: A mixed-methods study guided by normalization process theory. *BMC Health Services Research* 2024; 24(1):1066.

2. Ruiz RM, **Tawfik DS**, Lee HC, Burgis J, Mendoza J, Gallo A, Esquivel C, Jeng MR, Damian M. A retrospective evaluation of intraoperative thromboelastography during pediatric liver transplantation in a single center. *Under review at Anesthesia and Analgesia*.

#### GRANTS

---

##### Current Funding

K08-HS027837 (PI: Tawfik)

Agency for Healthcare Research and Quality

9/30/2020 – 9/29/2025

Development and Validation of a Prediction Model to Address Physician Burnout

Lillie and Donnelly Seed Grant (PI: Tawfik)

Stanford Medicine Center for Improvement

4/1/2024 – 9/30/2025

Implementing an Algorithmic Approach to Reduce Prescribing Errors

EHR Use Metrics Research (PI: Tawfik)

American Medical Association

5/1/2024 – 4/30/2025

Validating the Use of EHR Metadata to Measure Inpatient Teams

##### Prior Funding

EHR Use Metrics Research (PI: Tawfik)

American Medical Association  
5/1/2023 – 4/30/2024  
Evaluating the Relationships Among Team Stability, Interruptions, and Medical Errors

EHR Use Metrics Research (PI: Shanafelt)  
American Medical Association  
5/1/2022 – 4/30/2023  
Electronic Health Record User Audit Logs in Comparison to Signal Metrics for Prediction of Primary Care Physician Burnout  
Role: Investigator

Instructor K Award Support Program (PI: Tawfik)  
Stanford Maternal & Child Health Institute  
9/30/2020 – 9/29/2022  
Development and Validation of a Prediction Model to Address Physician Burnout

Jackson Vaughan Critical Care Research Award (PI: Sinha)  
Jackson Vaughan Critical Care Research Fund  
3/1/2020 – 6/30/2022  
Measuring the Relation between Inpatient Electronic Health Record Experience and Provider Burnout  
Role: Primary Mentor

Pilot/Early Career Grant Program (PI: Tawfik)  
Stanford Maternal & Child Health Research Institute  
1/1/2018 – 12/31/2018  
Development of an Adjusted Nurse Staffing Metric in the Neonatal Intensive Care Unit

Master's Degree Tuition Assistance Program (PI: Tawfik)  
Stanford Maternal & Child Health Research Institute  
9/1/2016 – 5/31/2018  
Master of Science in Health Research and Policy

Jackson Vaughan Critical Care Research Award (PI: Tawfik)  
Jackson Vaughan Critical Care Research Fund  
4/1/2016 – 5/31/2017  
Burnout in the NICU Setting and its Relation to Well-being, Patient Safety, and Performance

Jackson Vaughan Critical Care Research Fund	2022-present

**INSTITUTIONAL SERVICE**

---

September 2021 – Dec 2023	Member, PICU Culture Taskforce <i>Stanford University School of Medicine, Division of Pediatric Critical Care Medicine</i>
June 2021 - present	Site Co-PI, Pediatric Data Collaborative <i>Stanford University School of Medicine, Division of Pediatric Critical Care Medicine</i>
April 2021 - December 2021	Member, PICU Interdisciplinary Taskforce <i>Stanford University School of Medicine, Division of Pediatric Critical Care Medicine</i>
March 2021 - June 2021	Member, PICU Hospitalist Search Committee <i>Stanford University School of Medicine, Division of Pediatric Critical Care Medicine</i>
September 2020 - March 2021	Member, Ambulatory Transformation Taskforce <i>Stanford University School of Medicine</i>
April 2020 – present	Member, Awards Subcommittee <i>Society for Critical Care Medicine</i>
November 2019-present	Member, Scholarship Oversight Committee <i>Stanford University School of Medicine, Division of Pediatric Critical Care Medicine</i>
November 2019-present	Division Wellbeing Champion <i>Stanford University School of Medicine, Division of Pediatric Critical Care Medicine</i>
July 2018-present	Course Director, Fellows' Journal Club <i>Stanford University School of Medicine, Division of Pediatric Critical Care Medicine</i>

**PRESENTATIONS**

---

**Invited Presentations**

1. "Putting Data in Context to Improve Well-being and Patient Safety." *University of Wisconsin Pediatrics Grand Rounds, Madison, WI, January 2025.*
2. "Burnout, intentions to leave, and quality of care." *AHRQ Patient Safety Webinar, Rockville, MD, December 2024.*
3. "Working with large databases in health services research." *Fellows Scholarship Academy, Palo Alto, CA, October 2024.*
4. "Challenges with EHR Use Measures." *Clinical Informatics Program Director's Lecture Series, Boston, MA, September 2024.*

