CURRICULUM VITAE

IAN H. GOTLIB

University Address

Department of Psychology
Bldg. 420
Stanford University
Stanford, California 94305
Phone: (650) 725-9216
FAX: (650) 725-5699
E-mail: ian.gotlib@stanford.edu
Website: <http://snaplab.stanford.edu>

EDUCATION

B.A. (Honors, Psychology)
M.A. (Clinical Psychology)
Ph.D. (Clinical Psychology)

University of Western Ontario, 1974
University of Waterloo, 1977
University of Waterloo, 1981
(APA-approved program)

ACADEMIC APPOINTMENTS

Assistant Professor of Psychology University of Western Ontario London, Ontario, Canada	1980 - 1985
Visiting Scholar in Psychology Stanford University	1985
Clinical Assistant Professor of Psychiatry University of Western Ontario	1984 - 1988
Associate Professor of Psychology Co-Director of Clinical Training University of Western Ontario	1985 - 1989
Clinical Associate Professor of Psychiatry University of Western Ontario	1988 - 1992
Visiting Professor of Psychology SDSU/UCSD Joint Doctoral Training Program San Diego State University	1989 - 1990
Professor of Psychology University of Western Ontario	1990 - 1992
Professor of Psychology and Psychiatry Director of Clinical Training Northwestern University	1992 - 1996

Professor of Psychology Stanford University	1996 - present
Senior Associate Dean for the Social Sciences Stanford University	2005 - 2010
David Starr Jordan Professor Stanford University	2010 - 2021
Chair, Department of Psychology Stanford University	2012 - 2018
Marjorie Mhoon Fair Professor Stanford University	2021 - present

HONORS and AWARDS

Ontario Mental Health Foundation Senior Research Fellowship	1989 - 1991
Meritorious Performance Award San Diego State University	1989 - 1990
Ontario Mental Health Foundation Senior Research Fellowship	1991 - 1993
Society for a Science of Clinical Psychology - President	1995 - 1996
American Psychopathological Association - Fellow	1994-
American Psychological Association - Fellow	1996 -
American Psychological Society - Fellow	1998-
Society for Research in Psychopathology - President-Elect	2002 – 2003
Winner, British Medical Association Medical Book Competition: Gotlib, I.H., & Hammen, C.L. (Eds.). (2002). <i>Handbook of depression</i> . New York: Guilford Press.	2003
Named as one of the Most Highly Cited in Psychology and Psychiatry (Fewer than 0.5% of researchers who published during the study period were among the most highly cited)	2003
NARSAD Distinguished Investigator Award	2003 - 2004
APA Master Lecturer in Psychopathology Award	2004
University of Waterloo Arts in Academics Award	2008
Society for Research in Psychopathology - Joseph Zubin Award for lifetime research contributions to the understanding of psychopathology	2011
APS/APA Society for the Science of Clinical Psychology - Distinguished Scientist Award	2013
APA Distinguished Scientific Contribution Award	2013
NIMH MERIT Award	2018

TEACHING EXPERIENCE

Undergraduate Courses:
Systems of Psychotherapy

Psychopathology
Research Methods in Personality and Psychopathology
Human Adjustment
Theories of Personality
Introduction to Clinical Psychology

Graduate Courses:

Current Perspectives on Psychotherapy
Clinical Practicum in Adult Diagnostic Assessment
Child Psychopathology and Developmental Disorders
Affective Disorders: Theory, Research, and Treatment
Clinical Practicum in Child Intervention
Clinical Practicum in Adult Intervention
Special Topics in Affective Disorders

CLINICAL AND CONSULTING EXPERIENCE

Psychology Intern, Psychology Service, University Hospital, London, Ontario, May-September, 1975.

Psychology Intern, Department of Psychiatry, Kitchener-Waterloo General Hospital, 1975-1978.

Psychology Consultant, Pediatric Unit, Kitchener-Waterloo General Hospital, 1977.

Psychology Intern, Department of Psychiatry, Health Sciences Center, Winnipeg, Manitoba, September 1978 - August 1979. (APA-approved year-long internship)

Clinical Supervisor for Behavior Therapy Practicum, Fanshawe College, London, Canada, 1980.

Consulting Psychologist, Parkhill Group Home, Parkhill, Ontario, 1981-1985.

Consulting Psychologist, Department of Psychiatry, St. Joseph's Hospital, London, 1984-present.

