

CURRICULUM VITAE

PERSONAL INFORMATION

NAME: Peter D. Poulos, M.D.

CURRENT POSITIONS: Clinical Associate Professor, CE
Stanford University Department of Radiology
Department of Medicine-Gastroenterology and Hepatology

BUSINESS ADDRESS: 300 Pasteur Drive, Room H-1303
Stanford, CA 94305-5105

BUSINESS PHONE: (650) 725-1812

BUSINESS E-MAIL: ppoulos@stanford.edu

EDUCATIONAL BACKGROUND

POSTGRADUATE:

Dates	Institution/Location	
2008-2009	Stanford University	Fellow, Body Imaging
2004-2008	Stanford University	Resident, Radiology
2002-2004	University of California San Francisco	Fellow, Gastroenterology (<i>incomplete</i>)
2000-2002	University of California San Francisco	Resident, Internal Medicine
1999-2000	University of California San Francisco	Intern, Internal Medicine

GRADUATE:

1995-1999	University of Texas at Houston <i>Houston, Texas</i>	MD, 1999	Medicine
-----------	--	----------	----------

UNDERGRADUATE:

1990-1994	Santa Clara University <i>Santa Clara, California</i>	BS, 1994	Biology
-----------	---	----------	---------

APPOINTMENTS AND POSITIONS

ACADEMIC:

Years Inclusive	Institution and Location	Rank/Title
10/01/16-current	Stanford University, SOM Stanford, California	Clinical Associate Professor Department of Radiology Department of Medicine / Division of Gastroenterology & Hepatology
06/01/12-10/01/16	Stanford University, SOM Stanford, California	Clinical Assistant Professor Department of Radiology Department of Medicine / Division of Gastroenterology & Hepatology
08/01/09-05/31/12	Stanford University, SOM Stanford, California	Clinical Instructor Department of Radiology Department of Medicine / Division of Gastroenterology & Hepatology
07/01/08-06/30/09	Stanford University, SOM Stanford, California	Clinical Instructor (Affiliated) Department of Radiology

NON-ACADEMIC:

2008-2009	VA Palo Alto Health Care System Palo Alto, California	Radiologist Department of Radiology
2001-2002	Mission Neighborhood Health Center San Francisco, California	Internist

HONORS AND AWARDS

Stanford President's Award for Excellence Through Diversity	2022
Distinguished Member, Stanford Teaching and Mentoring Academy	2019
RSNA Certificate of Merit award	2010
Alpha Omega Alpha	1998
Outstanding Student Award	1999
<i>-Fundamentals of Clinical Medicine</i>	
Phi Alpha Theta (History Honor Society)	1994

SCHOLARLY PUBLICATIONS

PEER-REVIEWED JOURNAL ARTICLES

Qualitative Evidence of the Impact of a Mutual Mentorship Program for Medical Professionals and Students with Disabilities

Augustine W. Kang, Audrey A. DeBritz, John Fritsche, Suchita Rastogi, Zoey-Martin Lockhart, Ken Sutha, Peter Poulos (Submitted)

Accessibility Analysis of US Comprehensive Cancer Center Websites

Florence X. Doo, Marlie P. Elia, Daniel Houston, Ruth C. Carlos, Peter D. Poulos, Aya Kamaya, Curtis P. Langlotz (Submitted)

Who Are We Missing? Reporting of Transgender and Gender Expansive Populations in Clinical Trials

Roy Lan, Julio Nunes,... **Peter Poulos** (12th author)... Paul Wang
Journal of the American Heart Association November 2023
PMID [37947088](#)

Prevalence of Diversity Statements and Disability Inclusion Among Radiology Residency Program Websites

Dhanani, Z, Doo, F, Spalluto, L, Yee, J, Flores, Efren, **Poulos, P**
Journal of the American College of Radiology April 2023
PMID: [37028498](#)

Validation of a Resectability Scoring System for Prediction of Pancreatic Adenocarcinoma Surgical Outcomes

Toesca DAS, Susko M, von Eyben R, Baclay JRM, Pollom EL, Jeffrey RB, **Poulos PD**, Poultsides GA, Fisher GA, Visser BC, Koong AC, Feng M, Chang DT
Ann Surg Onc. February 2023
PMID: [36792768](#)

Design and Rationale for the Use of Magnetic Resonance Imaging Biomarkers to Predict Diabetes After Acute Pancreatitis in the Diabetes Related to Acute Pancreatitis and Its Mechanisms Study: From the Type 1 Diabetes in Acute Pancreatitis Consortium.

Tirkes T; Chinchilli VM; Bagci U; Parker JG; Zhao X; Dasyam AK; Feranec N; Grajo JR; Shah ZK; **Poulos PD (10th author)** et al.
Pancreas July 2022

Peter Poulos

Just Security and Slate, April 20, 2020

Don't Push Me Off My Segway

Peter D. Poulos

San Francisco Chronicle, Feb 17, 2008.

ONLINE EDUCATIONAL MODULES

acuteabdomen.stanford.edu

A web-based course aimed at medical students and radiology residents to learn the radiology of the acute abdomen. Developed 2016 with funding from two grants from the Stanford Medicine Teaching and Mentoring Academy in 2016 and 2018.

[Creating an Inclusive Learning Environment in Medicine](#): a Guide to Accommodations for Learners with Disabilities
A course created by SMADIE, funded by the Stanford University School of Medicine and the Office of Medical Student Wellness. The course is aimed at training faculty how to support medical trainees with disability.

Protocol Director Zainub Dhanani
Academic Sponsor Peter Poulos

The Use of Physical Exam and Clinical Skills Modifications by Medical Trainees with Disabilities

Protocol Director Zainub Dhanani
Academic Sponsor Peter Poulos

Evaluating Case-Study Based Learning of Provider and Patient Facing Ableist Bias in Healthcare

Protocol Director Zainub Dhanani
Academic Sponsor Peter Poulos

T1DAPC - Type 1 Diabetes in Acute Pancreatitis Consortium (T1DAPC) is a group of 10 clinical centers formed in 2020 by the National Institute of Diabetes and Digestive and Kidney Diseases to study diabetes after acute pancreatitis. The study is titled **D**ibetes **R**ELated to **A**cute pancreatitis and its **M**echanisms (DREAM). The IMMINEENT Study is a supplemental award funding the imaging components of DREAM.