5. "Predicting burnout in primary care." *Duke Well-being Ambassador Seminar, Durham, NC, September 2024.*
6. "Validating machine learning predictive models of burnout: A qualitative exploration in high and low-burnout clinics." *Physicians Wellness Forum, Stanford, CA, August 2024.*
7. "Using audit logs and STARR-OMOP to predict physician burnout." *STARR-OMOP Summit, Stanford, CA, May 2023.*
8. "Healthcare provider burnout: Current landscape and future directions." *Perinatal Public Health Conference, Tarrytown, NY, November 2021.*
9. "Statistics for the Boards." *Stanford University School of Medicine, Stanford, CA, March 2021.*
10. "Three Good Things: A Fireside Chat." *Stanford Employee Wellness and Stress Management, October 2020.*
11. "Local leadership, work-life integration, and health care provider well-being." *Stanford University School of Medicine, Stanford, CA, June 2020.*
12. "Healthcare provider burnout and what to do about it." *University of Utah School of Medicine, Salt Lake City, UT, January 2020.*
13. "Pediatric Critical Care Medicine." *Clinical Anatomy Summer Program 2019, Stanford, CA, June 2019.*
14. "Meta-research 101." *Stanford University School of Medicine, Stanford, CA, April 2019.*
15. "Statistics for the Boards." *Stanford University School of Medicine, Stanford, CA March 2019.*
16. "Pediatric Critical Care Medicine." *Clinical Anatomy Summer Program 2018, Stanford, CA, June 2018.*
17. "Combatting burnout in the NICU." *High Risk Neonatal Outreach Conference, Menlo Park, CA, May 2017.*

## National and Regional Meetings

1. Nguyen LM, Kim S, Kannampallil T, Sebok-Syer S, **Tawfik DS**. Identifying pediatric intensive care unit bedside teams and their stability using electronic health record audit log data. *Poster presentation – American Medical Informatics Association Annual Symposium, San Francisco, CA, November 2024.*
2. **Tawfik DS**, Nguyen L, Jacobson D, Holmgren AJ, Kannampallil T, Sebok-Syer S. Inpatient pediatric prescribing errors in relation to prescriber and context factors. *Poster presentation – American Medical Informatics Association Annual Symposium, San Francisco, CA, November 2024.*
3. Magon H, Helkey D, Shanafelt TD, **Tawfik DS**. Creating conversion factors from EHR event log data: A comparison of investigator-derived and vendor-derived metrics for primary care physicians. *Oral presentation – American Medical Informatics Association Annual Symposium, New Orleans, LA, November 2023.*
4. Nguyen L, Sinha A, Dziorny A, **Tawfik DS**. Identifying EHR tasks and activity using computer vision. *Poster presentation – American Medical Informatics Association Annual Symposium, New Orleans, LA, November 2023.*
5. Apathy N, **Tawfik DS**, Lou S, Kannampallil T, Adler-Milstein J. Using EHR event log data for informatics research: A practical guide. – *American Medical Informatics Association Annual Symposium, New Orleans, LA, November 2023.*
6. Brown-Johnson C, Bragdon C, Tembulkar S, Winget M, **Tawfik DS**. Validating machine learning predictive models of burnout: A qualitative exploration in high and low-burnout clinics. *Poster presentation – North American Primary Care Research Group 51<sup>st</sup> Annual Meeting, San Francisco, CA, October 2023.*
7. Magon H, Helkey D, Shanafelt TD, **Tawfik DS**. Creating conversion factors from EHR event log data: A comparison of investigator-derived and vendor-derived metrics for primary care physicians. *Oral presentation – American Conference on Physician Health, Palm Desert, CA, October 2023.*
8. **Tawfik DS**, Bonillas A, Sinha A, Profit J, Shanafelt TD, Bayati M. Model-assisted survey estimation to predict burnout among survey non-responders. *Oral presentation – American Conference on Physician Health, Palm Desert, CA, October 2023.*
9. **Tawfik DS**, Adair KC, Profit J, Sexton JB. Emotional exhaustion and intentions to leave among healthcare workers. *Oral presentation – American Conference on Physician Health, Palm Desert, CA, October 2023.*
10. Iacob A, Pang E, **Tawfik D**, Profit J. Safety-net hospital's performance in inpatient pediatric care in United States: A systematic review. *Poster presentation – Pediatric Academic Societies Annual Meeting, Washington, DC, April 2023.*