Private Practice and Consulting, London, 1981-1992. Registered Psychologist in Ontario (Reg. #1502), 1981-present; Member, Canadian Register of Health Service Providers in Psychology (Cert. #04437).

Private Practice and Consulting, Chicago, 1992-present. Licensed Psychologist in Illinois (Lic. #071-004594).

PROFESSIONAL AFFILIATIONS

American Psychological Association, Fellow
Section III, Division 12, APA, Secretary/Treasurer (1992-1994), President-Elect (1995)
American Psychological Society, Fellow
American Psychopathological Association, Fellow
Consortium for Research in Stress Processes, Member
Council of University Directors of Clinical Psychology, Member, Executive Board (1993-1996)
Society for Research in Psychopathology, Member, Executive Board (1992-1994)
National Institute of Mental Health Scientific Advisory Council (2017-present)

RESEARCH GRANTS (PI: Gotlib)

Social Sciences and Humanities Research Council of Canada: "Interactional Effects of Depression" 1980-1984

Natural Sciences and Engineering Research Council of Canada: "Factors Contributing to the Etiology and Maintenance of Pathogenic Interactions" 1982-1983

Ontario Mental Health Foundation: "Interpersonal Consequences of Depression: Factors Contributing to the Etiology and Maintenance of Pathogenic Interactions"	1982-1983
Medical Research Council: "Depression and Marital Interaction: Investigations of a Pathogenic System"	1984-1986
Natural Sciences and Engineering Research Council: "Stable Differences in Information Processing: Category Accessibility and Depression"	1984-1987
Ontario Mental Health Foundation: "Depression and Family Interaction"	1985-1987
Medical Research Council: "The Psychosocial Context of Depression: A Prospective Investigation of Postpartum Depression"	1986-1989
Natural Sciences and Engineering Research Council: "Information Processing and Depression: A Construct Accessibility Formulation"	1987-1990
Ontario Mental Health Foundation: "The Effects of Postpartum Depression on Infant Development"	1987-1989
National Health Research and Development Program: "The Effects of Postpartum Depression on Infant Development: A One-Year Follow-Up"	1988-1991
National Health Research and Development Program: "Parental Mental Health and Its Consequences for Children: A Review of the Literature on Risk and Protective Factors"	1989
National Health Research and Development Program: "The Comparison of Postpartum with Non-Puerperal Depression"	1989-1991
Social Sciences and Humanities Research Council of Canada: "Psychosocial Influences on First Trimester Pregnancy Symptomatology: The Role of Social Expectancy"	1989-1991
National Health Research and Development Program: "Mental and Physical Health of Mothers and Children in Single-Parent Families"	1990-1993
Ontario Mental Health Foundation: "Psychosocial aspects of depression"	1991-1993
National Health Research and Development Program: "The Psychosocial Functioning of Preschool-Age Children of Depressed Mothers"	1991-1994
National Institute of Mental Health: "Depression Across the Age Span: Psychosocial Aspects" (Co-PI; PI: P. Lewinsohn)	1992-1996
National Institute of Mental Health: "The Natural History of Depression in Adolescents" (Co-PI; PI: P. Lewinsohn)	1993-1996
National Institute of Mental Health: "Information-Processing Biases in Depression"	1999-2003

National Institute of Mental Health: "CoGent to Support Clinical Research at Stanford" (Base Grant PI; PI: A. Schatzberg)	2000-2004
National Institute of Mental Health: "Training in Psychopathology and Affective Science" - Training Grant - (PI: Ian Gotlib)	2000-2015
National Institute of Mental Health: "Information-Processing Biases in Depression" (Supplement)	2001-2003
National Institute of Mental Health: "Life Stress and Cognitive Biases in Major Depression" (Co-PI; PI: S. Monroe)	2001-2005
National Alliance for Research on Schizophrenia and Depression (NARSAD): "The Neural Foundations of Risk for Clinical Depression in Adolescent Girls"	2003-2005
National Institute of Mental Health: "Information-Processing Biases and Reward Responsivity in Depression"	2004-2007
National Institute of Mental Health: "Emotion Dysregulation in Girls at Risk for Depression"	2006-2011
National Institute of Mental Health: "An Integrative Psychobiological Investigation Comorbid Depression and Anxiety"	2007-2009
National Institute of Mental Health: "Neural and Behavioral Aspects of Information-Processing Biases in Depression"	2007-2012
National Institute of Mental Health: "Neural and Cognitive Facets of Reward Responsivity in Bipolar Disorder" (Subcontract; PI: S. Johnson)	2007-2011
National Institute of Mental Health: "Stress, the HPA and Health in Aging" (Co-PI: PI: A. Reiss)	2007-2012
National Institute of Mental Health: "Interference-resolution Mechanisms and Their Relevance to Depression" (Subcontract; PI: J. Jonides)	2007-2012
Hope for Depression Research Foundation: "Integrative Approaches for the Examination of Brain Structure in Major Depressive Disorder"	2010-2012
National Institute of Mental Health: "Risk for Depression: Identifying and Altering Psychobiological Mechanisms"	2011-2016
Weston-Havens Foundation: "Neural-Systems Level Implications of Striatal Dopamine Anomalies in Major Depression: Concurrent [11C]Raclopride Positron Emission Tomography and Functional Magnetic Resonance Imaging"	2012-2014
National Institute of Mental Health: "Interpretation Bias Training in Depressed Adolescents: Effects and Mechanisms"	2013-2016

