ONLINE EDUCATIONAL MODULES

acuteabdomen.stanford.edu

A web-based course aimed at medical students and radiology residents to learn the radiology of the acute abdomen. Developed 2016 with funding from two grants from the Stanford Medicine Teaching and Mentoring Academy in 2016 and 2018.

[Creating an Inclusive Learning Environment in Medicine](#): a Guide to Accommodations for Learners with Disabilities

A course created by SMADIE, funded by the Stanford University School of Medicine and the Office of Medical Student Wellness. The course is aimed at training faculty how to support medical trainees with disability.