11. **Tawfik D**, Rovnaghi C, Anand KJS, Cornell T, Profit J. Pediatric resident burnout and its relation to the neuroendocrine system. *Poster presentation - Pediatric Academic Societies Annual Meeting, Denver, CO, April 2022.*
12. Levoy E, Vilendrer S, Dang R, Nasr A, Luu J, **Tawfik D**, Shanafelt T. Meaningful Clinical Performance Feedback and Physician Well-Being. *Poster presentation - Pediatric Academic Societies Annual Meeting, Denver, CO, April 2022.*
13. Levoy E, Vilendrer S, Dang R, Nasr A, Luu J, **Tawfik D**, Shanafelt T. Meaningful clinical performance feedback and physician well-being. *Oral snapshot presentation – Academic Pediatric Association Regions 9&10 (virtual), January 2022.*
14. Sinha A, Bayati M, Adair KC, Shanafelt TD, Sexton JB, Profit J, **Tawfik DS**. Frustration with technology and its relation to healthcare worker emotional exhaustion. *Oral presentation – AMLA Virtual Clinical Informatics Conference, May 2021*
15. Itoga NK, **Tawfik DS**, Lee CK, Maruyama S, Leeper NJ, Chang TI. Low diastolic blood pressures are associated with an increased risk of myocardial infarction, peripheral arterial disease, and all-cause mortality, but not cerebrovascular accident – a reanalysis of ALLHAT. *Oral presentation – American Heart Association, Anaheim, CA, November 2017*
16. **Tawfik DS**, Sexton JB, Schwartz SP, Chadwick WA, Rehder KJ, Bae J, Bokovoy J, Doram K, Sotile W, Adair KC, Profit J. The associations between work-life balance behaviours, teamwork climate and safety climate: cross-sectional survey introducing the work-life climate scale, psychometric properties, benchmarking data and future directions. *Oral presentation – American Conference on Physician Health, San Francisco, CA, October 2017*
17. **Tawfik DS**, Phibbs CS, Sexton JB, Kan P, Sharek PJ, Nisbet CC, Rigdon J, Trockel M, Profit J. Factors associated with provider burnout in the neonatal intensive care unit. *Poster presentation – American Conference on Physician Health, San Francisco, CA, October 2017*
18. **Tawfik DS**, Hamilton WS, Cowan KR, Goldman FD. Exogenous immunoglobulin downregulates T cell receptor signaling and cytokine production. *Poster presentation – American Society of Hematology Annual Meeting, San Francisco, CA, December 2008*

### International Meetings

1. Harvey H, **Tawfik D**, Han P, Rake A, Siems A. Leadership skills in the first 5 minutes of a high acuity events among pediatric residents. *Oral presentation – Society of Critical Care Medicine 54<sup>th</sup> Critical Care Congress, Orlando, FL, January 2025.*
2. Rogerson C, Brown S, Badke C, Dziorny A, Flynn A, Farris R, Bennett T, **Tawfik D**, Cornell T, Henegan J. Vasoactive inotropic score following administration of hydrocortisone or methylene blue in children. *Oral presentation – Society of Critical Care Medicine 54<sup>th</sup> Critical Care Congress, Orlando, FL, January 2025.*
3. Dziorny A, Drury S, Clark A, Zand M, Bennett T, Farris R, Nishisaki A, **Tawfik D**, Cornell T, Shah S, Wetzel R, Sanchez-Pinto LN. Early acute kidney injury prediction in two multicenter datasets: Designing for implementation. *Oral presentation – Society of Critical Care Medicine 54<sup>th</sup> Critical Care Congress, Orlando, FL, January 2025.*
4. Brown S, Henegan J, Badke C, Dziorny A, Flynn A, Farris R, Bennett T, **Tawfik D**, Cornell T, Wetzel R, Nishisaki A, Rogerson C. Use of vasoactive medications across pediatric intensive care units. *Oral presentation – Society of Critical Care Medicine 54<sup>th</sup> Critical Care Congress, Orlando, FL, January 2025.*
5. Han P, Siems A, Harvey H, **Tawfik D**, Rake A. Leadership skills in the first 5 minutes of a high acuity event: Which crisis resource management principles do pediatric residents use? *Oral presentation – 25<sup>th</sup> International Meeting on Simulation in Healthcare, Orlando, FL, January 2025.*
6. Shah S, Dziorny A, Horvat C, **Tawfik DS**, Kennedy CE, Nishisaki A, Farris R, Wetzel R, Bennett T, Flynn A, Aczon M, Cornell TT, Sanchez-Pinto LN. Excess daily blood count sampling in children: A