National Institute of Mental Health: "Neural networks underlying impaired information gating in major depression"	2014-2017
National Institute of Mental Health: "Reducing Rumination in Depression: Mechanisms and Effects"	2015-2017
National Institute of Mental Health: "The Role of Caregiver Social Processes on Neural and Endocrine Function in Infants"	2017-2019
National Institute of Child Health and Development: "Effects of Environmental Stimulation and Nurturance on Neural and Endocrine Functions in Infants"	2017-2019
Stanford Center for Precision Health and Integrated Diagnostics: "Multidimensional Predictors of Major Depressive Disorder and Suicidal Behaviors in High-Risk Adolescents"	2017-2019
National Institute of Mental Health: "Psychobiological Mechanisms Underlying the Association Between Early Life Stress and Depression Across Adolescence"	2013-2023
National Institute of Mental Health: Method to Extend Research in Time (MERIT) Award for "Psychobiological Mechanisms Underlying the Association Between Early Life Stress and Depression Across Adolescence" – possible extension of funding until 2028.	2018-

EDITORIAL AND PROFESSIONAL ACTIVITIES

Associate Editor:	Cognition and Emotion (1986 - 1999) Cognitive Therapy and Research (1992 - 1996) Journal of Social and Personal Relationships (1989-1992) Psychological Science (2012 – present)
Editorial Board:	Biology of Mood and Anxiety Disorders (2011-present) British Journal of Clinical Psychology (1992 - 2001) Cognition and Emotion (1986 - 1999) Cognitive Therapy and Research (1984 - 2001) Journal of Abnormal Psychology (1983 - 1999) Journal of Social and Personal Relationships (1989 - 1996) Psychological Assessment (1989 - 1996)
Advisory Board:	Wyeth-Ayerst Pharmaceuticals
Member:	Task Force for Mood Disorders: Joint Commission for the Development of the <i>Treatment Statistical Manual of Behavioral and Mental Disorders</i> (TSM-1 Project) Data and Safety Monitoring Board, NIMH NIMH Council
Program Committee:	American Psychological Association, Division 12 (1994) Association for the Advancement of Behavior Therapy (1995)
Program Chair:	Section III, Division 12, American Psychological Association (1994)
Grants Committee:	Medical Research Council of Canada National Health Research and Development Program

	Standing member, National Institute of Mental Health BBBP-05 grant review panel
Grants Appraiser:	Alberta Mental Health Advisory Council British Columbia Health Sciences Research Fund Gerontology Research Council of Ontario Medical Research Council of Canada Natural Sciences and Engineering Research Council Ontario Mental Health Foundation Physicians' Services Incorporated Saskatchewan Health Foundation Social Science and Humanities Research Council
Site Visitor:	Clinical Psychology Accreditation Committee: American Psychological Association Canadian Psychological Association
NIMH:	Scientific Advisory Council Member – 2017-2021

PAPERS PRESENTED AT SCIENTIFIC CONFERENCES

> 1,800

COLLOQUIA, ADDRESSES, AND WORKSHOPS

Intervention techniques with institutionalized children. Presented at the Churchill Health Center, Churchill, Manitoba, 1978.

Behavioral assessment and treatment of chronic pain. Presented for Continuing Medical Education, University of Manitoba, Faculty of Medicine, Winnipeg, Manitoba, 1979.

