WORK EXPERIENCE

Vice President of Learning /

Head of Programs: Foundations & Pathway, ALX Africa

Jan'23 - Aug'25 / Remote

Led strategy, curriculum design, implementation and student selection process of the ALX Foundations and Pathway programs developing life skills for young software engineers and data scientists.

Freelance Learning Experience Designer

Aug'20 - Dec'22 / Dakar, Senegal

Director of Learning, Moringa School

Feb'18 - Mar'20 / Nairobi, Kenya

Led strategy, design and professional development for all members of the learning design, classroom delivery and product development teams in a software development and data science bootcamp.

Faculty Team Lead, African Leadership University (ALU)

Jul'16 - Dec' 17 / Pamplemousses, Mauritius

Crafted and executed personal and professional development strategy for a team of 12 facilitators delivering to 180 students. This also included setting team culture and values, onboarding, accountability, and operational system building.

Managed the process of redesign to a new version of the ALU first year curriculum based on feedback from our first year of operation.

Curriculum Designer and Facilitator, African Leadership University (ALU)

Jul'14 - Jul'16 / Pamplemousses, Mauritius

Member of the founding team to craft a unique blended learning model. Designed and facilitated the "Projects Course" on project management in partnership with real world companies. This involved crafting learning outcomes, learning experiences and assessments for a 1-year curriculum to deliver to students from 22 African countries.