- PICU Data Collaborative study. *Oral snapshot presentation – Society of Critical Care Medicine 53<sup>rd</sup> Critical Care Congress, Phoenix, AZ, January 2024.*
7. Sinha A, Stevens LA, Pageler N, Su F, **Tawfik DS**. Measuring associations between electronic health record use and inpatient pediatric provider burnout. *Oral presentation – Society of Critical Care Medicine 52<sup>nd</sup> Critical Care Congress, San Francisco, CA, January 2023.*
  8. **Tawfik DS**, Bayati M, Sinha A, Shanafelt TD, Profit J. Development of a prediction model of primary care physician burnout. *Oral presentation – International Conference on Physician Health, Orlando, FL, October 2022.*
  9. Sinha A, Stevens LA, Pageler N, Su F, **Tawfik DS**. Measuring associations between electronic health record use metrics and inpatient pediatric provider electronic health record experience and burnout. *Oral presentation – International Conference on Physician Health, Orlando, FL, October 2022.*
  10. Damian M, **Tawfik DS**, Mendoza J, Gallo AE, Esquivel CO. Evolution of thromboelastography parameters during pediatric liver transplantation. *Oral presentation – The Transplantation Society 29<sup>th</sup> International Congress, Buenos Aires, Argentina, September 2022.*
  11. Sinha A, Steffen KM, **Tawfik DS**. EHR usability and barriers to efficient information gathering on the EHR in the PICU. *Oral snapshot presentation – Society of Critical Care Medicine 51<sup>st</sup> Critical Care Congress (Virtual), January 2022.*
  12. Canty H, **Tawfik DS**, Saynina O, Shaw RJ, Sanders L. Disparities in child mental health access in a large, national sample: Impact of diagnoses made in hospital v. outpatient settings. *Poster presentation – Pediatric Academic Societies Annual Meeting (Virtual), May 2021.*
  13. Profit J, Tembulkar SK, Proulx J, Quinn J, Nisbet C, Chitkara R, Bain LC, **Tawfik DS**, Levoy E, Adair KC, Sexton JB. Evaluating emotional exhaustion in NICU health care workers during a quality improvement collaborative. *Oral presentation – Pediatric Academic Societies Annual Meeting (Virtual), May 2021.*
  14. Sinha A, Stevens LA, Su F, Pageler NM, **Tawfik DS**. Pediatric ICU electronic health record usage as measured by audit logs and screen recordings. *Oral snapshot presentation – Society of Critical Care Medicine 50<sup>th</sup> Critical Care Congress (Virtual), January 2021.*
  15. **Tawfik DS**, Liu JB, Gould JB, Profit J. Survival without major morbidity reporting in neonatal clinical and administrative databases. *Poster presentation – Pediatric Academic Societies Annual Meeting, Baltimore, MD, April 2019.*
  16. **Tawfik DS**, Profit J, Shanafelt TD, Trockel M, Ioannidis JPA. A quantification of reporting bias in the peer-reviewed burnout literature. *Oral presentation – International Conference on Physician Health, Toronto, ON, October 2018*
  17. **Tawfik DS**, Phibbs CS, Lake EL, Liu JB, Sanders LM, Profit J. Development of an adjusted nurse staffing metric in the neonatal intensive care unit. *Poster presentation – Pediatric Academic Societies Annual Meeting, Toronto, ON, May 2018*
  18. **Tawfik DS**, Gould JB, Profit J, Danielsen B. Comparison of perinatal risk factor and outcome coding in clinical and administrative databases. *Poster presentation – Pediatric Academic Societies Annual Meeting, Toronto, ON, May 2018*
  19. Lin JL, **Tawfik DS**, Gupta R, Owens DK, Bendavid E. Cost effectiveness of posterior spinal fusion for children with neuromuscular scoliosis. *Poster presentation – Society for Medical Decision Making Annual Meeting, Pittsburgh, PA, October 2017*
  20. **Tawfik DS**, Phibbs CS, Sexton JB, Kan P, Sharek PJ, Nisbet CC, Rigdon J, Trockel M, Profit J. Factors associated with provider burnout in the neonatal intensive care unit. *Poster presentation – Pediatric Academic Societies Annual Meeting, San Francisco, CA, May 2017*
  21. **Tawfik DS**, Valencia A, Gretler B, Mathew R, Cornfield DN, Damian M. Clinician diagnosis of pneumonia in ventilated children diverges from published guidelines. *Oral snapshot presentation – Society of Critical Care Medicine 46<sup>th</sup> Critical Care Congress, Honolulu, HI, January 2017*
  22. **Tawfik DS**, Kan P, Sharek PJ, Nisbet CC, Rigdon J, Sexton JB, Profit J. Burnout in the NICU setting and its relation to healthcare-associated infections. *Poster presentation – International Conference on Physician Health, Boston, MA, September 2016*

23. **Tawfik DS**, Bennett TB, Welch B, Poss WB. Use of high frequency ventilation in the pediatric intensive care unit. *Poster presentation – Pediatric Academic Societies Annual Meeting, Vancouver, B.C., May 2014*
24. **Tawfik DS**, Bennett TB, Welch B, Poss WB. Use of high frequency ventilation in the pediatric intensive care unit. *Oral presentation – 31<sup>st</sup> Annual Conference on High-Frequency Ventilation of Infants, Children, & Adults, Snowbird, UT, March 2014*