Interpersonal factors in the etiology, maintenance, and treatment of depression. Presented at the Clarke Institute of Psychiatry, Toronto, 1982.

Issues and considerations in conducting clinical research in applied settings. Presented at the Department of Psychology, University of Waterloo, 1982.

An interactional approach to the study of depression. Presented at the Department of Psychology, McGill University, Montreal, Canada, 1983.

Depression and marital interaction. Presented at the Mental Research Institute, Palo Alto, California, 1983.

Interactional processes in the development and maintenance of depression. Presented at the Department of Psychology, University of Toronto, 1983.

The marital interactions of depressed women. Presented at the Society for the Study of Affective Disorders, Hamilton, Canada, 1983.

A systems approach to the treatment of depression. Presented at the Department of Psychology, London Psychiatric Hospital, London, 1984.

An interactional approach to the study of depression. Presented at the Department of Psychology, University of Western Ontario, London, 1984.

An interactional perspective on depression. Presented at the Department of Psychology, Trent University, Peterborough, Canada, 1984.

Cognitive and interpersonal factors in the etiology and maintenance of depression. Presented at the Department of Psychiatry, University Hospital, London, Canada, 1984.

Depression and marital interaction. Presented at the Department of Psychology, University of Waterloo, Waterloo, Canada, 1984.

Marital and family factors in depression. Presented at the Department of Psychiatry, University Hospital, London, 1984.

Marital therapy for depression. Presented at the Department of Psychology, London Psychiatric Hospital, London, 1984.

The interpersonal impact of depression. Presented at the Department of Psychiatry, Hamilton Psychiatric Hospital, 1984.

A study of the children of depressed mothers. Presented at the Clarke Institute of Psychiatry, Toronto, 1985.

Current directions in psychotherapy. Presented at the School of Education, Stanford University, Stanford, 1985.

Children of depressed parents: A systems perspective. Presented at the Department of Psychology, Stanford University, Stanford, 1985.

Depression and marital interaction: A longitudinal perspective. Presented at the Department of Psychology, Concordia University, Montreal, 1985.

Depression and marriage: An interactional approach. Presented at the Department of Psychology, Indiana University, Bloomington, 1985.

Issues in the assessment of depressed children. Presented to the Clinical Area, Department of Psychology, Indiana University, Bloomington, 1985.

Issues in the study of the children of depressed parents. Presented at the Department of Psychology, Center for Research in Human Development, Concordia University, Montreal, 1985.

Gender differences in recovery from depression. Presented at the Department of Psychiatry, University Hospital, London, 1986.

Marital interaction and depression: An examination of gender differences. Presented at the Department of Psychiatry, London Psychiatric Hospital, London, 1986.

Children of depressed parents. Presented at Madame Vanier Treatment Center for Children and Adolescents, London, 1987.

An interpersonal systems approach to the conceptualization and treatment of depression. Presented at the conference, "Contemporary Approaches to the Study of Depression." San Diego State University, San Diego, 1988.

Issues in the study of children at risk for psychopathology. Presented at the Department of Psychology, McGill University, Montreal, 1988.

Maternal depression and child adjustment: A longitudinal perspective. Presented at the Department of Psychology, Queen's University, Kingston, 1988.

Treatment of depression: An interpersonal systems approach. Presented at the Department of Psychiatry, London Psychiatric Hospital, London, 1988.

Issues in the study of children at risk for psychiatric disorder. Presented at the Department of Psychology, University of Waterloo, Waterloo, 1988.

An integrated interpersonal systems therapy for depression. Presented at the conference, "ANew Directions in the Treatment of Depression." The Annenberg Center for Health Sciences at Eisenhower, Rancho Mirage, California, 1988.

Children of depressed mothers: A longitudinal perspective. Presented at the Department of Psychology, San Diego State University, San Diego, 1989. *Postpartum depression and infant functioning.* Presented at the Department of Psychology, University of California, Los Angeles, 1989.

Cognitive and interpersonal aspects of depression: Implications for theory, research, and therapy. Invited keynote address to the Annual Meeting of La Societe Quebecoise pour la Recherche en Psychologie, Ottawa, Ontario, 1989.

The risks of studying at-risk populations. Invited participant in a Roundtable Discussion, Beyond the High-Risk Method: Alternative Approaches to Studying the Development of Psychopathology" chaired by Elaine F. Walker and Barbara A. Cornblatt at the 4th Annual Meeting of the Society for Research in Psychopathology, University of Miami, Coral Gables, 1989.

An integrative cognitive-interpersonal approach to the study of depression. Presented at the Department of Psychology, Northwestern University, Chicago, 1990.

Children of depressed parents: Issues and findings. Presented at the Department of Psychology, University of Pittsburgh, Pittsburgh, 1990.

Interpersonal aspects of depression: A cognitive perspective. Presented at the Department of Psychology, University of Manitoba, Winnipeg, 1990.

Cognitive and interpersonal aspects of depression: The children of depressed parents. Invited presentation at the Oregon Research Institute, Eugene, 1990.

Interpersonal interaction and cognition in depression: An integrative approach. Presented at the Department of Psychology, Florida State University, Tallahassee, 1990.

Psychosocial aspects of depression. Presented at the Institute for Social Research, University of Michigan, Ann Arbor, 1990.

Issues in the study of children at risk. Presented at the Department of Psychology, University of Waterloo, Waterloo, 1990.

Children of depressed mothers. Invited address at "AGroups at Risk of Mental Illness," a conference sponsored by the Alberta Health Mental Health Division and the Alberta Mental Health Research Fund, Banff, Alberta, 1991.

Depression and stress: A cognitive-interpersonal perspective. Invited address at the International Congress on Stress, Anxiety and Emotional Disorders, Braga, Portugal, 1991.

A cognitive-interpersonal conceptualization of depression. Presented at the Department of

Psychology, Kent State University, Kent, Ohio, 1991.

Psychosocial aspects of depression: Toward a cognitive-interpersonal integration. Presented at the Department of Psychology, University of Guelph, Guelph, 1992.

Cognitive approaches to the assessment and treatment of depression. Presented at the Department of Psychology, University of North Chicago Medical School, 1992.

Cognitive and interpersonal approaches to the study of depression. Presented at the Department of Psychology, University of Arizona, Tucson, 1992.

Cognition and social interaction: Toward an integrative approach to the study of depression. Presented at the Department of Psychology, University of Illinois, Champaign-Urbana, 1993.

The early experiences of depressed adults: An examination of interpersonal factors in depression. Asher Lecture presented at the Department of Psychiatry, Northwestern University, Chicago, 1993.

Psychosocial functioning and depression. Presented at the Department of Psychology, Emory University, Atlanta, 1994.

Assessment and treatment of depression: An interpersonal-systems approach. Presented for the Canadian Mental Health Association, Toronto, 1994.

Psychosocial functioning in depressed children and adults. Presented at the Department of Psychiatry, University of Chicago, 1994.

The effects of postpartum depression on children. Invited address at "Postpartum Mood and Anxiety Disorders: Impact on the Family and Helping Families Heal." Toronto, 1994.

Interpersonal approaches to the study of depression: An integrative perspective. Presented at the Department of Psychology, University of Colorado at Boulder, Boulder, 1994.

Cognitive and interpersonal perspectives in the study of depression: Implications for research and therapy. Presented at the Department of Psychology, North Dakota State University, Fargo, 1995.

Cognitive functioning in depression and anxiety. Invited address at the Inaugural Meeting of the Wisconsin Symposium on Emotion and Psychopathology." Madison, Wisconsin, 1995.

Information-processing approaches to the study of cognition in depression. Presented at the Department of Psychology, Purdue University, West Lafayette, 1995.

Cognitive and social aspects of the affective disorders. Presented at the Department of Psychology, University of Michigan, Ann Arbor, 1995.

Interpersonal and cognitive aspects of depression: Toward an integration. Presented at the Department of Psychology, Indiana University, Bloomington, 1996.

Interpersonal and cognitive aspects of depression: Toward an integration. Presented at the Department of Psychology, Stanford University, Stanford, 1996.

Interpersonal and cognitive functioning in depression: Toward an integration. Presented at the Department of Psychology, University of Virginia, Charlottesville, 1996.

Information-processing approaches to the study of depression. Presented at the Department of Psychology, University of Miami, Coral Gables, 1997.

Social functioning in depression. Dean's Lecture, Presented at the Faculty of Social Science, University of Western Ontario, London, Ontario, Canada, 1998.

Interpersonal and cognitive aspects of depression: Toward an integration. Presented at the Department of Psychology, Harvard University, Cambridge, 1998.

Depression and the family: The impact of depression on spouses and children. Presented in the Institute for Research on Women and Gender Jing Lyman Lecture Series, Stanford University, 1998.

Interpersonal and cognitive aspects of depression: Toward an integration. Invited presentation in "The Interpersonal, Cognitive, and Social Nature of Depression" conference, Florida State University, Tallahassee, Florida, 1998.

Information processing in depression. Invited presentation for the Sixth Annual Leona E. Tyler Lecture Series, University of Oregon, Eugene, Oregon, 1999.

Information-Processing Biases in Depression: Subtypes, Psychophysiology, and fMRI. Presented at the Nancy Pritzker Network Meeting, Stanford University, Stanford, 1999

Information-Processing Biases in Depression: Subtypes, Psychophysiology, and fMRI. Twelfth annual William A. Owens Lecture, Institute for Behavioral Research, University of Georgia, Athens, Georgia, 2000.

Information Processing in Major Depressive Disorder. Presented at the National Institute of Mental Health Workshop, "From Neurobiology to Psychopathology: Integrating Cognition and Emotion." Bethesda, MD, 2000.

Integrating Empirical Findings and Clinical Treatment: The Case of Depression. Presented at the Annual Meeting of the Association for Clinical Psychosocial Research. Portland, Maine, 2001.

Cognitive, interpersonal, and biological aspects of depression: Toward an integration. Presented at the Max Planck Institute, Berlin, 2002.

Mechanisms underlying the transmission of risk for depression. Presented at the meeting, "Mothers and Depression: Beyond Talk and Into Action." Western Psychiatric Institute and Clinic, Pittsburgh, PA, March 2003.

An integrative approach to the understanding of cognitive and biological functioning in Major Depressive Disorder. Presented at Grand Rounds, Department of Psychiatry and Behavioral Science, Stanford University, Stanford, 2003.

The role of psychological and biological factors in the etiology and maintenance of depression.

Presented at the Department of Psychiatry, San Mateo Hospital, San Mateo, California, 2003.

Cognitive and biological aspects of depression: Toward an integration. Presented at the Department of Psychology, University of Iowa, Iowa City, 2003.

Interpersonal, cognitive, and biological aspects of depression. Presidential address presented at the Society for Research in Psychopathology, Toronto, Canada, 2003.

Interpersonal, cognitive, and biological aspects of depression: Toward an integration. Master Lecture, presented at the Annual Meeting of the American Psychological Association, Honolulu, 2004.

Cognitive and biological factors involved in the etiology and course of depression. Invited address presented at the Annual Meeting of the Society for Psychophysiological Research, Santa Fe, 2004.

Biological and Cognitive Functioning in Adolescents at Risk for Depression. Presented at the 6th Annual Sex and Gene Expression Conference, Winston-Salem, NC, 2005.

Interpersonal, cognitive, and biological aspects of depression. Distinguished Lecture, Department of Psychology, Queen's University, Kingston, Ontario, Canada, 2005.

An integrative approach to the study of risk for depression: Psychological and biological functioning of children of depressed mothers. Invited address presented at the University of Geneva, Geneva, 2005.

Cognitive and neural functioning in offspring at risk for depression. Presented at the Swissnex meeting, "Affective Sciences Emerging: The Interdisciplinary Study of Emotion, San Francisco, 2006.

Emotion Dysregulation and Stress Reactivity as Mechanisms Underlying Risk for Depression. Presented at the National Institute of Mental Health Workshop, "Developmental and Translational Models of Emotion Regulation and Dysregulation: Links to Childhood Affective Disorders." Bethesda, MD, 2006.

Social, cognitive, and biological factors in depression. Presented in the Department of Psychology, University of Pittsburgh, Pittsburgh, 2006.

Emotion Dysregulation. Presented at the DSM/WHO conference, "The future of psychiatric diagnosis: Refining the research agenda. Mexico City, Mexico, 2007.

Emotion dysregulation, stress reactivity, and risk for depression: An integrative perspective. Presented in the Department of Psychology, Washington University, St. Louis, 2007.

Emotion dysregulation as a risk factor for depression. Presented in the Department of Psychology, Harvard University, Cambridge, 2008.

Risk factors for depression: An integrative perspective. Presented in the Department of Psychiatry, University of British Columbia, Vancouver, Canada, 2009.

Emotion dysregulation, stress reactivity, and risk for depression. Presented at the Department of Psychiatry, San Mateo Hospital, San Mateo, California, 2009.

Emotion dysregulation and risk for depression. Presented in the Department of Psychiatry, University of California, San Francisco, 2009.

Emotion dysregulation, stress reactivity, and risk for depression: An integrative perspective. Presented at Grand Rounds in the Department of Psychiatry, Stanford University, Stanford, 2009.

Emotion dysregulation and stress reactivity: Mechanisms underlying risk for depression. The Dennis L. Cherlin Memorial Lecture, presented at Department of Psychology, Yale University, New Haven, 2010.

Emotion dysregulation, stress reactivity, and risk for depression: An integrative perspective. The Michael J. Goldstein Memorial Lecture, presented at the Department of Psychology, University of California Los Angeles, Los Angeles, 2011.

Understanding and reducing risk for depression. Invited address, Society for Research in Psychopathology, Boston, 2011.

Understanding and reducing risk for depression. Kendon Smith Lecture, presented at the Department of Psychology, University of North Carolina, Greensboro, NC, 2012.

Emotion dysregulation and stress reactivity: Mechanisms underlying risk for depression. Presented at Department of Psychiatry and Behavioral Sciences, Stanford University, Stanford, 2013.

Risk for Depression in Adolescents: Assessment and Prevention. Presented at the meeting, *The Adolescent Brain*, Cold Spring Harbor Laboratory, Cold Spring Harbor, NY, 2013.

Understanding and reducing risk for depression. Invited address to accept the Distinguished Scientist Award from the Society for a Science of Clinical Psychology, Association for Psychological Science, Washington, DC, 2013.

Understanding Risk for Depression: A Psychobiological Approach to the Prevention of Disorder. Invited address to accept the Distinguished Scientific Contribution Award from the American Psychological Association, Honolulu, HI, 2013.

Cognitive and Biological Functioning in Major Depression. Presented at the 24th Annual Rotman Research Institute Conference, "Memory and the Brain in Disease and Health," Toronto, Ontario, Canada, 2014.

Understanding and reducing risk for depression. Colloquium presented at the Department of Psychology, University of Texas at Austin, Austin, TX, 2014.

Reducing risk for depression. Colloquium presented at the Department of Psychology, Vanderbilt University, Nashville, TN, 2014.

A Psychobiological Approach to the Prevention of Depression. Invited Presentation at the EMPathy symposium, American Psychological Association, Washington, DC, 2014.

Understanding risk for Major Depressive Disorder. Presented at Grand Rounds, Department of Psychiatry, University of California, San Francisco, San Francisco, 2015.

Understanding and reducing risk for depression. Colloquium presented at the Department of Psychology, University of Wisconsin, Madison, WI, 2015.

Reducing risk for Major Depression. Grand Rounds presented at the Department of Psychiatry, University of Illinois - Chicago, Chicago, IL, 2015.

Bridging Biomedical and Behavioral Social Science. Invited Presentation at the 20th Anniversary of the Office of Behavioral and Social Science Research, NIH, Bethesda, MD, 2015.

Vulnerability to Major Depression. Invited Presentation at the Annual Meeting of the Academy of Behavioral Medicine Research. Cambridge, MD, 2015.

Reducing risk for Major Depression. Invited presentation at the *Dartmouth Affective Neuroscience Symposium*, Center for Social Brain Sciences, Dartmouth University, 2016.

Understanding and Reducing Risk for Depression. Invited presentation for the Hebb Lecture Series, Department of Psychology, McGill University, Montreal, Canada, 2016.

Multi-Level Approaches to Mental Health. Invited presentation for *Integrated Multi-Level Approaches to Psychosocial Processes & Health – Society for Affective Science*, Boston, 2017.

Understanding Depression: A Longitudinal Perspective on Risk. Invited colloquium, Department of Psychology, Washington University, St. Louis, MO, 2017.

Understanding Risk for Depression. Invited colloquium, Department of Psychiatry, Western Psychiatric Institute and Clinic, University of Pittsburgh, Pittsburgh, PA, 2018.

Understanding Depression and Risk for Suicide in Adolescents. Invited presentation, Micron Foundation, Boise, ID, 2019.

Understanding Depression: A Neurodevelopmental Perspective. Invited presentation, NIMH, 2020.

Early Life Stress, Neurodevelopment, and Adolescents' Response to the Pandemic. Invited presentation, Society for Research in Child Development, 2021.

Early Life Stress and Adolescents' Response to the Pandemic. Invited presentation, Mood Disorders Education Day, Department of Psychiatry and Behavioral Sciences, Stanford University, 2022.
